

MEN! HERE IT IS!

LEVITT'S STUPENDOUS Workingmen's Sale!

IT'S JUST THE RIGHT EVENT AT THE RIGHT TIME

The magnitude of this sale can best be realized by carefully reading the wonderful bargains offered. But aside from the bargains we want you to know that the Workingmen's Sale was first originated in Portland by us in 1910, just 10 years ago. We also want you to know that this sale was originally intended to attract men and buyers of men's wear to

the Levitt store so that they might learn what a really good store this is for men. And so it is today—this big sale stands for the ideals of Levitt's store, "Quality at the lowest possible price." Men, we want you to feel at home here. Our large clothing and furnishing departments on the second floor will serve you to your entire satisfaction. Here you can buy the things you want without paying ridiculous

high prices. It's easy to trade at Levitt's because you are always assured of your money's worth—anyone will tell you that. We invite you to this sale because we know you are going to buy some real snaps. We are going to do things that have not been done for a long time. The things you are interested in most is to buy quality at a low price—this sale is just that—100%.
