

American Davis Cup Tennis Team to Play Tonight.: Battlers in Top Condition for Bout

World's Net Champion to Play Tonight

PORTLAND followers of tennis will have an opportunity of witnessing a match of more than national prominence tonight when William T. Tilden II of Philadelphia meets William Johnston of San Francisco in the first round of the Davis cup tennis exhibition in the Pacific International Exposition pavilion in North Portland. The first set is scheduled to start promptly at 8 o'clock.

Tilden, who is world's singles champion, and Johnston started a singles match during the exhibition in Berkeley last week, but after the first set had been played it was necessary to call off hostilities because of a heavy rain. At that time Tilden took the set 9-7, but only after a hard struggle.

WILL PLAY DOUBLES
Samuel Hardy, captain of the quartet, and Watson M. Washburn, both of New York, and the other members of the United States Davis cup team, will be seen pitted against each other in the singles while in the doubles the two will team up against Johnston and Tilden.

The party arrived in Portland this morning from San Francisco and were met at the train by Walter A. Goss, sectional delegate of the United States Lawn Tennis association, who is largely responsible for the exhibition in the Northwest. The famous quartet will remain in the city until Thursday night and then will depart for Seattle, where they will play several sets.

The four stars, accompanied by Walter A. Goss, visited the Washington, Jefferson and Lincoln high schools Wednesday morning. They will be taken over the Columbia highway either Wednesday or Thursday afternoon. If the present weather keeps up it may be that they will warm up on the outdoor courts of the Multnomah Amateur Athletic club Thursday.

SAIL NEXT WEEK
Tilden and Johnston are eager to resume their match in the singles. The two have met 10 times since they began playing tennis and although Tilden has the greatest number of wins to his credit, each set has been stubbornly fought to a finish.

Captain Hardy stated that he and Washburn would appear against Tilden and Johnston so that Portland fans could see the world's champion who will represent the United States in the Davis cup doubles competition playing their usual game. The quartet will sail from Vancouver, B. C., for Australia next week before leaving the mainland where they will stage exhibitions in Seattle and Vancouver, according to present plans.

The matches tonight will start promptly at 8 o'clock and will be held regardless of the weather, inasmuch as the clay courts are indoors. The advance seat sale would indicate that the largest crowd that ever witnessed a tennis match in the Pacific Northwest will be on hand to see the world's champion and Johnston, who is a former Oregon state singles champion, along with Hardy and Washburn, in action.

To reach the pavilion take the Mississippi avenue streetcar and transfer to the Kenton car. The Kenton car stops directly in front of the pavilion in North Portland. The seating is the same one that was used last year, and will be used next week for the annual night horse show.

AGGIE ROOKS TO BATTLE OREGON MEN THURSDAY

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 10.—The Aggie rooks are primed for their contest with the Frosh of the University of Oregon Thursday. Since the indifference showing made by the team last Saturday in the game against the Multnomah guard the men have been receiving a grueling workout against the varsity in preparation for the big game of the week.

Coach "Bob" Hager was disappointed with the showing made last week in spite of the fact that the rooks won, but he expected great things of his men this week in the game which is at once the last and most important game of the year.

The same lineup as used last Saturday will start against Oregon. This means that the backfield will be composed of Tousey at full, Jessup and Gill halves and Garber quarter. In the line Simon will play left end, he having proved a rock on defense in his first trial at that position last week. Other positions will be filled by Boise and Shields, tackles; Gibson and Taggart, guards; Powell, center, and Loughrey, right end.

A complete second backfield will be taken on the trip. Payne will be full, Garey and Haggardorn halves and Scott quarter. Other substitutes include Loop, Portfield, Finch, Bears, Wallock and others.

"Bob" Stamm, varsity yell king, will accompany the team and will lead the large group of rooters who plan to attend the game.

FOOTBALL

PRINCETON, N. J., Nov. 10.—Frank Murrey of the Princeton football team backfield is putting in a lot of work practicing dropkicks in anticipation of the game with Yale Saturday. Coach Roper has eased up in work for the Tigers.

Providence, R. I.—Reports that Harvard will send in a substitute eleven against Brown on Saturday caused much unfavorable comment here today. Followers of the Brown team declared the reported action of Harvard was not fair, as it would lessen any value victory might have.

Cambridge, Mass.—There is talk of a playoff of the Harvard-Princeton tie game, but Coach Flinn said today a post season battle with the Tigers was unlikely.

Syracuse, N. Y.—Coach Mehan is putting his Syracuse varsity eleven through a vigorous course of drilling preparation for the Maryland game here Saturday.

Pittsburg, Pa.—Pitt's team is badly crippled. Only part of the squad was able to go on the field for practice. "Pop" Warner is wrothy because his new signal system has not been mastered. Glaring defects of some players were ordered corrected.

Minneapolis.—Eddie Ruben, star fullback of the Minnesota squad, is said today to have left school to engage in business with his brother. His loss is a severe blow to the Gophers. He had one more year to play.

Urbana.—Illinois warriors are in excellent condition for the game with Wisconsin Saturday. The squad will leave tomorrow night for Chicago and will proceed to Madison Friday.

Chicago.—Coach Stagg's list of cripples was further augmented last night when Jerry Neff, halfback, was injured during scrimmage. Hinkle, Halliday and Rouse are expected to be in condition to play Michigan Saturday.

Bloomington, Ill.—Coach Steinhilf is drilling his men in defensive play to withstand the assaults of Notre Dame. The Hoosier line is being counted on to stop the rushes of the Irish backs.

Iowa City, Iowa.—Coach Jones regarded Minnesota as one of the hardest propositions his team has had to face this year and is driving the Hawkeye squad to the limit. The first string men stopped the freshmen, using Minnesota plays handily.

Ann Arbor, Mich.—Jack Dunn, quarterback, and Capon, end, may not be able to start against Chicago Saturday. Both were injured in the game with Ohio. Banks will be at quarter and Cohn is expected to start in Capon's place.

Whitman to Play Santa Clara
Walla Walla, Wash., Nov. 10.—Graduate Manager Vincent Borleske of Whitman has wired the management of the Santa Clara university eleven acceptance of their offer to play the missionaries here for a guarantee of \$2500, and has suggested November 17 as a date for the game.

Minors Hold Upper Hand in Ball War

By J. F. Beaman
United Press Staff Correspondent
KANSAS CITY, Mo., Nov. 10.—(U. P.)—Minor league officials were to decide today whether to undertake the job of possible peacemakers for warring major baseball factions.

John A. Heydler, president of the new National league, arrived here unexpectedly today to actively enter the fight for minor league approval of the Laaker plan. Heydler said he would make any reasonable effort again to bring about peace in baseball, but that as a representative of the "greatest organization ever engaged in baseball," he would protect the interests of his club owners.

He said he would not appear before the minor league meeting today but will, however, direct presentation of the new National case to minor magnates.

PEACE IS WANTED
The National Association of Professional Baseball Clubs in annual convention here was nominated for the task of attempting to end a threatened baseball war on the eve of Armistice day by representatives of Ban Johnson and his loyal five American league club owners. Their selection, however, depends on the proposal to be submitted today by representatives of the 12-club league.

George W. Miller, attorney for the American league, accepting an invitation to present Johnson's views of baseball reorganization before the minor league meeting, asked that a committee be appointed to meet committees from major leagues, in an effort to make peace.

"You may be the peacemakers, the voice that will restore sanity in heads of baseball officials," Miller said. "We still want peace and not war and we hope there will be no battle."

Miller's sentiment against another war in baseball was echoed by American and National leagues alike.

TO KEEP HARMONY
The minors were to hear the National league phase of the squabble today.

The National leaguers also will plead for baseball peace, Garry Herrmann said. They will ask the National association, however, to join with them if conciliation of ideas of the major groups finally proves impossible. He was expected to offer the inducement of the choice of one of the three members of the civilian tribunal for control of baseball affairs.

Minor leaguers agreed to receive representatives of the big leagues after an unsuccessful attempt to vote against siding with either group.

The stand was taken, however, that the fight would not be permitted to smirch the harmony of the smaller leagues and unless the majors' differences are settled, the minors probably will not affiliate with either faction.

The Dallas, Or., high school football team will play the crack Everett, Wash., high school aggregation at Everett Thursday afternoon. Not a single touchdown has been registered against the Everett high team this season.

EXCITING GRID CONTEST IS WON BY BENSON TECH

Interscholastic League Standings

Columbia	5	1	833
Franklin	4	1	809
Hill	4	1	785

Lincoln	1	5	107

James John	1	5	107

THERE were only a few spectators on hand to witness the thrilling Benson Tech-High School of Commerce football game on Multnomah field Tuesday afternoon. The Mechanics won out, 34 to 13, but only after sensational runs, intercepted forward passes, blocked kicks, inside punts and everything else known to football.

The East Siders started scoring in the first quarter when Maloney made two touchdowns, his second after a 40 yard sprint around end. Falls kicked one goal and the half ended with the count 13 to 0. In the third quarter a couple of Commerce misplays placed Benson in a position to score and Fullback Sheridan crossed the line, Falls kicking goal.

Coach Cook's protest then took heart. They received the kickoff, Marcus Schneiderman returning it 12 yards. Mix Grider then made 15 yards on an end run from a fake punt formation. While the pass and run netted 73 yards, Grider kicked goal.

Barber of Benson picked up a blocked punt and went 30 yards for a touchdown and Falls again delivered with a goal kick. To make things more even, Commerce again received the kickoff and by a series of forward passes made yardage three times in a row. Captain Grider then took the ball on a fake punt formation and ran 50 yards around end for a touchdown, but he was so winded he couldn't kick the goal.

The final touchdown was made by Courtney of Benson when he intercepted a forward pass and ran 50 yards. He was downed on the 20 yard line and again on the 10 yard mark, but each time he broke away from the tackler. Three Benson and both of the Bookkeepers' touchdowns came in the third quarter. The teams battled to a scoreless tie in the final stanza.

The work of Maurice Kieling, Marcus Schneiderman, "Buzzy" Adams started on the line for Commerce, while Captain Grider, Mattin and Guasco featured when it came to running with the ball. Falls, Maloney, Barber and Peters starred for Benson.

'Kid' Palmer Is Favorite Over Darcy

'KID' PALMER, the Italian middleweight who shaded Jimmy Darcy a week ago at Milwaukee, has been installed favorite over the Portland battler in their return engagement at the Heilig theatre tonight.

There will be little difference in the weights of the two ringmen tonight. Just before they step into the ring they will be weighed. Darcy tipped the beam at 159½ pounds after his workout Monday, which brings out the fact that he will weigh around that figure tonight.

The bout promises to be just as sensational as was the one at Milwaukee. Both boys are on edge for the contest. Palmer finished his training Tuesday afternoon with a light workout at the Olympic gymnasium. He sparred a couple of rounds with Miller, an eastern boxer.

Johnny Fisk, who has made a big impression with the Portland fans by his aggressiveness, is said to be in better condition than at any time since he came to Portland. Fisk tackles Jack Davis, the Oakland battler, in the eight-round semi-windup tonight and is anxious to win the verdict so that he can demand a match with Joe Gorman.

The other bouts on the card tonight are: Six rounds—Al Grunan, Los Angeles, vs. Willie St. Clair.
Six rounds—George Eagles vs. Muff Bronson.
Four rounds—Roy Sutherland vs. Frankie Crites.

Blanket Indictment Expected in Coast Baseball Scandal

Los Angeles, Nov. 10.—(U. P.)—A blanket indictment naming five persons in connection with the Pacific Coast league scandal was reported to be under consideration by the grand jury here which is scheduled to hold its final session tomorrow.

Rumor has it that those against whom the indictment is to be directed are a baseball player; a beach resort proprietor and three men well known in coast baseball circles.

Attorney Griffith Jones, counsel for "Babe" Barton, discharged Vernon player, today reiterated his denial that Barton had been involved with any gamblers in connection with the "throwing" of the 1919 championship.

"If Barton is indicted we'll go into court and air this whole thing," he declared.

It was reported new subpoenas were being prepared summoning additional witnesses for the jury's final session.

The St. Johns Bachelors club will organize a basketball team which will be ready to meet all comers within the next two or three weeks. Manager Butgee has had his athletes working out several times and what he wants now is a few practice games. He can be reached by telephoning Columbia 578.

BOXING

LOS ANGELES, Nov. 10.—(U. P.)—Just one real blow was struck in the main event bout here last night, but that main smash, a right that landed flush on the jaw of Harvey Thorpe, Kansas City, and put him on the canvas for the count of nine in the second round, won the decision for Bert Colima.

The crafty Kansas City veteran kept well covered afterward and the remainder of the tussle was uninteresting. Chet Neff, Seattle, won from Duke Morris. George Drew was given the verdict over Gene Watson. Young Papke and Sailor Kramer furnished the real mill. It was called a draw. Danny Edwards, Oakland negro, polished off Tommy Chappel. Leo Houck and Eddie Burke traveled to a good draw.

New York, Nov. 10.—(U. P.)—Mike O'Dowd earned the right to a return bout with Johnny Wilson, middleweight champion, last night when he won the decision from Jeff Smith in a 15 round bout in Madison Square Garden. The judges disagreed but the decision was given the former champion by the referee.

Worcester, Mass., Nov. 10.—Frankie Mason, flyweight welterweight, and Frankie Denny of Oakland, boxed a four-round draw here last night. Dalton was the aggressor until the final round when Denny rallied. Bert Forbes and Bobby Harper also fought a draw.

Seattle, Wash., Nov. 10.—Steve Dalton, San Francisco welterweight, and Frankie Denny of Oakland, boxed a four-round draw here last night. Dalton was the aggressor until the final round when Denny rallied. Bert Forbes and Bobby Harper also fought a draw.

Oregon Team Has Another Cripple Star

UNIVERSITY OF OREGON, Eugene, Nov. 10.—When the Oregon football team faces the University of Washington eleven here Saturday Ed Ward, the regular left guard, will be out of the lineup. Ward sustained a broken collar bone in a scrimmage practice a couple of days ago and will be out of the game for the remainder of the season. Strachan has been given Ward's berth.

Coach Huntington put his players through a long hard practice Tuesday, the squad turning into the showers after sundown.

After the workout Huntington said, "I want to say that the spirit shown by the players will help in the game with Washington. If the Sun-Dodgers win, they will know that they have been in a battle. Bill Hayward, the veteran athletic director, declared that although Oregon will not have its full strength Saturday, Washington will know that it has been in a football battle.

Arrangements are being made to take care of a huge crowd. A special section has been reserved for Washington rooters.

Coach Allison and his Washington aggregation will arrive in Eugene Saturday morning.

Players "Pull Hard" For Baseball War

Los Angeles, Nov. 10.—With visions of ironclad contracts calling for tens of thousands of dollars a season before them, major league ball players wintering in Los Angeles are "pulling hard" for open warfare between the opposing major league factions. In the event of a battle for players, it is believed the big leaguers will not respect the reserve clause.

"Bobby" Meusel, the \$20,000 player of the New York Americans, says he will sign with the club giving him the most money. He has one offer from the Franklin club in the Oil league for \$9000 a season.

"Speck" Meadows, star pitcher for the Philadelphia league club, says his contract expired last season. Unless he gets his price from the Phillies he will consider the terms of other clubs.

Washington to Play Jefferson Armistice Day

The annual Washington high-Jefferson high football game, billed for Thursday (Armistice day) afternoon, on Multnomah field, will start promptly at 2:30 o'clock as a result of a conference between Hopkin Jenkins, principal of Jefferson, and Hugh J. Boyd, principal of Washington.

There will be no school on that day and for that reason the two institutions involved agreed to start the match earlier than usual. At present the Washingtons are leading the Portland interscholastic league with six wins and no defeats and the eleven is said to be one of the strongest ever developed in the league. Because of the championship calibre of the affair a record crowd is expected to attend. Grover Francis will referee, Bill Holden will umpire and Marine Sergeant H. C. Davis will be head linesman.

Shorty gets an earfull!

Hoody from New Orleans, Pete!

Say, old clock, you've got the time—maybe you'd like to hear this one! As we were rolling into New Orleans yesterday one of the men in the club car was recounting his cigarette experiences; how he finally pulled a trick on his luck and got set right!

"Well—I've had my cigarette lesson," continued the traveller. "I went up and down the line on cigarettes until I got hold of Camels and got deep into their quality and mildness and delightful flavor! There never was a brand such as Camels combination of choice Turkish and choice Domestic tobaccos! I'll say it—Camels taught me what a cigarette should be and they'll teach any man who smokes!"

Thanks I to myself—'Sic 'em, judge, every word you spill is a sentence!"

Now, Pete, that's the kind of Camel Thanks-giving stuff you get north, east, south, west and through the middle! That's all as true as that little sheep will wag their tails!

I did some tall thinking as I browsed through the quaint old French quarter this evening—how universal the appeal of Camel Cigarettes really is! Figure the travelling I've done and the people I've met—each city different from the other—AND Camels have been the ONE cigarette to be found everywhere—and the cigarette most smoked at each point! Pete, old backstop, it's wonderful the way folks are sliding home to Camels!

Dallas, Texas, for me!
