

THE EDICT has gone forth! Prices must be brought down to the lowest possible figure based on present wholesale costs, and that means in many instances that we are offering you merchandise at less than what we paid for it! This is not idle talk to "entice" you into our store, but is the bare

facts. Those who know Simon's as the home of low prices will be on hand during these sale days. You, too, may save money! Our bona fide reductions and our lower prices mean dollars left in your purse after you have made your purchases. Get the habit of reading our advertisements and watching our windows. They tell of many bargains for you!
