

# Multnomah Puts Up Strong Game Against Aggies: Oregon Loses to Trojan Eleven

## Aggies Beat Club Squad By 3 Points

By George Berts

DAME FORTUNE favored the Oregon Aggies in the Turkey day gridiron classic with the Multnomah club aggregation, and the collegians gobbled up the long end of a 10 to 7 count in a hard-fought contest on the "Winged M" field.

The Aggies scored their points in the first period, Andy Crowell scoring a place kick after the first 10 minutes of play and Kasberger making a touchdown from the Minnesota spread formation later McFadden had recovered a punt that was fumbled by "Pug" Brown.

Just before the end of the final quarter, Blackwell, the club center, broke through the Aggie defense after the collegians had intercepted a forward pass on their one-yard line, and blocked Hughie McKenna's punt, recovering it behind the end zone. Brown converted goal.

The Aggies showed a much stronger offensive than the club men due to the fact that they are better coached and have more time to devote to perfecting their attack. On the defense, the club held its own pretty well during the second half of the game.

The Aggies lacked the punch they displayed against Oregon. They gained more yards on the offense than the clubmen, in fact the clubmen failed to make a first down by rushing the ball, but on forward passing the club had a slight shade, a penalty giving Multnomah one of its four first downs on forward passing.

Every member of the Aggie backfield played brilliant ball, while Rose and McFadden, the full backs, showed a class in getting down on punts and boxing Multnomah ends out of plays time after time.

## AGGIE CENTER STONE WALL

The center of the Aggie line was practically a stone wall on the offensive, considering considerable yardage on off-tackle bucks and Sommers and Seelye scintillated in circling ends for big gains on several occasions. Hughie McKenna made several large gains and completed some short passes in addition to making some long returns of punts.

For Multnomah, Briggs, Hurst and Core showed up well on the offensive, while on the defensive Barry and the DeCicco brothers—Mike and Peter—broke up many Aggie plays. Harvey Hale and Eddie Duffy also performed in good style.

Multnomah received and punted after unsuccessful attempts to pierce the line. On the first scrimmage Markell threw Kasberger for a loss of 10 yards on an end run and an exchange of punts followed, Rose recovering a Multnomah field on the club's 45-yard line.

From this point the Aggies rushed the ball to Multnomah's 10-yard territory through a 12-yard run by Seelye and an eighty-yard gain by Sommers. Coach Dorman made several substitutions in the club lineup and the line held, forcing the Aggies to resort to a place kick for the first points of the game, Crowell making the kick.

## KASBERGER SCORES

The Aggies received the kick-off and made a first down and completed a pass, but stubborn defense forced them to punt. Brown misjudging the ball on the club's five-yard line and McFadden recovering it. After two straight line bucks, the Aggies resorted to the Minnesota spread and Kasberger scored a touchdown. It was Joe's first touch-down since he joined the Aggies. Crowell converted goal.

Near the end of the second quarter, the club second string was unable to halt the Aggies and two first downs were registered, bringing the ball to the 20-yard line, but a 15-yard penalty for holding robbed the Aggies of a chance to score, although they tried in vain to complete aerial shots.

The Aggie second string backfield men and several subs were started in the third period, while the regulars took their positions in the field. Eddie Hodler made a great return of Briggs' kick-off, but the Aggies were unable to

## Walla Walla High Wins

Walla Walla, Wash., Nov. 26.—The Walla Walla high school eleven smothered the Vancouver high school football team Thursday, 42 to 0. Vancouver battled the Walla Walla team to a 14 to 8 score during the first half, but Walla Walla's superior weight and Vancouver's inexperience at defense enabled Walla Walla to hold Vancouver scoreless and pile up 28 points in the second half.

## Oregon Team Defeated by U. S. C. Squad

(By Universal Service)

TOURNAMENT PARK, Pasadena, Cal., Nov. 26.—The University of Southern California football squad took the Lemmon Yellow Oregon team into camp Thursday by a score of 21 to 0. The Oregon team fought hard to wipe out the stain of the Stanford defeat on their standard, while the Trojans contested just as hard to add another victory to their unblemished record by five straight victories. A crowd of 25,000 fans, who formed a living wall on four sides of the grounds, cheered itself hoarse.

**HAD TO WORK FOR IT**

The Trojans scored first near the last part of the first quarter. After Evans kicked off, the Trojans, by sideline runs and line bucking, took the ball to Oregon's 35-yard line. Leadingham went down for 10 yards and for 13 yards. Smith gained 12 yards by an end play. Dean gained 3 yards through center, while Leadingham went around right end for yards more. Butterfield was held out on this play and had to be assisted from the field. Leahy, who replaced him, carried the ball around left end and made first down on Oregon's 14-yard line. Leadingham on a trick play carried the ball to the Oregon 4-yard line. Dean made 3 yards through right guard and went through left tackle for a touchdown. Evans kicked the goal, making the score—U. S. C. 7, Oregon 0.

**THEY START SLAUGHTER**

The visitors held the Trojans from this point to the beginning of the fourth quarter, but apparently weakened and the California boys slaughtered them. The Trojans backs started tearing holes in the Lemmon-Yellow line and although S. C. was penalized 15 yards, the ball was soon brought to Oregon's 14-yard line, when Evans moved over for a touchdown and another goal was kicked.

On six plays the Trojans took the ball to Oregon's 15-yard line and the third goal was scored just before the final whistle.

## SPORT NOTES

James Hamilton will head the 1921 football team at Reed college, as a result of a meeting of the 1920 squad Wednesday night. Coach Harry Dorman was guest of honor at a banquet given at the Trojans' hotel in Portland. Hamilton is a junior and has had two years' experience on the squad, playing quarterback.

The annual Thanksgiving day open paper chase of the Portland Hunt club was won by Harry M. Kerron on Edgewood, Thursday, after a spirited race. Eugene K. Oppenheimer on Diana came in second while Fred W. U. Sanderson rode Flying Fox into third place. More than a score of riders competed over the four-mile course and the largest gallery of the 1920 season was on hand. The trophy was awarded the Mrs. Henry R. Everding trophy.

## HERMISTON 56, STANFIELD 0

Hermiston, Nov. 26.—Hermiston high defeated Stanfield Thursday on the local grounds, 56 to 0. Two touchdowns each quarter were made before a large crowd. The last half was played in a drizzling rain. Stanfield, the lighter team, could not solve Hermiston's forward passes nor break through its line. Ward Martin started for Stanfield, while Hall, Haax, Farriner, Waterman and Boynton formed the stellar group for the opposition.

## HOOD RIVER VICTOR

Hood River, Nov. 26.—Local football fans are jubilant over the victory of Hood River high school over James John high school of Portland by 30 to 7. Hood River excelled in team work, which discounted the greater weight of their opponents. This was the closing game of the season here.

## MEDFORD WINS

Ashland, Nov. 26.—Medford won the Southern Oregon football championship on the Ashland high school field. Thursday, 20 to 0. The game was played during a drizzling rain with fully 1500 fans from Medford and vicinity and most everyone in Ashland to see it.

## QUAKERS ARE VICTORIOUS

Baker, Or., Nov. 26.—The Franklin high school football team walked all over James John high school eleven here Thursday afternoon, and the final count was 41 to 0. The visitors certainly showed a wonderful passing game and their line plunging ability was none the less powerful. The only time Baker had a chance to score was lost on a fumble.

## O'DONNELL CAN BOOT 'EM

Billings, Mont., Nov. 26.—George O'Donnell, the Billings high school's left tackle, has kicked 94 goals after touch-down without a miss. Billings won the state interscholastic title for 1920 by defeating Butte high 84 to 0 here yesterday. O'Donnell made 12 goal kicks.

## ASTORIA OUTCLASSED

Chehalis, Wash., Nov. 26.—The Astoria, Or. high school football team was no match for the Chehalis warriors here yesterday and the locals won 60 to 0. At no time did the Oregonians have a chance to score and Chehalis resorted to all kinds of trick and fancy plays to entertain the crowd.

## WHITMAN COLLEGE DEFEATS WILLAMETTE TEAM, 7 TO 0

Willamette University, Salem, Nov. 26.—Playing on a very muddy and heavy field, the Willamette "Bearcats" lost their first conference game to Whitman college Thursday, 7 to 0. Although conditions prevented a scientific brand of ball, the game was fiercely contested and very exciting.

The visitors started very strongly and developed an advantage which they were able to hold throughout the first quarter which resulted in their touchdown, the only score of the game. The contest was evenly waged during the second quarter and was leaning toward the "Bearcats" throughout the last half, although they were unable to develop their advantage into a score.

## PENDLETON BEATS LA GRANDE HIGH TEAM BY 21 TO 7 SCORE

Pendleton, Nov. 26.—Pendleton captured clear title to the Eastern Oregon interscholastic championship by defeating La Grande high school, 21 to 7, on the local gridiron in the fastest game of the year played here.

After the first few minutes, Pendleton took the offensive and held it throughout the game, with the exception of the beginning of the last quarter, when La Grande, aided by fumbles and penalties, made first down on the locals' 6-yard line. Four straight line bucks by Gorman, La Grande's star halfback, placed the pigskin just over the goal line.

## MARSHFIELD DOES TO EUGENE

Marshfield, Or., Nov. 26.—A touchdown followed by a goal kick made up the seven points scored by the Eugene high over the Marshfield high aggregation here yesterday. Injuries were reported from both camps as a result of the match, one of the visitors suffering a broken leg, it is said.

## Grid Honors In the East In Dispute

By Henry L. Farrell

United Press Staff Correspondent

NEW YORK, Nov. 26.—(U. P.)—East and everything, the Navy eleven is anchored here, getting steam up for the annual encounter tomorrow against the Army.

From the plains of West Point, where they have been battling snow and the elements for a week, the Army contingent will arrive today.

Forty-five thousand fortunate possessors of reservations in the observation towers of the Polo grounds are weighing the communique from both camps and trying to figure it out.

The Navy has a wonderful line and a fair backfield. It perhaps is a more finished squad, having gone through a more exacting schedule.

The Army has the brilliant French and the splendid line. The classic game of the season will have all its noted glamour and color if the weather man is kind enough to spare the rain, mist and fog that made last year's game a terror.

The presidential box will be empty, but five state governors, the mayor of New York, the secretaries of the army and navy and the high ranking officers of both services will be there.

This army-navy set-to will douse the lights of the season as far as the East is concerned.

The Dartmouth-Washington game in Seattle will finish the chapter in the West until New Year's day, when Ohio State and California are to grapple in Pasadena.

Both of the big Thanksgiving day games brought surprises yesterday. The biggest jolt was the feat of the Pennsylvania eleven, which found itself and beat Cornell, 28 to 0.

Pittsburg and Penn State battled to a scoreless tie in mud over their ankles. Both sides are satisfied.

The Western situation remained the same with Notre Dame forcing down the Michigan Aggies to keep the Hoosiers' records.

The Eastern situation is in a bad mess as a result of Pitt and Penn State's tie. A grudge will have to get down to very fine points to rate Princeton, Pitt and Stanford. The three claim the championship and no one can prove they're wrong.

## PENN STATE AND FANTHER BATTLE TO SCORELESS TIE

Pittsburg, Nov. 26.—On a field covered by several inches of mud, the football teams of Penn State college and University of Pittsburgh battled to a scoreless tie Thursday in a game programmed for the gridiron supremacy of the East.

Forty thousand spectators, thousands of them standing about the field, braved the worst weather of the year to watch the Panther and the Nittany Lion grapple at each other's throats.

## Trojans After Game With Californians For Coast Honors

Los Angeles, Nov. 26.—(I. N. S.)—As a result of the overwhelming victory of the University of Southern California team over the University of Oregon eleven at Tournament park, Pasadena, yesterday afternoon, when the Northerners were vanquished, 21 to 0, without making a single first down, partisans of the U. S. C. players were insistent today that they be allowed to meet the University of California team.

It was pointed out that since the U. S. C. team has won all of its six games over the local opposition, it is a brilliant showing against Oregon, that it should be given the opportunity of proving whether it or the Berkeley men should represent the West against an Eastern team at Pasadena New Year's day.

Friends of the U. S. C. eleven said they would prefer to have the game played on neutral ground, but that if there was no alternative, the Los Angeles would go to Berkeley.

## Golden Smile Comes Back in Ring Is Not the Johnson of Olden Days

(By Universal Service)

## Golden Smile Comes Back in Ring Is Not the Johnson of Olden Days

(By Universal Service)

LEAVENWORTH, Kan., Nov. 26.—L. Wine, women and song—

Could it have been that that old saying came to the mind of Jack Johnson, former dean of all fighting men, now a convict, in stripes, serving time in a federal prison, as he mounted to the ring at Fort Leavenworth prison Thursday. If so, Jack's sure held up well under the bite of sorrow, for when he climbed over the familiar ropes into the squared arena of battle that old smile, famous the world over, lighted up his face, and he grinned his very best as he nodded his response to the outburst of cheers from the quaint audience of fellow prisoners that greeted his appearance in the ring.

**MIGHTY HAVE FALLEN**

It may have been that Jack remembered that old adage, "How have the mighty fallen," as he gazed about his enthusiastic crowd that surrounded the ring, in memory of seeing there an audience as of old among which could be princes of royal birth and kings of fortune; but, if so, Jack well concealed all feeling.

Jack proved one thing, however, and that was that, while he no longer is the Jack of old, and that his days as a champion are surely over, that all the distinction abroad and in Mexico that is credited to him during his long exile from America have not eliminated him entirely from a further career as a fighter. Johnson glided about the ring in his old-time miffy, somewhat slowness, handed a lemon to "Topeka Jack" Johnson, an aspiring heavy, in the sixth round of a scheduled 10-round affair.

**LACKS OLD SPEED**

The colored batter has no longer the speed of old, and his boxing ability is fading; but when Jack hits—bo, look out! Johnson's naposake had less chance of slipping anything over on Jack than a mouse in the same home with a weasel.

Jack glided about the ring gracefully, sparring, cutting, jabbing, and the outcome of the go was never in doubt. And when the end came the crowd of convicts—Johnson's new pals—rose to their feet and rent the air with applause.

The boxing card, which was the "aftermath" of a regular "Thanksgiving feed," was arranged for the prisoners by Warden Johnson of the federal prison. In addition to the Johnson mill, there were several preliminary affairs. Mike Regan, well known character in the sporting world, refereed the fights.

## Don't Forget to Buy Those Shoes

**WASHINGTON IS READY FOR BIG DARTMOUTH 11**

UNIVERSITY OF WASHINGTON, Seattle, Nov. 26.—Dartmouth is holding the advantage over Washington with her powerful, sure-scoring machine on the eve of the first inter-sectional game to be played in Seattle, when East will meet West in the new half million dollar stadium tomorrow afternoon.

At least 30,000 spectators are promised a real test of rival strength and science, for the "dope" favoring Dartmouth means no miffy, "paper battles" fought and eventually upset in football history.

A team at least 50 per cent stronger than the lineup that was defeated by Oregon two weeks ago will face the Michigan machine tomorrow. A dozen new plays and a change of tactics all will help the Purple and Gold tomorrow. The team is in exceptionally good condition.

Dartmouth has 21 warriors ready to continue its long winning streak. Confidence and defiance characterize the visitors. They gave a splendid exhibition workout today, and their well drilled machine looks every bit as strong as their publicity.

An open game with skill and endurance replacing the old style brute strength is expected in the game. Dartmouth is famed for its all-around game, and will no doubt keep Washington on the defensive most of the time.
