

# SOCIALIST VOTE OVER 2,000,000; POWER DOUBLED

Chicago, Nov. 4.—The Socialist vote exceeded 2,000,000, the largest in party history, it was stated Wednesday night by Otto Branstetter, secretary of the national organization.

This record, he said, more than doubled any previous national election Socialist vote, and he predicted official tabulations of the Debs' vote will triple the vote cast for Allen L. Benson in 1916.

In addition, he said, the Socialists elected members to the state legislature in Wisconsin, Minnesota, New York and Rhode Island. Gains were noted in Oklahoma, he said.

A telegram to this effect was sent to Eugene V. Debs, imprisoned Socialist candidate at Atlanta, Ga., Wednesday night.

## NEW PARTY CALLED FAILURE

"The election shows that we have lost no material strength to the Farmer-Labor party and that the new party has not gained anything to justify its existence," he said. "The returns prove conclusively that there is but one Labor party in the United States, the Socialist party."

"Had the race been close we would have elected candidates to congress," said Frank J. Esper, secretary of the Farmer-Labor party. "But we were all caught in the Republican landslide."

## REPUBLICAN BEATS BERGER

It is estimated that the Farmer-Labor party cast somewhere in the neighborhood of 1,000,000 votes.

The defeat of Victor L. Berger, Socialist candidate for congress in the Fifth Wisconsin district by W. H. Stafford, Republican, was conceded by national headquarters. The result was in doubt for some time.

## Glaring Headlights Cause of Accident; W. L. Upshaw Hurt

Glaring automobile headlights caused the serious injury of W. L. Upshaw in an accident near Multnomah station Tuesday evening. Upshaw, secretary at the Y. M. C. A. and lives at Tigard. According to his account of the accident, he was driving south on Capitol highway at a moderate rate when just beyond Multnomah station he met two cars going in the opposite direction. He turned to the right of the road to avoid a collision and ran into a woodpile.

Upshaw was thrown through the windshield and was badly cut and bruised about head and body. He was cared for by people living in the neighborhood.

Glaring headlights on the cars approaching him prevented Upshaw from seeing the woodpile. Neither of the passing automobiles stopped to render assistance, though, according to the injured man, they must have witnessed the accident. Upshaw was taken to his home by Dr. E. W. Morse.
