THIS IS WEST SIDE PROPERTY. close in, practically in the center of the city, on Lincoln st, between 4th and 5th sts. You can take your checice of either of two good houses with big lot. One for \$2500, the other for \$3500; a small cash payment down of from \$500 to \$750. This beats looking around for houses for rent and going out too far, where you have to payear fare. These places are close in to the business center, walking distance. You don't have to ride and pay car fare. Either place is a great bargain. M. J. CLOHESSY, ABINGTON BUILDING.

Salagon sta, close in, a corner quarter block, 100x100 feet, cement sidewalks and pared streets, an abundance of fruit in full bearing of the best qualfruit in full bearing of the best qual-ity; valuable property. The grounds are large and nicely improved, and with this you get for the price a very substantial (modern enough for anybody), at twice the price, 0-room plastered house with basement and every other necessary acquisition; a garage on the property. This place being walking distance, you might say, and only 2 blocks from either the Hawthorne or Sunnyside car, in a fine district as well, where the quarter fine district as well, where the quarter block alone should be cheap at \$6000 block alone should be cheap at \$6000 in this close in location and directly eart in the center of the city from Washington street, it is an unusual offer for such a low price. If you were to build a house today this size it would cost more than \$6000, and the corner quarter block alone is cheap at \$6000, so here is a \$12,000 value which you can grab for \$4100; \$1500 cash is all you need. This great bargain should not stand open one day. M. J. CLOHESSY, ABINGTON BUILDING.

ONLY \$4100, and this place on East

ONLY \$6000, in the center of the city, on East Alder st., not as far out as 18th st., here are two 5-room flats, a splendid looking place, barement for each flat, and an opportunity for the investor to provide himself with a close-in, fine home, in a fine residential district, and receive \$40 a month or more rent from the other flat, and at the same time make an investment in a location where propflat, and at the same time make an investment in a location where property values will increase rapidly; walking distance to the business center, you don't have to pay car fare; all of the improvements in and paid for. The owner of this property is determined to sell, as he is engaged in business out of town. Here is a chance to negotiate and drive a wonderful bargain. M. J. CLOHESSY, ABINGTON BUILDING.

ONLY \$2100 for a full corner lot with a 5-room house on 52d at., 2 blocks from the car line; all of the city conveniences in the house; \$500 cash will handle it, M. J. CLOHESSY, ABINGTON BUILDING. ONLY \$5250, and this includes nearly

all of the furniture; practically in the center of the city, on the west side near Lincoln high school, on Broadway, here is a 30x100 foot lot Broadway, here is a 30x100 foot lot with a house containing 7 rooms, not a new house to be sure, but we are not pricing the house for \$1 value, the lot alone in this location, if any close-in property in Portland is worth a cent, should be worth (and cheap enough) \$7500. On the best street in the city of Portland, of which three-quarters of it is business property up to within 5 or 6 blocks of this lot, and on this street are the \$1,000,000 buildings. While we do not place any value in connection with this price on the house, yet it pays a monthly rental of \$45. The owner does not occupy it, therefore her reason for offering it away under its value. We wonder if any person who knows a good thing will delay a moment in buying this special place; \$3000 in cash will handle it. M. J. CLOHESSY, ABINGTON BUILDING.

ONLY \$2600, and may, this is on Eart 12th st., close to the corner of E.
