tomorrow and Tuesday go on December bills rendered Jan. 1

BEGINNING tomorrow, in ideal time for Christmas shopping, the Furniture Gift Shop on the Ninth Floor will offer virtually its entire carefully selected stocks of gift-worthy furniture at reductions of 20% to 50%. The merchandise is all new, finely chosen, splendidly assorted and of the highest gift utility. Even a glance at the headings of this announcement will tell something of the comprehensiveness of this sale and the list is necessarily incomplete because of space restrictions. Men who wish to choose gifts of this estimable character will be given every assistance by competent salespeople and gifts for men are themselves an important part of these displays.
