

Twenty-two Cougars on Way South : Plenty of Action Scheduled for Milwaukie Tonight

Cougars Visit Here on Way to Berkeley, Cal.

COACH GUS WELCH, Dr. Frederick Bohler, director of athletics, and 20 husky members of the Washington State college football squad arrived in Portland Wednesday morning and will remain here until tonight, when they will take the rattler for Berkeley, Cal.

The Cougars went to the Multnomah Amateur Athletic club and worked out two hours and a half on the Winged "M" gridiron. This was made necessary because of the fact that the visitors had not been able to get in a practice since the 3-0 victory over the Montana Bruins at Pullman, Wash., last Saturday.

All the athletes look to be in the "pink" of condition and a great game is expected when the Staters tangle with the University of California warriors on California field next Saturday afternoon. Bob Schmeley, tackle, was the only one who showed any marks of having been in a football game and all he has is a couple of scratches over his black left eye.

MOE SAX WITH THEM
Eldon Jenne did not work out with the squad. Coach Welch feeling that his star punter had halfback deserved a rest. He remained at the Imperial hotel, where the team registered for the day.

Moe Sax, a Portland boy and former Jefferson high school favorite, is in the party and looks as fit as any of the rest of the athletes. He took a hand at calling signals and directing the team's play on Multnomah field Wednesday morning and he still is full of the old time "grip" and enthusiasm.

"Frank" "Curly" Skadan and Earl Dunlop, who came from the Washington State "thirteenth" division eleven of Camp Lewis in 1918, and again with the Washington Staters last year, again are with the Cougars and they feel that they have been to Portland many times that they have won a "home" here.

Mike Moran of the United States marine fame, also is one of the stars in the party and the big halfback can hardly wait to line up against the Bears next Saturday afternoon.

EXPECT HARD GAME

"We know we are going to get a hard game," said Coach Welch in speaking of the coming engagement against Coach Andy Smith's conference championship contenders, "but we are going down there with the idea to give them all we have. The players are not overconfident by any means, in fact they are just determined to make the best team win. Which one that is, of course, we are not predicting."

Dr. Bohler, who looks after the condition of the athletes as well as to attend to all the minor duties, says the Cougars are expecting everything from the Bears.

"Fortunately, our players are in mighty good shape, because of lack of injuries. We haven't what you might term an injured athlete in the lot, but that does not mean that we haven't had any hard games to date, for we certainly have."

Following are those in the Washington State college party: Coach Gus Welch, Dr. J. Frederick Bohler, Captain Fred Hamilton, Moe Sax, Bob Schmeley, Roy Sandberg, Harold Hanley, Frank Skadan, Earl Dunlop, Ray King, Roy Dunlop, C. A. Webster, Leslie Troman, Louis, C. E. Galt, Lloyd Gillie, Bud McKay, "Buck" Davis, "Spud" Loomis, John Stackhouse, Roy Hanley and "Pink" McIvor.

Wisconsin Quintet May Play Guards

Arrangements are being made by Manager Ray Brooks of the Multnomah Guard basketball team to bring some of the fastest independent quintets on the Pacific coast to local gymnasiums. At present negotiations are under way whereby the guard representatives will meet the famous Wisconsin Cardinals, who are planning on touring the United States this winter. Just when the game will be played has not been determined, but it will be sometime after the middle of the next month, according to present plans. The games will be held during the field during the 1920-21 campaign, one for the city league and the other to play out of town squads.

Phil Matchan, Manager

JACK DAVIS, Oakland, Cal., battler, who meets Joe Gorman in the headliner of tonight's boxing smoker at Milwaukie. Davis has a knockdown to his credit over Gorman.

Multnomah Mechanics Are Victors Over Cadets

THE final workout of the Multnomah Amateur Athletic club football squad Thursday night on Multnomah field will go a long way toward determining who is to start against Gonzaga university in Portland Saturday afternoon. Manager-Coach Harry Dorman has been holding strenuous sessions with Winged "M" athletes and he pronounces them in great shape to meet the Spokane contingent.

Dorman says that the team was not able to show its real ability against the Willamette university eleven a week ago, and for that reason he is determined to have his men ready to put up a great battle to get into the good graces of the Portland fans. The game Saturday on Multnomah field will start at 7:30 o'clock, and with Sam Dolan acting as referee there will be no chance for any waits or delays. The lineup, subject to change after Thursday night's two-hour practice on Multnomah field, will be something like this: Marzell and Ratcliff, ends; Kerns and Pete De Cicco, tackles; Fields and Nelson, guards; Mike De Cicco, center; "Pudge" Brown, quarterback; "Huck" Hiatt, full back. The halves will be taken from Wright, Welch, A. R. Jones and Cook.

Coach Dorman and his team will arrive in Portland Friday morning and will take a workout in the afternoon on Multnomah field.

WASTINA CLUB LEADS IN CROSS COUNTRY RACE

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 3.—Wastina club of Poling hall, the men's dormitory of the college, leads all campus organizations in cross country running at the end of the second week of the season, which the run will be conducted. Men of that club have turned in points which total 480. In the national fraternity league, Wastina leads with 293 points, while Kappa Theta, who has jumped to the lead of the local fraternity league with 238 points.

Points are based on time made in running a 2 1/2 mile loop. Each organization is permitted to enter as many men as desired, each man being allowed to run twice each week. The best time yet turned in was made Monday evening by Sewell O. Newhouse of Kappa Theta, Sigma, who tore around the loop in 11 minutes flat.

Fans Look Forward To Friday's Contest

Preparations are being made for one of the largest crowds to ever witness a Portland interscholastic league football game when the Washington high eleven tangles with the Columbia university contingent on Multnomah field Friday afternoon.

Neither squad has been defeated so far during the 1920 season and it means that one or the other will be in line to grab off the pennant. Each base won five contests, and save for a 7 to 0 by Columbia over Benson Tech, all have been decisive. Columbia played Lincoln last Monday and won 21 to 0. The Colonials administered a 10 to 0 wallop to the James John athletes last Friday, in the last appearance of Coach Pensternmacher's representatives. The game will start at 3 o'clock in order to be completed before darkness sets in.

Thursday afternoon the High School of Commerce meets the James John boys, while this afternoon Franklin high and Jefferson are scheduled to battle.

Herman to Battle Winner
New York, Nov. 3.—(U. P.)—Pete Herman, bantam champion, has promised to meet the winner of the Lynch-Sherke bout, to be fought Friday night in Madison Square Garden. Sharkey has announced he will postpone his trip to England in the event he wins the bout and Herman will live up to his promise. The bout is scheduled to fight Jimmy Wilde in London early in January.

Davis Cup Tour Planned
New York, Nov. 3.—(U. P.)—America's Davis cup team will make an exhibition tour of Australia, following the cup matches in New Zealand the first of the year. The United States Lawn Tennis association has accepted the invitation of the Australian association to have the team tour that country.

Joe Gorman Will Try for K.O. Victory

ALTHOUGH Jack Davis, the 130-pounder of Oakland, Cal., floored Joe Gorman in their four-round encounter last February, there is little likelihood of the trans-bay mitt wielder winning his 10-round encounter with the Portlander tonight at Milwaukie.

Gorman is in wonderful shape for his first appearance before the Portland fans in five months. He finished training Tuesday with a light workout and pronounced himself fit. Gorman is anxious to win from Davis as early as possible.

Davis on the other hand is hopeful of gaining a verdict over Gorman. He is a terrific puncher, but his hope of victory lies in an early K.O. If the bout goes over four rounds, Davis' chances of a victory are very slim.

There are two other 10-round encounters on the card. "Kid" Palmer of Los Angeles being billed to tackle Jimmy Darcy in the second 10-round affair and Ole Anderson, the big Tacoma heavy-weight, and Leo Cross. Both these affairs should be full of action. Darcy is going to make an effort to gain favor here again by going after Palmer from the gong, but he may run into a tartar, as Palmer has quite a reputation as a battler.

The Cross-Anderson bout should be a furious contest. The curtain raiser will bring together Al Nelson and Roy Sutherland. The first bout will start at 7:30 o'clock.

Manager Moore of the arena has promised better car service for tonight's event.

MEDFORD HIGH SCHOOL GIVEN A CLEAN SLATE

SALEM, Or., Nov. 3.—The Medford high school was reinstated Tuesday in the State Athletic association by the board of control of the association following admissions by the principal of the high school, the city superintendent of schools and the athletic coach that men were used on the Medford football team in the game with Klamath Falls who were ineligible to play under the rules of the association.

In ending the suspension, placed on the school more than a week ago following protests by Klamath Falls, the board of control severely reprimanded Superintendent Aubrey G. Smith of the Medford schools and O. E. Klum, athletic coach, for permitting the irregularities in the conduct of the football team. In a signed statement admitting the irregularities as charged against the team the Medford officials declare the board of control of the state association to have been justified in suspending the team on the charges made by the Klamath Falls school. Sitting on the board here this morning were J. A. Churchill, state superintendent of public instruction; J. Nelson, principal of the Salem high school, and George Hug, superintendent of the Salem schools, representing A. C. Straube of Astoria who was unable to attend.

With the ball on the Benson 25-yard line, Bobby Robinson called for the play. The Hill center fell down as if injured and in his reclining position tossed the ball to Robinson, who dashed around the left end to the goal line. Captain Hayden kicking the goal. In the same period, Benson tied it up when Maloney squirmed his way through the first line defense for a 10-yard gain and a touchdown, after the Benson athletes had plunged the ball from the middle of the field.

BARBER FEATURES

The Mechanics counted twice in the second when R. E. Barber came into the limelight without any opposition. Barber came tearing through the line and picked up a fumble. Before he could be reached he had raced 35 yards to a touchdown and it was only a few minutes later that he intercepted a forward pass and again negotiated six points. After each score, Colt kicked goal.

A punting duel featured the fourth quarter, after neither team had been able to figure on the score sheet in the third stanza. Robinson punted a high one and when Benson safety fumbled, Dewey of the West Siders grabbed the ball and ran 77 yards before he was overtaken. This put the high one and when Benson safety fumbled, Dewey of the West Siders grabbed the ball and ran 77 yards before he was overtaken. This put the high one and when Benson safety fumbled, Dewey of the West Siders grabbed the ball and ran 77 yards before he was overtaken.

Ten-Year-Old Boy Acts as Reconciler

Kansas City, Mo.—Two years ago Jimmie Stinson's father and mother were divorced. His father, an oil man of Tulsa, paid his former wife \$1000 per month alimony and also gave her the care of Jimmie.

The years were long and Jimmie yearned for the companionship of his "daddy."

Then his father came to Kansas City for an operation and Jimmie pleaded with his mother to visit him. Finally, the mother consented with the result that the Stinsons are once more reunited and Jimmie, his father and mother are mutually happy.

Clark Is Swept to Defeat in Missouri

Kansas City, Nov. 3.—(U. P.)—Champ Clark, former speaker of the house of representatives, was swept to defeat in the Republican tidal wave that carried Missouri back into the Republican column. T. W. Hukreide, Republican, has piled up majorities which cannot be shaken by later returns. Hukreide now has a majority in the Ninth district of 9650 and Democratic leaders concede Clark's defeat.

Be sure to ask for the original Flor de Baltimore at your favorite smoke shop. It's the quality cigar with the union label.—Adv.

SPORT NOTES

CHEHALIS, Wash., Nov. 3.—A good turnout to the football game between Chehalis and Aberdeen high schools in Millett field here Saturday is expected. Aberdeen is reported to have

a fast and strong team and Chehalis is working nearer and nearer to the 1920 championship of Southwest Washington. Chehalis is scheduled to play Vancouver at that place on November 11, Armistice day.

The Multnomah Guard club basketball team will hold its first practice of the 1920-21 season in the Washington high school gymnasium Wednesday night starting at 7:30 o'clock. The guard quintet made a wonderful showing dur-

ing the campaign last year and claimed the independent championship of Oregon. There will be no disputing the title after the coming schedule is completed, says Manager Ray Brooks. All players wishing a tryout are requested to be on hand promptly at 7:30 o'clock.

University of Oregon, Nov. 3.—Oregon may have suffered a defeat in football at Palo Alto last Saturday, but the Oregon spirit is evidently as good as

ever, for there were over a thousand students to meet the team when it arrived just a little after 7 Monday morning.

IT IS hoped Captain J. E. Robertson, Dartmouth's star line plunger and dropkicker, who broke his shoulder in the recent game at Penn State college, may be in shape to play against Iowa November 20.

A GREAT BLANKET SALE

25 Per Cent Off on Our Entire Stock

November 1st to 8th is National Blanket Week. This week hundreds of stores all over the United States will feature Blankets. In Portland, THE BROWNSVILLE WOOLEN MILL STORE will place on sale its entire stock of fine, fleece wool blankets at 25 per cent off; a stock that is famous throughout the Northwest!

This great sale comprises the most complete and varied assortment of the famous Pendleton blankets and other nationally known Oregon makes. No attempt will be made to describe all of this colossal assortment—we can only state that here you will find all colorings, in all standard weights, in such an array as you have never seen before.

Shorty runs into Teebo!

Atlanta, Ga. Wednesday.

Dear Pete,

Checked up our old dormitory pal "Snapper" Teebo this morning waiting on an appointment down Peachtree Street. "Snapper" wanted to know a "hookfull" about my visit to the Camel factories. "Tell us, old apple seed," says "Snapper," "are you on the inside?" "Snap" still has that mighty annoying way of saying "But that doesn't surprise me!" Some day I'll soak him—maybe that will be a surprise!

Anyhow—when I explained about the millions of Camels R. J. Reynolds Tobacco Co. make daily what does the old bird sputter but: "Why, Shorty, they'd have to make that many to supply the demand! Camels have the quality smokers want! And, they have the most wonderful mellow mild body and the most refreshing flavor ever created in a cigarette! Of course they make Camels by millions; of course they buy enough revenue stamps from Uncle Sam every work day to build a duplicate of the Winston-Salem post office! Why not? Smokers will have Camels!"

But "Snap" finally got to spilling some real nobby Camel selling stuff! "Shorty," says he, "write the Reynolds folks for me that I travel and talk some with the world in a year's time. And I want to put it on record that in all the times I've pulled Camels out of my pocket to supply somebody's shortage I've heard enough good things said about 'em to fill a volume—That's my brand! Camels are a wonderful cigarette, like getting money from home, etc!"

And Shorty, what's the answer? Why—Camels quality and Camels blend of choice Turkish and choice Domestic tobaccos meet the universal taste! That's it! Get me right, boy! They all open their shutters for Camels! You'll find that all over the nation! And, that's the hole story, old golf ball!" Pete, you pet phonograph, did you ever hear a better record?

Sincerely,
Shorty.
