

MINOR LEAGUES PEACE MAKERS

Kansas City, Mo., Nov. 11.—The minor leagues of America stepped into the breach today as peace makers in the major league war.

The National association, in executive session, today declared in favor of a reorganization of baseball and appointed a committee of six men to meet with similar committees of three members each from the American and National leagues for drafting of a new baseball government.

The committee of twelve will meet in Chicago Friday, following the joint session of American and National league owners, it was stated unofficially.

12,000 Employees Refuse Wage Rise To Dollar an Hour

Baltimore, Md., Nov. 11.—(I. N. S.)—For the first time in the history of Baltimore, as far as is known, about 12,000 workers, members of the building trades, have refused to accept an advance in wages.

This altogether remarkable action took place when at a meeting of the representatives of the workers, the motion to accept a wage advance of 50 cents an hour to \$1 an hour, was laid on the table by an overwhelming majority. It is reported only three votes were cast in favor of accepting the wage increase in the total of about 2000 votes.

It is said the vote was in favor of continuing the present scale of 50 cents an hour and not to take advantage of perviously drawn contracts.

Gallant Owner of Whiskey Confesses And Saves Landlady

When Nicko Bolich found that his liquor hidden in a closet in the house of his landlady, Tebeau, 711 Second street, had brought about her arrest, he immediately absolved her from all blame by claiming ownership. Upon his confession federal officials released Mrs. Tebeau from her bond Wednesday and arrested Bolich. He entered a plea of guilty before Judge Wolverson, Wednesday, was fined \$300.

Twenty-seven pints and 23 quarts of moonshine were found in the house Tuesday afternoon by internal revenue agents. They discounted the oft-told story about somebody else owning the liquor which Mrs. Tebeau told, until they had a confessed owner under arrest.
