## Cougars to Play Bears For Honors

**PACIFIC COAST CONFERENCE**

Team	Won	Lost	Points	Per Cent
California	10	0	1,000	100
Stanford	1	0	1,000	100
Oregon	0	1	1,000	0
Washington	0	1	1,000	0
W. S. C.	0	1	1,000	0

By George Bertz

PRACTICALLY all hopes of the Oregon representation in the New Year's day football classic at Pasadena, were killed Saturday by the defeats of the Oregon and O. A. C. elevens at the hands of the California elevens.

The Oregon Aggies fell before the slashing attack of the California Bears, and Oregon went down to an unexpected defeat at the hands of the Stanford Cardinals.

**TO PLAY AT PASADENA**

Only by including a lot of "ifs" and "ands" can either Oregon team be given a possible chance of winning the conference title. There's a lot of calculation to it; but, judging from the form being displayed by California and Washington State colleges, it is logical that the winner of next Saturday's game between these two teams will likely annex the conference championship.

The Pasadena classic will be played under the old system. The conference investigated the disbursements of the proceeds and voted to play the game, although Oregon and O. A. C. voiced a protest against all the proceeds going to the Pasadena Tournament of Roses committee. At present it is impossible for the Tournament of Roses to allow the colleges to participate in a division of the gate receipts because of the heavy bond issued to construct the new stadium.

**COUGARS SURPRISE**

Outside of the defeat of the Oregon team, the biggest surprise of Saturday was the one-sided victory of the Washington State college team over the Montana Bruins. The Cougars scored four touchdowns and a field goal against the speedy squad from Missoula, running roughwork over the Montanans in the second half of the contest.

Coach Welch has a powerful aggregation. The Cougar scoring machine is every bit as strong as that of California, despite the fact that the Beavers have piled up nearly 400 points already this season. The Oregon Aggies were the strongest team the Bears have faced this year, while the Cougars have played two strong teams, Idaho and Montana.

The contest between California and W. S. C. will likely decide the coast championship. It is going to be a hard game, each team having an even chance to win.

**BEARS HAVE TEAMWORK**

California has a great lineup, and Andy Smith has his offensive working like a machine. There was hardly a bobble in the offensive attack against the Aggies, the teamwork being well nigh perfect. On the defense the Californians are very strong.

The Bears had it over the Aggies in punting, but with Elder Jensen kicking them next Saturday the Californians are not going to have a big margin in kicking.

Oregon and O. A. C. will be idle this week, and as far as games are concerned, but they will not be allowed to take things easy because of the contests scheduled for November 1. The Beavers will tackle the Washington State team at Pullman, and Oregon will stage another historic battle with the University of Washington team at Eugene.

**STANFORD TO PLAY "W"**

The other conference game scheduled for next Saturday will be between Washington and Stanford at Seattle. This is going to be another hard game. Aided by a rest of two weeks, the Sun Dodgers should be in prime shape to battle the Cardinals, and it would not be surprising to see a Washington victory.

Stanford upset the dope by beating Oregon. "Dink" Templeton's punting was a big factor in the Stanford victory, although Oregon was the victim of a break in luck when it lost the ball on a fumble on Stanford's two-yard line.

## Carpentier Plays Golf With Dempsey

New York, Nov. 1.—(I. N. S.)—Jack Dempsey and Georges Carpentier have staged their first bout, a round of golf together at Shickamaxon, it developed today.

The world's champion and his challenger, in company with several friends, motored out to the links Saturday morning and spent several hours trying to knock the gutta percha pellets out of New York county. It was Carpentier's first game of golf. Dempsey shot his first game just a week ago. Naturally, no records were broken. The boxers didn't even keep score, but they had a royal good time.

## Multnomah Club Is Working Hard for Gonzaga Contest

The Multnomah Amateur Athletic club football squad held an hour of hard scrimmage with the Multnomah Guard representatives on Multnomah field Sunday morning, getting ready for the game against Gonzaga university of Spokane on the Winged "M" lot next Saturday. Manager Harry Dorman ran the first string against the Guard and both outfits seemed to profit by the hard workout.

Arrangements were completed with Manager Coach Frederick McKeown whereby the Guards will scrimmage again with the clubmen Tuesday and Thursday nights.

Sam Dolan of Oregon Agricultural college was named to referee the Multnomah club-Gonzaga game Saturday while Edward "Skip" Madigan, coach of the Columbia university squad of the Portland interscholastic league, will act as umpire. The head linesman will be selected on the arrival of Coach Dorias from the Inland Empire.

## New Yorker Slated To Head Commission

(By Universal Service)

New York, Nov. 1.—Colonel Arthur Woods, former police commissioner of New York city, is slated to head the new ruling body of organized professional baseball, if the Lasker plan is adopted by the major leagues, according to reports.

It is understood that Ben Johnson's counter proposal to the Lasker plan has met with no approval from the 11 clubs of the major leagues who are in favor of the Lasker plan. From all indications, these 11 clubs intend going right ahead with their plan of reorganization. Colonel Woods is the choice of Connelis Ruppert and Houston of the New York Yankee clubs, according to reports from apparently reliable sources.

## Notre Dame And Bezdek's Team on Top

By Henry L. Farrell  
United Press Staff Correspondent

NEW YORK, Nov. 1.—(U. P.)—If Notre Dame and Penn State could be brought together, a national football championship would not be mythical.

With the season more than half over, these two mighty elevens look by far the best roaming the gridiron.

Many think a post season game between the pair unnecessary, granting the Westerners the decision by a big margin.

Due to the good fortune of having an unusually large number of intersectional games, the East has seen the best of the South and Middle West, and Notre Dame looks to be the class of them all.

Not only are the Westerners being lauded to the skies in the East, but four of the South Bend stars are being nominated for all-American honors.

George Gipp, the sensational halfback, who alone gained 236 yards, looks to be the best seen in the East since the days of the great Eddie Mahan. He is sure of one place on the mythical eleven.

Kelley and Anderson are the best ends to appear in the East, and Frank Coughlin, captain of the eleven, looks to be sure of one tackle position.

Chicago, Nov. 1.—(I. N. S.)—Football affairs of the Big Ten conferences are pointing themselves to a repetition of the 1919 situation with Illinois when Illinois and Ohio battled for the championship. The Buckeyes and the Illini are the only undefeated teams in the conference as the result of Saturday's games.

Each of these teams, however, faces at least one tough battle before the two meet on November 20 in the game that may decide the title. Illinois must triumph over Chicago and Wisconsin, two capable, hard-fighting elevens, in order to keep her slate clean and Ohio must defeat Michigan, a powerful combination that is improving with every game.

Experts are predicting today that in the event that Illinois and Ohio finish the season without a defeat and face each other in the titular battle, the Illini stand an excellent chance of carrying off the honors.

Although not a member of the Big Ten, Notre Dame, which cleaned up the Army Saturday in the most sensational game of the day, is regarded as the most logical claimant of the Middle Western championship if it wins the remainder of its games, a feat that it should easily perform. The Catholic eleven meets Indiana next Saturday and this game will give fans a line on how Coach Rockne's squad looks up as compared with the conference elevens. Although not a championship contender the Indiana outfit is a strong defensive eleven and is expected to give Notre Dame a battle.

Oregon City, Nov. 1.—Estacada high's football team won from Oregon City high 24 to 6 here Friday. The visitors played clean, steady football and the lone score registered by the locals was the only opportunity Oregon City had to put across any points.

The Dalles, Nov. 1.—The local high school eleven had no trouble handling the Goldendale, Wash., high school aggregation Friday, 76 to 0. Goldendale a week ago had trimmed Dufur high 56 to 0 and the visitors came here with the idea that The Dalles was in line to suffer the same humiliation. Ted Gillenwater of the Washingtonians suffered a broken nose and was unconscious for half an hour.

San Francisco, Nov. 1.—(U. P.)—Duke Kahanamoku of Honolulu, world's champion swimmer, successfully defended his title against Lester Smith of the Olympic club Sunday in a 110-yard handicap race at Neptune beach.

Chehalis, Wash.—The Chehalis high school football team defeated the Elma high school team Saturday afternoon, 67 to 0. Chehalis scored four touchdowns in the first half. Hermans made two touchdowns in the second half, and Day one, on long forward passes. Arthur Sutherland of the Elma team suffered a broken right leg.

Salem, Nov. 1.—The freshmen football team of the University of Oregon and the Chemawa Indian eleven played a sensational game here, in which the Redskins were victorious, 10 to 9. Oregon made a safety and Chemawa a place kick in the first quarter and the period ended with a score of 3 to 2. Neither team counted in the second canto, but in the third Chemawa took the lead by putting across a touchdown and kicking goal. With one minute to go in the final quarter, Chemawa, through the efforts of Bettles, registered a touchdown and kicked goal.

By making a touchdown and kicking goal, the Columbia Park eleven defeated the Oregon City athletes, 7 to 0, at Canemah park Sunday. Dick Johnson made the only points credited to the Portlanders. Next Sunday Columbia Park will meet Kenilworth Park and the Columbia grounds.

All basketball players wishing a try-out with the Multnomah Guard quintet are requested to meet Manager Ray Brooks in the Washington high school gymnasium Wednesday night at 7:30 o'clock. "Spud" Darling, Irvo Cole, Dave Wright, Kenny Irie, H. W. Goode, Bill Beck, Walter Fernley, Bill Reed, Ade Sieberts and Joe Todd will be out for positions, it is said.

## Veterans in First Place In Soccer Set

**P. S. F. A. STANDINGS**

Team	Won	Lost	Tied	Points
Canadian Vets	1	0	1	3
Kerns	1	0	0	3
Clan Macleay	1	1	0	2
Peninsula	1	1	0	2
Standiford	0	1	1	1
Multnomah Guard	0	2	1	0

**MANAGER STRANG'S** Canadian veterans jumped into the lead in the race for the 1920-21 championship of the Portland Soccer Football association by defeating the Clan Macleay eleven Sunday 3 to 0 on the Franklin high grounds. The other scores Sunday were: Peninsula 7 goals, Vancouver 4 goals; Kerns 1, Multnomah Guard 0.

The "Vets" scored in the first half when Wilkinson netted one on a pass from Entwright. In the second period Entwright and Wright both added to the score. The Scot's forwards were not up to their usual standard and it was only through the sensational work of the backs that the Vets did not run up a much larger score.

The Peninsula aggregation, champions last year, broke into the win column Sunday at the expense of the Standiford Shipbuilding corporation representatives on the Vancouver barracks gridiron, while the Multnomah Guard squad was forced to submit to its second defeat of the campaign, Kerns winning 1 to 0.

Next Sunday's schedule calls for Peninsula vs. Canadian Vets at Columbia park, Kerns versus Clan Macleay at Franklin bowl, Standiford against Multnomah Guard on Reed college athletic field. All games will start at 2 o'clock.

## Multnomah Club to Hold Smoker Tuesday

A big boxing and wrestling program will be one of the main features of the smoker at the Multnomah Amateur Athletic club Tuesday night.

On account of the election the entertainment committee has decided to make a big night of it. Election results will be announced over the wire.

A good program has been lined up and, in addition to the boxing and wrestling features, some real thrillers will be put on in the way of entertainment. An orchestra has been engaged for the evening.

Between the returns different numbers will be put on. Joe Riesch, chairman of the committee, announces that it will be "something different," too—singers, dancers and other entertainers that will keep the boys there until a late hour. The regular program begins at 9 o'clock, although the returns will begin coming in at an early hour.

## Fans May See Some Kayoes At Milwaukie

Boxing matches of the slam-bang variety are scheduled at Milwaukie Wednesday evening.

Judging from the past performances of the battlers, it would not be surprising to see some of the bouts end via the K. O. route.

Joe Gorman is favored to win over Jack Davis, the Oakland battler. This will be Davis' first appearance here and his first bout over 10 rounds. It is almost a cinch that his hope of victory lies in tearing into Gorman in the early rounds of the battle. Davis worked out in the Olympic gym Sunday and showed a fair amount of speed and a lot of hitting power.

The Anderson-Cross battle should be a hummer and the Darcy-Palmer bout should hum with action, provided Darcy had it in his head to open up and battle instead of covering up. It is believed that Valley will remember how the fans treated him on his last appearance for his failure to stand up and box.

Tickets for the smoker went on sale Monday morning.

# THE US ARMY TEACHES TRADES

FIGURE UP the time it would take you to become a good machinist—and what it would cost you for board and clothes and all the other expenses while you were learning.

If you could get paid while learning—have money in your pocket at the end of every month—and no bills to settle—wouldn't you call that a good job?

Well, that's the kind of a job the Army offers you.

You earn a good living and while you're earning a good living you learn to be a skilled man in one of a hundred trades.

There are few better jobs open these days.

Ask a recruiting officer to tell you when you can begin—and where.

And Spur has won the place.

**Raising the Limit!**

Many a smoker thought the limit had been reached. Could cigarettes be improved?

We thought they could. We knew there was room at the top for a better cigarette. But it would have to be something entirely new.

And it is—it's Spur.

An original blend that makes the rich Oriental tobacco richer by pleasing combination with mild, fragrant Burley and other home-grown tobaccos.

A new method of rolling, crimped, not paged. A smart "brown-and-silver" package, triple-wrapping to keep Spurs fresh.

Spur's newness will especially appeal to the smoker whose taste is "fed up."
