TO EXPLAIN THE UNUSUAL VALUES OFFERED IN THIS SALE

The ADAMS "MADE IN OREGON" garments are known throughout the state for their high quality and desirability. They are fashioned from fine grade materials, made with excellent workmanship and made in practical and attractive styles. A little while ago, a large assortment of these goods were put up as security on a loan. When the loan was due, it was impossible for the amount to be raised, therefore the goods given as security were claimed as payment. They were then offered for sale at a great reduction.
