

Pacific Coast Intercollegiate Conference Football Championship Will Be Decided Saturday

Cougars and Bears Ready For Contest

By George Bartz
 WILL the Carlisle defense system stop the speedy offensive of the California Bears?
 Can California successfully combat with the great interference of the Cougars attack?
 Upon the answers hang the Pacific Coast Intercollegiate football championship title. No gridiron contest staged in years has created such interest as has the Washington State-California contest scheduled to be played at Berkeley Saturday afternoon.
EVERY MATCHED
 Both teams appear to be evenly matched. Both have great strength on the offensive and defensive. California may have a slight edge in speed on their home field, but the Cougars are not slow by any means.
 Coach Welch of the Pullman squad has a powerful backfield, and his reserves are just as strong as Andy Smith's second string backfield men. In Moran, Gillis and Jenne in the backfield, W. S. C. has a great trio. Moran and Jenne are great ground gainers under Carlisle interference system, which contains from five to seven players. The number of players in the interference depends upon whether the play is around the short or long end of the unbalanced line.
MAX TO CALL PLAYS
 On Sax, the speedy quarterback of the Pullman team, is due to start the game against the Bears. Sax has been held in reserve for the California game, as the result of hurting his hip in the Idaho contest. Welch has Skadan and Melvor as substitute quarterbacks in case Sax is injured again.
 The Bears have a great backfield combination in Toomey and Spott. Smith has also some strong reserves in Murray and Deoda.
 The only other conference game scheduled for Saturday is the Stanford-Washington game at Seattle.

Fast Gonzaga Eleven Here Ready for 'M'

MEMBERS of the Gonzaga university football squad arrived in Portland Friday morning from Spokane and are registered at the Imperial hotel. Coach Dorias brought a score of athletes with him, and he had them on Multnomah field for a two-hour workout soon after the arrival in the Rose City. It is the first time Gonzaga has ever appeared in Portland.
 Manager Harry Dorman of the Multnomah Amateur Athletic club eleven made arrangements whereby the visitors were guests of the club at the Washington high-Columbia university Portland intercollegiate league championship game on the "Winged-M" field Friday afternoon.
 The clubmen took their final workout Thursday night under the arc lights, and they are out to give the Gonzaga delegation a trimming.
 On the other hand, Coach Dorias' men seem to have plenty of confidence themselves, and they are in great condition. They dashed around the field Friday morning as though the sawdust did not hinder them one bit when it came to slowing them up. The Gonzaga-Multnomah game is set for 2:30 o'clock Saturday afternoon on Multnomah field, and will be the last chance Portland fans will have to glimpse the club warriors before the annual Thanksgiving day classic against the Oregon Agricultural college.
 So much has been written about Notre Dame that every football fan is anxious to see a team with the same style. Coach Dorias was a famous athlete of the Indiana school, and his Gonzaga team has the same method as the famous South Bend institution's team. Coach Slip Madigan of Columbia university also is a former Notre Dame star, and he has his boys using the famous open style sort of play.
 Sam Dolan will referee Saturday's game, with Madigan as umpire. Admission to the game is \$1.10, which includes war tax and grandstand. The gates will open at 1:30 o'clock.

Big Fighters Expected to Sign Papers

By Jack Velock
 (Special News Editor)
NEW YORK, Nov. 5.—(U. N. S.)—The much-heralded match between Jack Dempsey and Georges Carpentier will be clinched today, unless something unforeseen crops up to interfere with present plans.
 Promoters Rickard, Cochran and Brady, with the boxers and their respective managers, are scheduled to meet at the Hotel Claridge this afternoon to sign the articles of agreement that will bind the champions of two continents to fight for the world's title.
MAY SELECT SITE
 The site for the big bout may or may not be announced. The promoters may delay this announcement and turn their attention to other details, as they have 60 days in which to name the spot where the battle shall take place.
 Recent announcement to the effect that the bout probably will be staged in Cuba was recalled today as the fighters got ready to sign. The failure of the mysterious "Cuban promoter" to put in an appearance has strengthened the belief that the Havana angle was the excuse for a postponement of all action regarding the match until after election.
 The opinion prevails here that the fight will be staged in or near New York city, and no one will be surprised if an announcement to this effect is forthcoming this afternoon.
WILL BE BIGGEST
 No boxing bout in the history of pugilism has ever come close to approaching the proposed Dempsey-Carpentier affair as an expensive undertaking. For this reason it is imperative that the promoters see to it that they can draw the biggest gate, and there is no place like New York.
 Tex Rickard's hobby of building special arenas for his big attractions is expected to crop out in connection with the coming battle. It is believed that Rickard will persuade his fellow promoters to agree to erect an immense temporary stadium to house the big show.

Harvard to Play Tigers Saturday

PRINCETON, N. J., Nov. 5.—(U. N. S.)—Princeton football players were enthusiastic today over the announcement that the Tigers will have their star backfield quartet—Don Lourie, Joe Scherer, Larry and Gilroy—in the game against Harvard. The squad left here last night for Cambridge.
 New York.—Cornell's football squad, headed by Coach Dobie, arrived here today for the Dartmouth game. Dartmouth's players will stop over at New Rochelle tonight and come on to the city tomorrow. Alumni and under graduates of the two schools will attend a smoker here tonight.
 Cambridge, Mass.—Harvard was a slight favorite to beat Princeton in the betting today. More than 40,000 persons will see the game tomorrow. Harvard had a light workout today and then paraded before the undergraduates. Princeton was scheduled to arrive late in the afternoon and run through plays and get a line on the air currents in the stadium.
 Providence, R. I.—"Ike" Williams, the flailing Brown, was suffering from a wrenched knee today. It is hoped he will be in shape to get into the Yale game tomorrow.
 Medford, Mass.—Tufts' football team was en route to Detroit today to meet the University of Detroit tomorrow. The team was given a great sendoff by the undergraduates.
 Hanover, N. H.—Accompanied by more than 1000 undergraduates, the Dartmouth football eleven today started for New York to meet Cornell again. Merritt has been shifted to guard.
 New Haven.—Yale finished her workout for the Brown game today. Tad Jones has put first string stringers men and four substitutes through a course of sprints this week and the second string men will get a chance tomorrow.
 Pittsburg.—(U. N. S.)—A special train carrying the Pitt football squad, band and many rosters, left for Philadelphia this morning. Pitt plays Pennsylvania tomorrow. Coach Warner said Pitt's men were in the best possible condition.

Harvard to Play Tigers Saturday

NEW YORK, Nov. 5.—(U. N. S.)—Saturday was the Princeton-Harvard studied with some real gems in the way of important games.
 No less than half a dozen contests on Eastern gridirons tomorrow are to be regarded as games of major importance and there are fully as many to be played on the sunset side of the Alleghenies.
 The outstanding game on the Atlantic seaboard is the Princeton-Harvard clash at Cambridge. This game is the first of the season between members of the big three and will attract countrywide attention.
 The powerful crimson eleven will be the favorite. Both elevens have been pointed for the contest, which promises to be a thriller. If Princeton wins it will be the first time since 1895 that the Tiger has scored a victory at Cambridge.
 Other big Eastern games are scheduled for New York with Cornell and Dartmouth clashing at the Polo Grounds; Philadelphia, where Penn will face the Pittsburg Panthers; State college, Pennsylvania, where the beefy Nebraska Cornhuskers will meet Penn State; Syracuse, with Washington and Jefferson playing the Orange eleven and New Haven, where Yale takes on Brown. The Columbia arena favored to defeat Brown, but the game not looked upon as a romp for the blue. Brown has not yet tasted defeat.
CHICAGO AND ILLINOIS MEET IN 'BIG 10' CONTEST
 Chicago, Nov. 5.—(U. N. S.)—Illinois and Chicago will furnish the feature game of the Big Ten schedule tomorrow with the Ohio-Michigan contest holding much interest.
 Supporters of Illinois believe that their eleven pointed toward another championship are confident of victory over Stag's Maroons. Ohio, which is Illinois' only formidable rival for the title, is equally confident that it will humble the Wolverines at Columbus.
 Wisconsin and Minnesota are expected to put up a rousing battle at Minneapolis. Both teams are reported in splendid shape and are showing steady improvement since the first of the season.
 Neither Northwestern nor Iowa has a chance for the title, but each boasts a fast eleven and their game at Iowa City should be interesting. Iowa is the favorite.

SPORT NOTES

Charley Walker, captain of the North Portland football team, is anxious to line up a game for Sunday, either in or out of Portland. The eleven averages around 135 pounds. Call Marshall 2506 after 5:30 p. m. in order to reach Captain Walker.
 Coach "Slip" Madigan is confident that his Columbia university football squad will be able to trim the heavy Washington high contingent on Multnomah field this afternoon, starting at 3 o'clock. The collegians have been working overtime for the game for it practically means the 1920 championship of the Portland Intercollegiate league. Grover Francis will be the umpire with Sergeant E. C. Davis of the United States Marine corps, head linesman.
 The 150-pound Albina team would like a game for the coming Sunday or any Sunday following. Manager Kosmocki can be reached by calling Woodlawn 4565 or by writing to him at 934 Interstate avenue.
 The schedule for Sunday in the Portland Soccer Football association calls for Peninsula vs. Canadian Veterans at Columbia park; Korea versus Clan Macleay at Franklin high bowl; Multnomah Guard and Standfords at Reed college athletic field. All games will start at 2 o'clock.
 McMinnville, Nov. 5.—Preparations are being made to greet the Vancouver, Wash., high school football team here Saturday. The local high school eleven has not been defeated so far during the 1920 campaign and reports coming from the Vancouver town are to the effect that Vancouver hasn't lost a match either.

Beaver Boss Leaves for Ball Meeting

WALTER M'CREEDIE, manager of the Portland Beavers, will leave Portland Friday night to attend the annual meeting of the National Association of Minor Baseball Leagues at Kansas City next Tuesday. Mac will join President Klepper of the Seattle club in Spokane Saturday morning.
 It would not be any great surprise if Mac would agree to accept the leadership of the Seattle Rainiers should a deal for the transfer of the Portland franchise be perfected before the first of the year.
 While in the East M'Creddie will confer with Frank Navin of the Detroit Tigers. It is not likely that Mac will accept the management of the Tigers, although it is expected that he will discuss the matter with the Tiger owner. The M'Creedies have received no word from Clyde Wares, the former Seattle manager, regarding the purchase of the Beavers. Walter M'Creddie gave Wares a verbal option on the ball club and since their conference in San Francisco a couple of weeks ago Wares has been in communication with James C. McGill, former Indianapolis pilot, regarding the formation of a company to take over the Portland franchise.
 Mac likely will make an effort to dispose of some of the present members of the Portland team via the trade route. George Maise, the center fielder of the Portland team, will likely be sold or traded to some major league club. Maise wants to play in the East next season and if Mac is unable to arrange a deal with any big league club he may dicker with the Baltimore club of the International circuit.
 Denver Cue Man Loses Bout.
 Chicago, Nov. 5.—(U. P.)—James Marturo of Denver dropped out of first place in the national pocket billiard championship here last night when he lost to Bert Rhines of Akron, Ohio, 125 to 100. Walter Franklin of Kansas City and Art Woods are now tied for first honor.

Champion Leonard May Box White Again

Chicago, Nov. 5.—(U. N. S.)—Tom Andrews, Milwaukee promoter, has closed with Charley White, Chicago lightweight, for a bout with Benny Leonard, the match being contingent upon Leonard's acceptance of an offer that will be made to him.
 White declared that Leonard, after his recent fight with Ted Moran at East Chicago, had promised White a bout within 60 days. He is confident Leonard will accept Andrews' proposition.
 The fight will be held at the Benton Harbor, Mich., on July 2. White believes he is the only lightweight in the country now capable of giving Leonard a real battle.

DOUBLE-J TEAM SCORES WIN OVER COMMERCE, 21-18

Intercollegiate League Standings

Team	W	L	Pct.
Washington	5	0	1000
Columbia	5	0	1000
Brown	4	1	.800
Franklin	4	1	.800
Columbia	4	1	.800
Hill	4	1	.800
Lincoln	4	1	.800
James John	4	1	.800

FIVE teams now are tied for fifth place in the Portland intercollegiate league 1920 football race because James John high defeated High School of Commerce, 21 to 18, on Multnomah field Thursday. The game was a spectacular one from a spectators' standpoint, and the defeat came only because of the failure to have an athlete who could negotiate the goal line.
 Each team managed to score three touchdowns during the melee, and in the latter stages the contest was in favor of the Saints. The Saints came through with two touchdowns, and the same number of goal kicks in the opening quarter, while the Bookkeepers, through the untiring efforts of Maurice Kieling, who picked up a fumble and ran 32 yards, were able to make six points in the same length of time.
 The Miller brothers scored the first touchdowns for the Saints, Bob grabbing a fumble and going for a 10 yard to the goal line, while Ted made it more sensational by dashing 72 yards after recovering a Commerce fumble. Serber scored at each score. The first half ended 14 to 6.
 Shortly after the start of the third period the Double-J squad worked the ball to the Stenographers' five-yard line mainly because a 30-yard forward pass was completed. Serber bucked his way over the goal line and then kicked goal.
 In the final quarter Coach Cook's delegation resorted to open play, and Saunders and Captain Mix Grider each made touchdowns. Grider failed in his attempts to make additional points with his foot. Grider also tried a drop kick, but to no avail.
 The Miller brothers, Serber, Ermiler and Bauer featured for the winners while Marcus Schneiderman, Matin, Saunders, Grider and Maurice Kieling were the stars for Commerce.
 Following is the summary:

LAST MONTH, on a bet,
 WITH THE boys up home,
 I SPENT a night
 ALONE IN the old,
 HAUNTED HOUSE,
 AND WHEN I heard,
 MOANS and groans,
 I SAID "The wind,"
 AND TRIED to sleep,
 I HEARD rappings,
 AND SAID "Bats,"
 AND ROLLED over,
 THEN I heard steps,
 AND IN the light,
 OF A dying moon,
 A WHITE spook rose,
 I WASN'T scared—much,
 BUT DIDN'T feel like
 STARTING ANYTHING.

BUT THEN I caught,
 JUST A faint whiff,
 OF A familiar,
 AND DELICIOUS smell,
 WHICH TIPPED me off,
 SO I gave the ghost,
 THE HORSE laugh,
 AND SAID "Ed,
 YOU FAT guys,
 MAKE BUM ghosts,
 BUT BEFORE you fade,
 LEAVE WITH me one
 OF YOUR cigarettes,
 THEY SATISFY."

THAT spicy, delicious aroma of fine tobacco, both Turkish and Domestic, makes you almost hungry for the "satisfy-smoke." And there isn't a ghost of a chance you'll ever find its equal anywhere—for the Chesterfield blend is an exclusive blend. It can't be copied.
