ONE HESITATES to apply the somewhat hackneyed word "sale" to anything so exquisite as these silk shirts. But it is emphatically a sale—an extraordinary one—so far as price. So call it what you will—but come and prove its value to you—

WE HAVE HAD silk shirt sales before, as what store has not? But neither this store nor any other that we know of has offered silk shirts of the quality of these at any such price as this. We have not stopped at sacrificing the very cream of our silk shirt stock so that we should be able to say as we do say to the men and young men of Portland and surrounding territory: "Gentlemen, we are going to give you a silk shirt sale the like of which you have not known nor are likely to see for a long time. THIS IS THAT SALE."

These Are the Makes:

America's Best

"Rotary" "American" "Manhattan" "Columbia" "Excello"

The shirts are from our regular stock. Many are brand new—just out of their boxes. All are the fine, clean sort of merchandise that men and women buying for men appreciate, especially where one buys with gift thoughts in mind.
