#### Packers' Prices on Pork Now Below Pre-War Level

Chicago, Dec. 3 .- (I. N. S.)-Packers prices on pork have dropped below the pre-war level of April 1, 1917, according to a review of the meat and livestock situation issued today by the Institute of American Meat Packers. Beef prices also have declined, the report says, carcass beef during the last week in November showing a drop of 9 per cent over the price on October 1 and 17 per cent lower than on September 1.

The decline in pork loins during November, the report points out, amounted to 27 per cent; smoked hams 35 per cent; bacon 15 to 25 per cent, and various other pork products from 10 to 47 per
