

# COSMOPOLITAN IS MOST UNIQUE OF CLUBS ON CAMPUS

All Students and Faculty People of University Are Eligible for Latest of Organizations.

University of Oregon, Eugene, Nov. 20.—Probably the most unique club on the campus is the Cosmopolitan club, which includes all students at the university who are of foreign birth. A meeting was held Tuesday night at the Y. M. C. A. hut and plans for the future activities of the organization were planned.

Professor E. E. DeCou reported that he had sent 15 letters to the presidents of a number of Western, Middle Western and Eastern colleges inquiring about the nature of the foreign born student clubs, asking for copies of their programs and publications. He expected answers by the end of this week or the fore part of next week. This information will be valuable in organizing the club in the best way and in getting up good programs.

**MEXICANS MAY ARRIVE**  
Dean C. V. Dymont stated that the club could expect a big increase in membership in the future. The Mexican Chamber of Commerce had written a letter to the university asking as to the facilities on hand to house and instruct a group of Mexican students.

He also expected a big increase in the enrollment of Chinese students. According to the constitution temporarily adopted at the meeting there will be three kinds of members. The first will be the active members who will be foreign born students and faculty members. The second will be the associated members comprising the students born in America. The third will be honorary members. The constitution calls for bi-monthly meetings.

**OFFICERS TO BE ELECTED**  
It was decided to elect the officers and to give a short program at the next meeting. F. A. Buholzer, chairman; Rex Gemelster and Anna Karagozian were appointed a nominating committee. Arrangements for a program were also made.

## Intercollegiate Press Association Ready to Function

University of Oregon, Eugene, Nov. 20.—With 11 college publications as subscribers, the Pacific Intercollegiate Press Association will soon begin to work. The association is the result of the conference of newspaper editors and business managers from the Pacific colleges which met here last week and organized.

Under the present plan each paper will send out news bulletins, concerning happenings on its own campus. In this way interest will be kept alive in all the schools of the coast in neighboring institutions.

A Wendell Brackett of the University of Washington daily, one of the originators of the idea, is to have charge of the service. Each paper will have its own newspaper publicity man for publications in other papers. Jacob Jacobson, former exchange editor on the Oregon Emerald, will handle this work on the Oregon campus.

Subscribing papers to this service are: The University of Washington Daily, Daily Californian, O. C. Barometer, Oregon Daily Emerald, Whitman College Pioneer, Reed College Quest, W. S. C. Evergreen, University of Columbia Ubyasey, The Gonzaga, The Sun Dodger (U. of W.), and Lemon Punch (U. of O.).

## DECORATIVE CANDLES FIT COLOR SCHEMES

Mrs. M. B. Wells

The creation of candles with an individualism that rounds out the furnishing of a room and candles that "fit in" to the decorative scheme of a table, whatever that scheme and color may be—these are the things that are popularizing with Portland hostesses the beautiful Wellscraft candles designed and made by Mrs. M. B. Wells in her little home shop at 581 East Thirteenth street north.

There are candles of substantial size and shape wrought in the rich colors that blend into the decorative scheme of the den and library. Tall slender candles decorated in gold, silver and pastel colors for the drawing room; dainty pink and white and blue and white tapers for the bedroom; blue birds, ducks and kewpie designs for the nursery, and an infinite variety of sizes, shapes and colors for the attractively appointed luncheon and dinner table.

## Mrs. Colin Dymont Elected President Of Armistice Club

University of Oregon, Eugene, Nov. 20.—Many prominent women connected with the university assisted in the formation of an Armistice day club, which was effected recently as the result of the recent Armistice day celebration. The first meeting was held this week.

Mrs. Colin Dymont was elected president. Dean Elizabeth Fox, vice president, and Miss R. Louise Fitch, secretary. Other members are: Miss Tirza Dinsdale of Eugene, Miss Mary Brownell, Miss Powell, Miss Grace Robertson, and Miss Winifred Douthit of the university.

These people were stationed at different places during the war and no two did the same kind of work, nor were they at the same place. Mrs. Dymont and Miss Douthit were connected with the Red Cross and stationed at different places in France. Miss Robertson was stationed in Russia, and Miss Brownell in Roumania, both with the Red Cross. Miss Dinsdale was in Italy, Dean Fox in France, and Miss Fitch in France, all doing Y. W. C. A. work.

## CHRISTMAS SEALS SALE IS INDORSED BY GOV. OLCOTT

Oregon Tuberculosis Association Organizing in Many Communities for Opening of Campaign.

The annual sale of Christmas seals by the Oregon Tuberculosis association has received the following commendation from Governor Olcott:

"It is with pleasure that I give an indorsement to the Christmas Seal sale of the Oregon Tuberculosis association. This association conducts a broad general public health campaign and it is found associated with virtually every agency engaged in health work and with the educational institutions, as well. Its sole means of support, financially, is the Christmas Seal sale and I am certain it will meet with the same ready response with which it has met in the past."

Practically the entire state is now organized for the sale of the little Christmas stickers which will begin December 1. Organizations have been perfected by counties, cities and communities and the schools will also render valuable aid in the sale as they have in past years. In Portland the sale will be

conducted through the medium of booths placed conspicuously in the downtown section in charge of different groups of women each day. The quota for the campaign is \$40,000.

County quotas have been worked out as follows on a basis of five seals per capita, which sale will be necessary if the present work of the association is to be continued: Baker, \$896.45; Benton, \$687.20; Clackamas, \$1884.90; Clatsop, \$1157.50; Columbia, \$698; Coos, \$1112.85; Crook, \$171.20; Curry, \$151.25; Deschutes, \$481.10; Douglas, \$1066.66; Gilliam, \$198; Grant, \$274.80; Harney, \$199.60; Hood River, \$415.75; Jackson, \$620.25; Jefferson, \$160.55; Josephine, \$283.75; Klamath, \$770.65; Sherman, \$191.20; Tillamook, \$438.80; Umatilla, \$1297.30; Union, \$321.80; Wallowa, \$488.90; Wasco, \$682.40; Washington, \$1218.80; Wheeler, \$129.55; Yamhill, \$1026.45.
