Milwaukie Ring Bouts "Thrillers"

By Bob

JOE GORMAN was given the edge over Jack Davis, Kid Palmer earned a decision over Jimmy Darcy, Ole Anderson knocked out Leo Cross in the tenth round and Roy Sutherland and Al Nelson fought a four-round draw at Milwaukie Wednesday night. Gorman and Davis and Palmer and Darcy went the full 10 rounds.

For head spinning, nose diving and general all-around volplaning the fights were unsurpassed. To these spectacular features were added enough rough-neck stuff and cleverness to keep the crowd in an uproar.

DARCY KNOCKS ONCE

And in an uproar it was, especially when Darcy and Palmer began to do their rope-balancing act, now falling on the inside of the ring, now tumbling pell-mell and head-first outside and into the laps of hapless ringsiders. At times this fight looked like a battle royal with six men in action instead of two. The boys used on each other everything known in the fight game, including elbows, wrists, palms and heads, with an occasional blow permitted by the rules thrown in. In rounds six, seven and eight the boys went through the ropes as if they had been shot from a catapult. At least one of these wasn't a plunge—the one in the seventh round, when Palmer knocked Darcy clear through the ropes and off the ring and went behind him for good measure.

Palmer is otherwise a pleasing performer. He is rugged and willing, hits like the late and lamented Republican landslide and knows how to box and make the other fellow miss. Darcy fanned the welkin times without number trying to reach the invader. When Darcy didn't miss altogether, his blows were either blocked or so partially blocked that their effectiveness was lost. Palmer was never in distress, apparently, and more than once Darcy looked worried. The decision was distinctly popular, despite the fact that it went against a native, and the fight itself was declared one of the most pleasing and roughest since the historic days of Boy McCormick.

WINS BY SMALL MARGIN

Joe Gorman didn't beat Davis by a mile, but he beat him sufficiently to be awarded the verdict. The boys treated each other with arctic-like coldness for the first three or four rounds and it began to appear as if the fans were going to be dished out a frosty main event. Davis opened up in the fifth round and from then on the fight was good enough. Gorman nearly went to slumberland in the fifth from what he claimed was a foul, but the referee did not allow it. The bell came to Joe's rescue and he came out for the sixth in furious mood. Ever after that, however, Gorman was plainly wary of other low or supposedly low blows and he took no chances of standing toe to toe and slugging in his old-time fashion. He guarded that stomach of his as if it had been a cache of rare jewels. Gorman outweighed Davis by eight pounds, but Davis towered a head over Gorman. Davis surprised the crowd by staying the limit with Gorman and carrying the fight to him during the last four periods. Gorman lacked the pep and steam with which he fought six months ago. He hooked and uppercut Davis 100 times, but none of the wallops had sleep or even drowsiness in them.

CROSS TAKES COUNT

Leo Cross bit the rosin twice before Ole Anderson hooked a left to his jaw and put him away. Cross was down in the sixth for a brief count and went down again in the seventh for a count of nine. This last wallop nearly ended the festivities. Cross was doing well enough until the fatal kick and probably would have been handed a draw if he had not put his jaw in the way of a wild hook. Cross' lay-off of a few years has softened him and slowed him up and taken away his old-time driving power, but he is otherwise as willing and game as ever. Anderson hits hard, but he knows no more about boxing than he does about astronomy.

Tom Loutitt refereed all the fights and pleased both crowd and boxers at every turn.

BIG FELLOWS MAY SIGN FOR TITLE MATCH ON FRIDAY

NEW YORK, Nov. 4.—(I. N. S.)—With Georges Carpentier scheduled to sail for France on Saturday, it is expected that the articles for his proposed heavyweight championship bout with Jack Dempsey will be signed tomorrow, unless Promoters Cochran, Rickard and Brady have already signed the boxers in secret. Kearns and Dempsey are scheduled to return to New York late today from Montreal, and it was stated at Kearns' offices here this morning that he is returning to be on hand to sign articles for the match with the promoters tomorrow.

Carpentier and Descamps, it is said, are eager to complete the match before sailing for France.

Darcy-Palmer Go To Be Staged in Heilig Theatre

Kid Palmer and Jimmy Darcy (Valley Trambitas) have been signed up for the 10 round main event of the Portland boxing commission's smoker billed for next Wednesday night in the Heilig theatre, according to the announcement made by Matchmaker Bobby Evans Thursday morning. The two battlers put up a sensational mill at Milwaukie Wednesday night, Palmer winning the decision. Johnny Fisk and Jack Davis are to appear in the special event of eight rounds. Davis is the boy who went 10 rounds with Joe Gorman Wednesday night. The remainder of the card is in the making.

High Moguls Of B.B. World Meet Monday

By Jack Velock

NEW YORK, Nov. 4.—(I. N. S.)—Baseball will undergo a major operation next week.

The old and ailing government of the game will be removed to make room for a new and more popular one, and, according to indications today, the operation will be accomplished peacefully.

Major league magnates will head for Chicago tomorrow.

On Sunday the National league will hold a meeting there, and on Monday the club owners of both leagues, including the five American leaguers who make up Ban Johnson's faction, will get together to discuss plans for revamping the government of the game.

President John Heydler of the National league, with his eight club owners and the owners of the Chicago, New York and Boston American league clubs, are on record as favoring the "Lasker plan" for reorganizing the game. The Johnson faction has a counter proposition to present. At its recent meeting the latter faction indicated that it would attend Monday's meeting in Chicago, and it is being freely predicted in baseball circles here today that the major leaguers will get together. As a matter of form, President Heydler has today issued a second invitation to all major league owners to be present.

According to plans, the big league owners are to choose two members of a new board of control for baseball at the meeting in Chicago Monday, after which they will go to Kansas City, where the National Association of Professional Baseball clubs—the minor league body—is scheduled to meet next Tuesday.

The minor leagues will be asked to cooperate with the majors in establishing the new government of the game, and it is expected that they will name a third member of the new governing body. This plan will be carried out, it is said, unless the Johnson faction has a better one to offer.

Talk of a baseball war and the formation of a new 12-club league by the eight National and three American league owners has subsided, but in case Johnson's faction refuses to attend Monday's meeting, there is no telling what may happen.

"We realize that a 12-club circuit would be far from ideal," said a prominent National leaguer today, "but it would be vastly better than to go on as we have been doing."

Just what the attitude of the minor league organization as a whole will be toward the plans offered by the majors is a matter for conjecture. It all depends on what the majors have to offer. Some minor leagues are in favor of the "Lasker plan." Others are openly against it. A majority of the minor league owners, the writer is reliably informed, are solidly opposed to a removal of the old form of agreement between the majors and minors which permitted the drafting of players. If a new National agreement is signed, therefore, the minors will have a large sayso in its making. Many minor league owners would be certain to go along as they have been doing since the old agreement was abrogated. These owners have been more prosperous in the last two years than ever before.

Coleman to Select O. A. C. Frosh Team

Oregon Agricultural College, Corvallis, Nov. 4.—A freshman cross-country team of five men will be selected Saturday morning as the result of a final tryout. A call has been issued by Ralph Coleman, coach of cross-country, to all freshmen interested, asking for a large turnout. The team chosen will compete against the frosh of the University of Oregon on Armistice day at Eugene. The match is being put on at the time of the annual rook-frosh football game and in connection with the Armistice day celebration being put on by the American Legion at that place.

Much rook material has been uncovered as the result of the inter-mural cross-country running which is now in the third week of its six-week schedule. Ray Dodge, a Portland scholastic distance man, has turned in the best time of any man among the rooks thus far, 11.05 minutes for 2¼-mile loop.

Tommy Cello and Benny Vierra also boxed a draw. Kid Finney beat Joe Borrell and Joe Ketchell stopped Louie Leonard in the second round.

Football Will Have Greatest Of All Years

By Henry L. Farrell
United Press Staff Correspondent

NEW YORK, Nov. 4.—(U. P.)—Amazing interest shown in collegiate football is one of the most remarkable features of a year full of superlatives in sport.

Once the pet of alumni and the campus only, collegiate football is now becoming a favorite with the baseball and boxing bug.

When Yale built the huge bowl at New Haven, the conservatives declared it would never be filled. But it's not large enough now. Extra stands are being built for the Harvard game.

Ohio State is planning to build the largest athletic stadium in the world. Columbia wants a new stadium and the public is standing appropriations for stands at West Point and Annapolis. It all is an indication that football is becoming the people's sport.

Princeton, one of the most wide-awake universities in the East, has sensed the opportunity for more popularity with the public and has arranged for an annual game with Chicago to start next year.

PLENTY OF COMPETITION

Harvard could have had Illinois, contender of the Western conference championship, on her schedule this year, but Harvard would not agree to play in the West on alternate years and Illinois refused.

The navy, shaking off its conservatism, added Princeton to the schedule this year for an annual game and Pennsylvania will be added next year.

The army will continue the annual game with Notre Dame and has opened negotiations with Columbia.

Dartmouth goes to the Coast to play Washington this fall and either Notre Dame, Pennsylvania State or one of the "big three" probably will go to Pasadena New Year's day to meet California.

Georgia Tech and Centre, in fact all of the major teams of the South, have been playing in the East this fall and Nebraska made the long trip here.

McCormick to Meet Meehan

Boy McCormick and Willie Meehan are to be featured in the 10-round main event at the Milwaukie boxing arena Wednesday night, November 17, according to the announcement made at the ringside Wednesday night. McCormick, who is a great Portland favorite, is in New York and will leave for the Pacific coast immediately.

Pacific Fleet Will Play Club '11' in Portland

A telegram from Lieutenant Commander Manahan, fleet athletic officer of the U. S. S. New Mexico, to Harry Dorman, coach of the Multnomah Amateur Athletic club team, asks that a game be played on Multnomah field between the club men and the All-Pacific Fleet eleven. The game is assured, according to Fred L. Carlton, manager of the "Winged M" institution, and Saturday, December 4, is the date set. Two destroyers will accompany the squad to Portland.

JEFFERSON PUTS UP SCRAPPY GAME AGAINST QUAKERS

Interscholastic League Standings

	Won.	Lost.	Pct.
Washington	5	0	1.000
Columbia	5	0	1.000
Benson	4	1	.800
Franklin	4	1	.800
Commerce	1	3	.250
Hill	1	4	.200
Lincoln	1	4	.200
Jefferson	1	4	.200
James John	0	4	.000

BY SCORING 14 points in the last quarter, the Franklin high football team defeated the fighting Jefferson high aggregation 14 to 0 on Multnomah field Wednesday afternoon. It was a far different Jefferson squad than the one that trotted onto the field earlier in the season and the Democrats made the Quakers go their limit to win Wednesday.

Ability to run their plays off in record time, which put the Jefferson team a little bit up in the air, was largely responsible for the victory. When Quarterback "Chappie" Sing late in the fourth quarter saw that he had his opponents slightly on the run, he ran his plays off in rapid succession and finally Bill Polsen went across for a touchdown. King goaled.

With less than 20 seconds left to play, Polsen intercepted a forward pass and raced 75 yards for a touchdown. His speed alone carried him out of the reach of the Jefferson representatives.

Polsen did not start the game against the losers but as soon as he was ejected into the fracas by Coach Campbell he put his team in the running. Coach Quigley was highly elated over the showing made by his Democrats.

Following is the summary:

Franklin (14)		Jefferson (0)
Kelley	LER	McClung
Kingsley	LTR	Seabrook
Jones	LGR	Heerdt
Hallier	C	Sullivan
McCollum	RGL	Bullen
Keyser	RTL	Jones
Farley	REL	Higgins
King	Q	Anderson
Badley	LHR	Palmore
Polson	RHL	Laxon
Bladorne	F	McAndie

Score by quarters:

Franklin	0	0	0	14	—14
Jefferson	0	0	0	0	—0

Substitutes—Franklin, Poulson for Bladorne, Peck for Hobson, Patterson for Kelley; Jefferson, Hibbard for Jones, Stearns for Bullen, Kurtz for Jones, Stearns for Bullen, Kurtz for Sullivan, Williams for Palmore, Bullen, for Stearns, Murray for McAndie, Mimnaugh for Higgins, Jones for Hibbard.

Officials—Grover Francis, referee; Bill Holden, umpire; Sergeant Davis, marine corps, head linesman; A. H. Burton, timer.

Alfredo De Gro will enter the national three-cushion billiard tourney at Chicago November 12.

Gonzaga "U" To Workout Here Friday

COACH DORIAS and his Gonzaga university football team will arrive in Portland Friday morning and will work out on Multnomah field in the afternoon, says a telegram received by Fred L. Carlton, manager of the Multnomah Amateur Athletic club. The Winged "M" eleven can hardly wait until 2:30 o'clock Saturday afternoon to get lined up against the Spokane representatives.

The athletes from the Inland Empire are said to be in great shape for a grueling contest and the local stars are in to see to it that the visitors are not disappointed. Harry Dorman, manager-coach of the Multnomah contingent, is confident that his aggregation will be able to hold the invaders even when it comes to a strong line.

The field is in good condition despite the rain of the last two days. The game Saturday will be the last one for the club until it meets the Oregon Agricultural college varsity on Multnomah field Thanksgiving day. One price of $1, including grandstand, will be charged to witness the Multnomah-Gonzaga engagement Saturday and the advance sale of seats is even greater than the Willamette-Multnomah affair of two weeks ago.
