

SENATOR McNARY MAY BE PUT IN HARDING CABINET

Washington, D. C., Nov. 4.—Reports are current here that Senator McNary of Oregon may be offered the secretaryship of interior in Harding's cabinet. Some of his western colleagues are said to have picked him some time ago and are prepared to recommend him to the new president.

It is assumed that Harding will desire to give cabinet recognition to the progressives, and in the early stages of the campaign before leaving for Marion he consulted McNary several times on reclamation and other western problems.

McNary's inclination, it is believed, is to stay in the senate, where he has now served the apprenticeship that falls to a new senator. He may be expected to take a more active part on the floor hereafter.

That one new cabinet office will be created to begin with Harding's administration is regarded as probable. Harding has declared for a department of public welfare, and Republican leaders may stir themselves to provide it by the time he comes into office.

Former Senator Sutherland of Utah and Governor Lowden of Illinois figure most prominently in the early cabinet gossip. Weeks is talked of for secretary of the navy or treasury. Sutherland as secretary of state or attorney general and Lowden as secretary of the treasury, commerce or postmaster general. Senators Knox and Lodge with ex-Senator Sutherland are favorites for secretary of state.

LODGE, HOOVER AND ROOT ARE PROMINENTLY NAMED

Marion, Ohio, Nov. 4.—(U. P.)—Special interest regarding the next cabinet started here today before telegraph instruments in the Harding headquarters had ceased clicking off election returns. No one presumes at this stage to say who will be picked. The following list of names, however, has figured in talk around headquarters here since it became apparent Harding would be elected:

Secretary of State—Senator Henry Cabot Lodge, Herbert Hoover, Elihu Root.

Secretary of the Treasury—Governor Frank O. Lowden, Fred W. Upham, Illinois.

Secretary of War—Major General Wood, John J. Pershing.

Attorney General—George W. Sutherland, Utah.

Postmaster General—Walter F. Brown, Ohio; Will H. Hays, Indiana; Harry M. Daugherty, Ohio.

Secretary of the Navy—John W. Weeks, Massachusetts.

Secretary of the Interior—Senator Fall, New Mexico.

Secretary of Agriculture—Henry Wallace, Iowa.

Secretary of Commerce—J. J. East, Wisconsin.

Secretary of Labor—Congressman John I. Nolan, California; Raymond Robins, Chicago.

Nolan is one of the organized labor groups in the house a present and supporting Harding.

Stanfield Says He Is for Peace Plan Under Constitution

In answer to an inquiry from the New York World as to his attitude towards the Versailles treaty and the League of Nations covenant when he takes his seat in the United States senate, R. N. Stanfield has sent that newspaper the following statement:

"I will support President-Elect Harding in a constructive plan to preserve world peace. I interpret the election to mean that the people of the United States repudiate the league as proposed by President Wilson. My own state of Oregon has spoken by an overwhelming majority. The plan that I support must not in effect control the discretion the people have reserved to their representatives under the United States constitution."

Miss Brainerd and Stagg Face Charge Of Kidnaping Child

Tacoma, Wash., Nov. 4.—(U. P.)—An information charging Betty Brainerd and George T. Stagg with kidnaping Bobby Stagg from the home of his mother here, September 14, was filed in the superior court Wednesday by prosecuting Attorney W. D. Askren.

Bail for Miss Brainerd, who is due to arrive in Tacoma from the east tonight, was fixed at \$10,000 by Superior Judge Fletcher.

Attorney Scott Henderson, who is representing Miss Brainerd here, made a plea for reduction of bail to \$5,000, declaring she and her family were without funds and would have to depend on friends. Judge Fletcher upheld the prosecutor's contention that large bail should be fixed since the girl had resisted extradition.
