

CIRCUIT COURT TO CLEAR UP APPEAL CASES BY DEC. 1

The circuit court departments continue daily to clear away the accumulation of appeal cases from the municipal court. By the first of December the docket will have been nearly cleared of delayed cases.

The appeal of Albert Wing, convicted in the municipal court of driving a truck while intoxicated for which he was sentenced to 60 days in jail, was heard before Circuit Judge Stapleton. Wing was fined \$50 and assessed \$41, the costs of the jury which he demanded.

Presiding Judge Tazwell took under advisement the sentence to be meted out to Ben W. Sines, convicted in the municipal court of driving a truck while intoxicated and sentenced to 60 days in jail and to pay a fine of \$100. Sines' wife is ill and his family needs his help. He may be given a short jail sentence.

George F. Warren's Estate Being Sold By Federal Court

To satisfy the ruling of the federal court, deputy United States marshals Friday offered for sale property and other securities of George F. Warren in Clatsop, Lane and Marion counties.

John D. Mann, chief deputy, is offering Lane county holdings for sale from the steps of the courthouse at Eugene, while E. T. Mass is doing the same with Clatsop holdings at the Astoria courthouse. The latter holdings include a greater part of the assets of Warrenton and stock in the Astoria Savings bank, Western Bond & Mortgage company, Columbia River Fisheries company, Freeman, Smith & Camp, the Astoria National bank and Ross Higgins company.

After disposing of Lane county property, Mann will go to Salem and sell Warren's Marion county property. If sufficient funds have not been obtained by this time to satisfy the court judgment of \$71,428 and costs, additional property in Crook county will be auctioned off.

Solution Destroys Redwood Stumps in 50 Days, Is Claim

Petaluma, Cal., Nov. 27.—Max Rosenberg and A. Malouf, who own the Bar-toll ranch, between Sebastopol and Freestone, are experimenting with a solution which is said, if proven practicable, will mean that hundreds of acres along the Russian river covered with redwood stumps will be made into farming land. The ranch on which the experiment is being tested contains 370 acres and only 50 acres are fit for cultivation. Rosenberg and Malouf are cutting the trees, sawing them into lumber by means of a small portable saw mill. The stumps are split with an ax and a solution poured over them and within 50 days the stumps crumble and can be shoveled up and used for fertilizing purposes.

Easy Divorces Are Espoused by Rabbi Liebert of Spokane

Spokane, Wash., Nov. 27.—(U. P.)—Rabbi Julius Liebert told his congregation last night that divorce should be as easy as marriage. "Although marriages are made in heaven," said the rabbi, with some lack of originality, "they do not long remain there, but drift rapidly to the other place. Divorce should be allowed to go to the rescue with the least possible interference."

Smoot to Ask Year Embargo for Wool

Salt Lake City, Utah, Nov. 27.—Senator Reed Smoot announced today he would introduce a bill in the United States senate as soon as it convened, placing a complete embargo on all foreign wool for the period of one year.

FIRST LINN COUNTY CLERK DIES AT 89

P. R. L. & P. PROFITS JUMP AT 8 CENTS

The gross revenues of the Portland Railway, Light & Power company for the quarter ended September 30, 1920, under the 8-cent fare, exceeded the receipts of that company for the previous quarter, ended June 30, by \$137,961.11, while the cost of operation for the last quarter was only \$58,100.69 above the preceding quarter, as is shown by a comparison of the former report with the sworn statement of the company for the last quarter, filed in the city auditor's office Friday.

The 8-cent fare became effective June 15 of the present year, therefore a more enlightening comparison probably would be that of the report for the quarter ended March 31, 1920, under the 6-cent fare. The company's sworn statements on file with City Auditor Funk show an increase for the quarter just ended of \$204,650.40 over the quarter ended March 31, while the cost of operation for the last quarter was only \$145,020.11 greater than in the first quarter of the present year.

The declared surplus for the quarter ended September 31 is \$1,207,796.05, as compared with \$1,019,878.48 for the quarter ended June 30, and \$81,872.25 for the quarter ended March 31. The sworn statements of revenues and cost of operation for the quarterly periods of the present year follow:
Quarter ended March 31, revenues \$2,220,154.80, cost of operation \$1,370,114.02; surplus \$851,040.78; quarter ended June 31, revenues \$2,286,844.09, cost of operation \$1,457,033.44, surplus \$1,019,878.48; quarter ended September 30, revenues \$2,424,805.20, cost of operation \$1,515,134.13, surplus \$1,207,796.05.

Professor F. B. Marshall, secretary of the National Wool Growers' association, said today this was the most hopeful sign which the wool men had observed in the present critical wool situation.

JAMES ELKINS IS DEAD; HE CROSSED PLAINS IN YEAR '52

Announcement of the death of James Elkins, aged 89 years, at the Roosevelt hospital, San Francisco, was received by Portland relatives Friday. Elkins crossed the plains in 1852 and located near Albany, where he lived until about three years ago, when he moved to San Francisco.

Elkins was the first county clerk of Linn county, being elected to that office 58 years ago, soon after his arrival from the East. He also served several terms as treasurer of Linn county and was active in public affairs during the period of his residence in Albany.

Elkins is survived by five sons, Frank Elkins of Portland, Collins and Charles Elkins of Prineville, James Elkins Jr. of Gast, and Luther Elkins of San Francisco. A daughter, Helen Elkins, is a teacher in the University of California, and a granddaughter, Helen O. Elkins, is employed in the business office of The Journal.

Leonidas Renshaw
Leonidas Renshaw, 81, retired farmer from Iowa, died at the home of his daughter, Mrs. Martha Dabney, 133 East Twenty-ninth street, November 1. Mr. Renshaw came to Oregon in 1905. He is survived by his widow, Anfelina Renshaw; five children, 21 grandchildren and three great-grandchildren.

Terry Hackett
The ashes of the late Terry Hackett, deputy sheriff of Multnomah county, will be scattered on the waters of his favorite trout streams in the Cascade mountains, in accordance with his last wishes. Hackett was an enthusiastic angler, and before his death November 21 expressed the wish to be cremated and to have his remains distributed near the spots he loved so well. Hackett is survived by his widow, Emma Hackett, and his parents in Washington, D. C.

Ex-Service Men to Get 7 Credits in Civil Service Tests

Every man who has served six months or more in the United States army or navy will be allowed seven credits for marking in experience and references in civil service examinations, the city civil service board decided at its meeting Friday, provided such credits do not give the applicant more than 100 points; in that event only sufficient credits will be allowed to bring the total up to an even 100.

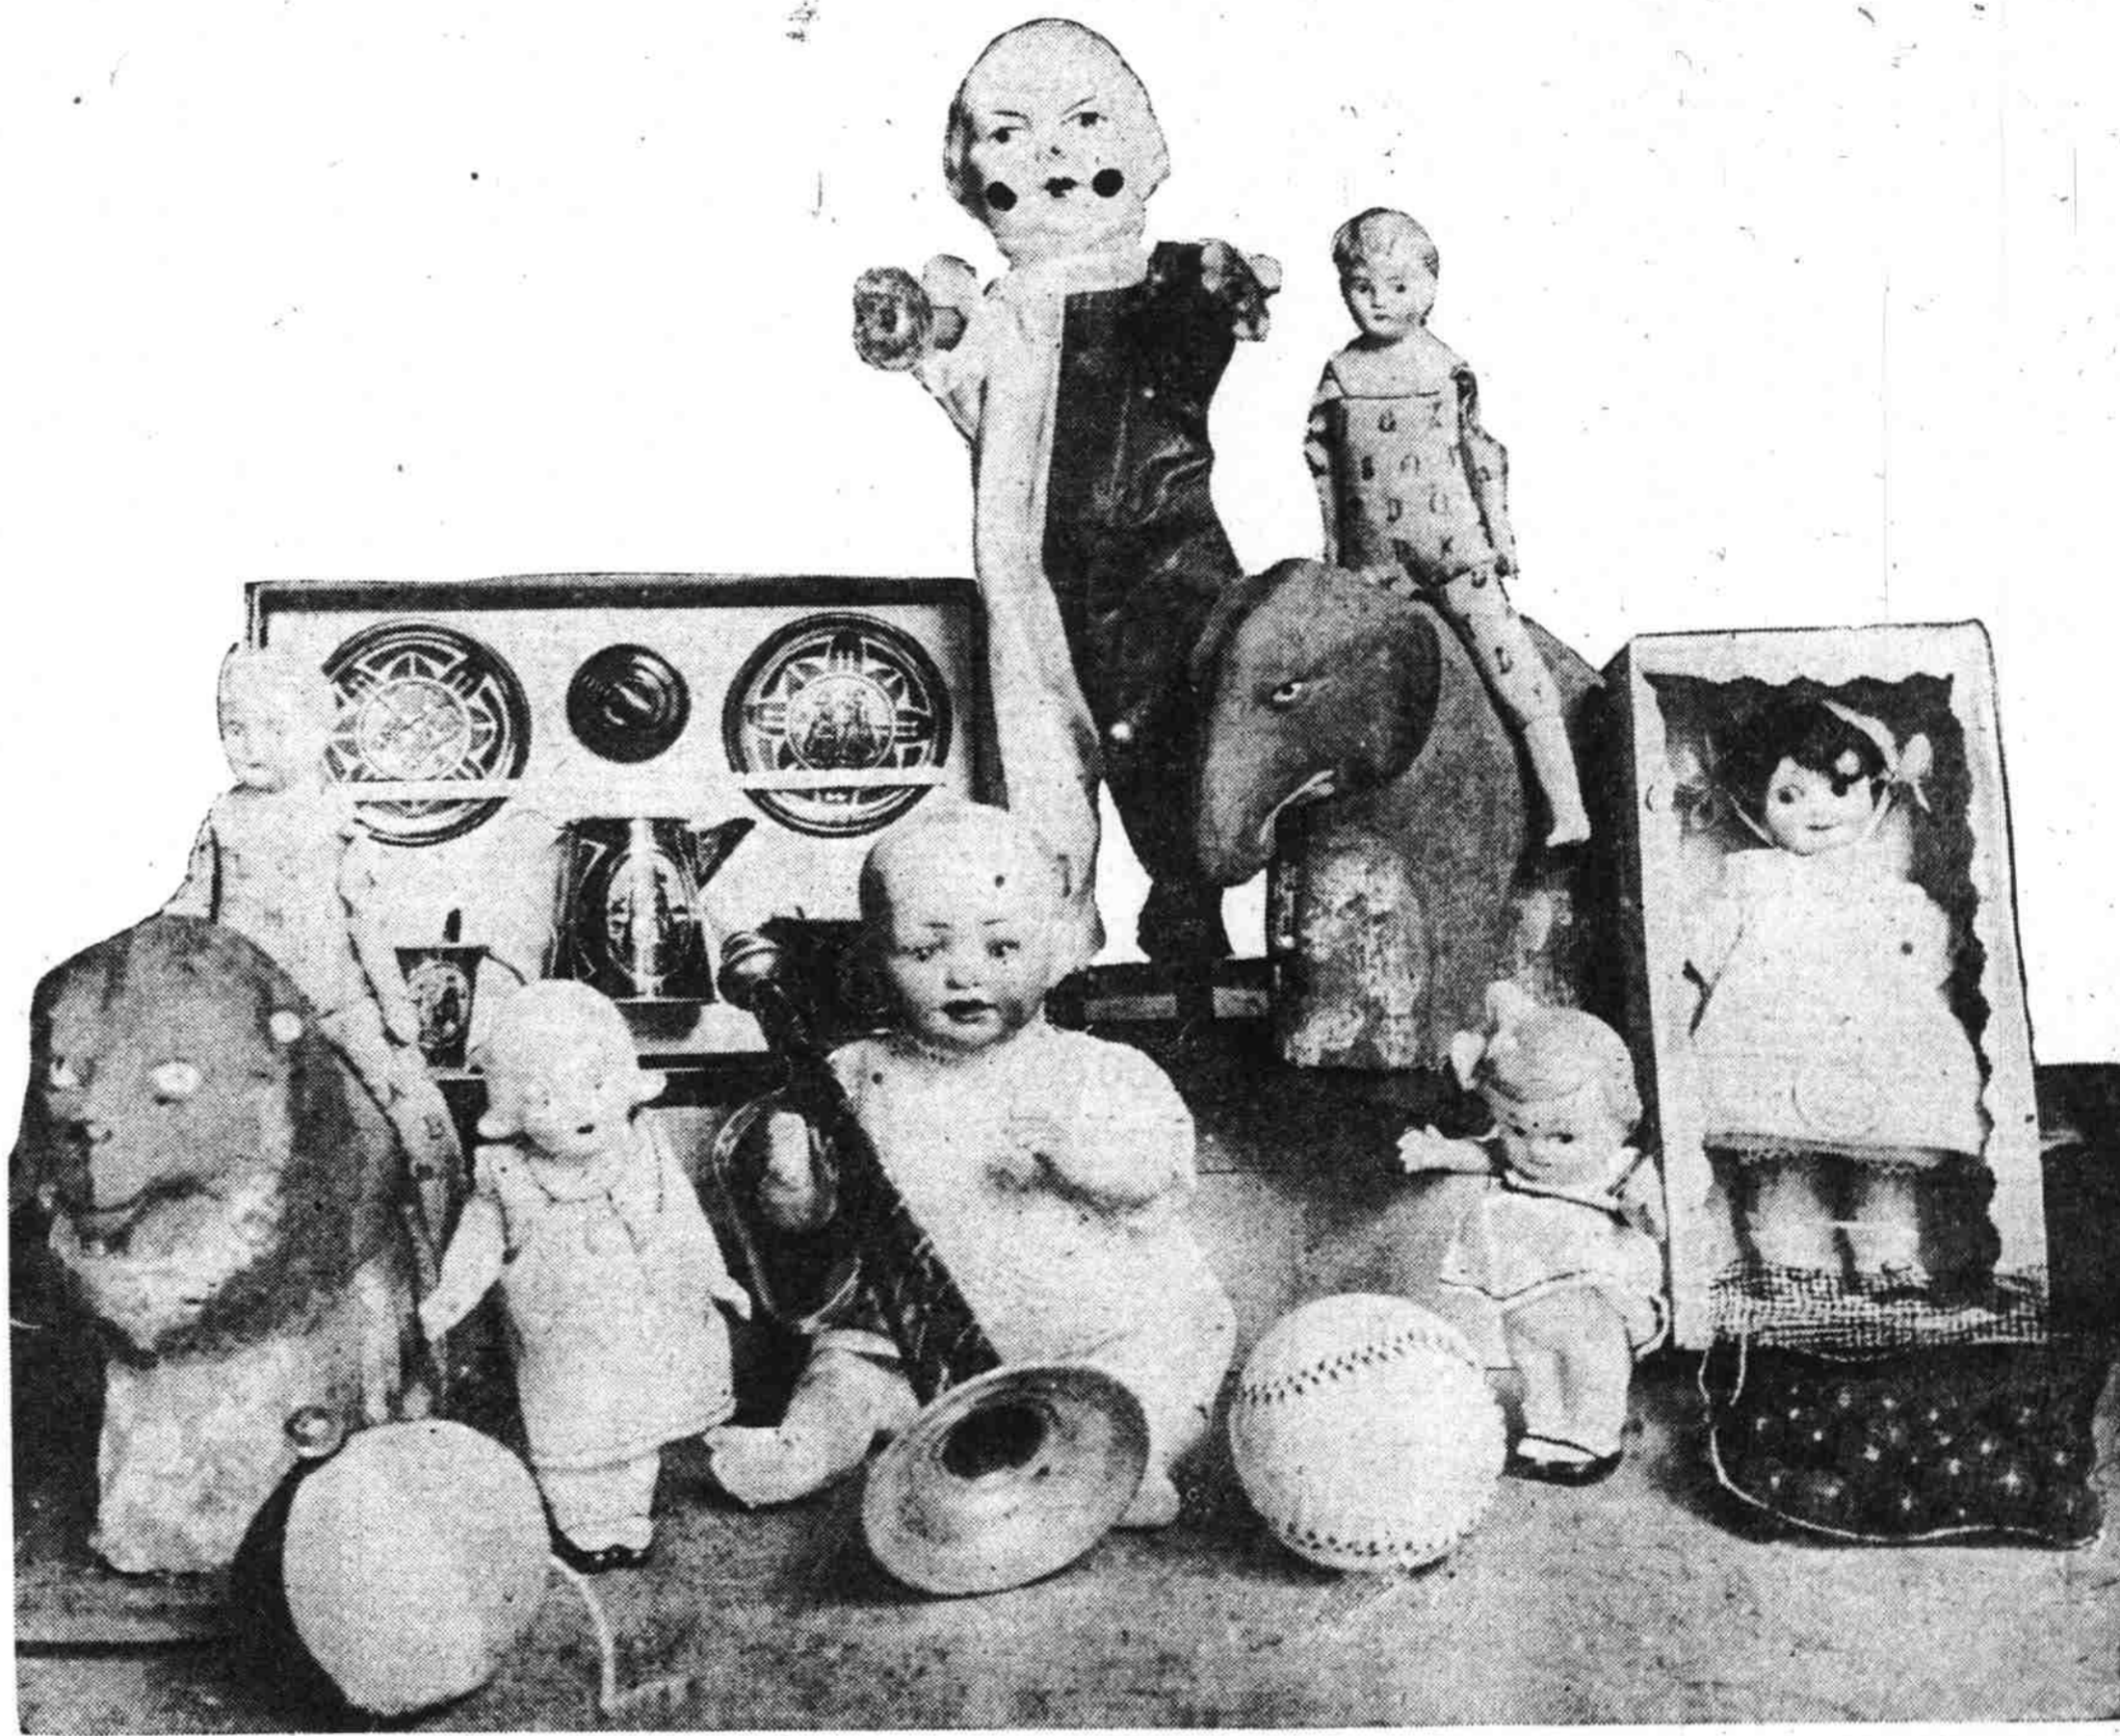

The decision of the board comes as the result of a petition from the Spanish-American War Veterans and the Police Beneficiary association filed with the board some time ago asking that all men serving honorably in the military or naval service of the United States be given equal credits.
