## Multnomah County 1920 Road Budget Faces Deficiency Which Amounts to \$28,891

# STRICT ECONOMY TO FEATURE RES

Although the Multnomah county budget appropriation for the county roads department in 1920 was \$559 .-639.58, a statement just made to the county commissioners shows a deficiency of \$28,891. The total liabilities of the road fund are given as \$57,349.30, while the total balance as shown November 1 was \$28,-458.30.

There are unpaid contracts of \$24,-949.30 with the Warren Construction company and of \$14,200 with the United Construction company. Estimated unpaid bills aside from these accounts are \$3200; time checks, \$12,275, and office payroll, \$2725.

Districts Nos. 1 and 4 show deficits-\$2835.10 in the first instance and \$2547.68 in the second. There is a deficit of \$8441.13 in the machinery fund; \$43,-007.77 in the market road fund, and \$1364.19 in the general road fund. The budget appropriations were: District No. 1, \$41,706.15; district No. 2, \$124,200; district No. 3, \$66,000; district

No. 4, \$17,500; district No. 5, \$24,500; district No. 6, \$15,100; Columbia river highway, \$15,000; various, \$27,506.58; machinery, \$28,500; market roads, \$199,-Only the most imperative requirements in road work will be taken care of during the remaining month of 1920, in

order to hold the deficit in the road

department down to as low a level as
