

## 2 CHILDREN HURT BUT WILL RECOVER

Two children were run down Wednesday, one by a concrete mixer and the other by an automobile, but both appear to be only slightly injured.

Maxine Sheaffer, 8, ran out in front of the car driven by Ernest Sigler, 404 Davis street, according to the driver's story, and went under the wheel before he could stop the machine. She was taken to her home, 5121 Seventy-ninth street. The accident happened at Eighth and Fifth avenue.

Earl Bard, 6, of 883 East Twelfth street north, was one of several children who were climbing on a concrete mixer towed by an automobile, and F. W. Busch, who had warned them to stay away, had driven on a block before a child came running up to say that the little boy had been hurt. The boy was taken to his home.

## Pedestrians Help Alleged Bad Check Man Escape Victim

Generous-hearted pedestrians with the desire to see fair play in a street fight and to protect the "under dog" Wednesday unconsciously aided an alleged bad-check passer to escape from the police.

Lenne Peterson, 849 Halsey street, told police last week that a "stranger" had passed a bad check on him. He also said that he believed he could find him. The police told him that if he did find him to hang on to him.

Peterson is said to have found him Wednesday at Broadway and Washington streets. He attempted to hang on to him and was succeeding, when interested spectators intervened.

The alleged forger is a small man and Peterson is big and husky. Peterson knocked him down and jumped on him to hold him down until the police could be notified.

But the crowd pulled him off. Before he could explain that his partner in the street battle was a law breaker and wanted by the police, the small man had slipped out through the crowd and disappeared.

Peterson kept a piece of his opponent's overcoat, which he confiscated in the battle, and the bad check for souvenir.

## Edenbower Road Tax of Ten Mills Voted by Residents

Roseburg, Or., Nov. 25.—The residents of road district No. 30, west of Edenbower, a suburb of Roseburg, voted a 10 mill tax Saturday for the purpose of paving a portion of the Edenbower road. They maintain that enough money has been spent on roads in the district in 10 years to pave it twice, and still they have no roads. The money raised in the road district will be matched by market road and state money and eventually the road will be paved through to Garden Valley, the great fruit producing section. This road is used by more people than any other market road in the county.

The Laymen's conference of the Seventh Day Adventist church convened in West Roseburg, Tuesday, for a three day session. Many speakers from the North Pacific conference will be present. Thursday, special Thanksgiving services will be held in the afternoon and evening. Elder Rippey, president of the Southern Oregon conference; Elder Berger of Walla Walla and Elder Rhoads of Sutherlin are present.

## Thomas G. Cullen Charged With Theft Of Safe and \$1600

Charged with taking a safe containing about \$1600 from the residence of Ding Wing, 287 S. Main street, Saturday evening, Thomas G. Cullen, 32, of 238 East First street north, was taken before the grand jury Wednesday. Cullen is married and has two children. He refused to say anything bearing on the case before being taken before the grand jury. The arrest was made by inspectors Coleman and Collins. The safe, which was carted from the Ding home and taken away by automobile, was found blown apart Tuesday afternoon near Riverdale school, Oswego.
