CANADIAN PACIFIC RAILWAY LAND
YOUR LAST OPPORTUNITY—In Central
Alberta and Saskatchewan are rich park lands,
open prairie ready for the plow, interspersed
with trees, which afford excellent shelter for
stock. Here grain growing, dairying and livestock raising are being carried on successfully.
The country is ideal for mixed farming. The
Canadian Pacific Railway is offering a large area
of these fertile lands in Lloydminster and Battleford districts. This fertile land will become the
home of thousands of prosperious farmers. On
similar land Seager Wheeler grows the world's
prize wheat. Near Lloydminster the world's prize
oats have been grown, and butter of the highest
quality is made. A man can soon become independent on a farm in this district. These lands
can be bought now at prices averaging about \$18
per acre. You pay down 10 per cent. If land
is purchased under settlement conditions, no further payment of principal until end of fourth
year; then 16 annual payments. Interest is 6
per cent. Also thousands of acres of irrigated
lands in Southern Alberta at \$50 per acre, on
which the company will loan \$2000 for improvements to approved purchasers, with 20 years to
