INTERESTING AND PROFIT-

ABLE INDUSTRY STARTED

Through Reading Journal "Dime-a-Line"

Want Ads

Oregon Journal, Portland, Oregon.

Gentlemen:—We bought a home last April at the above address, and had a great desire to raise rabbits extensively, but on account of the expense incident to getting settled in a new home, we did not feel that we had the money to buy the animals. A sister of mine gave me a \$10.00 bill for a birthday present, and I at once picked up the Want Ads section of The Journal to see what I could get. I found an ad that offered four rabbit hutches and six raibbits for \$10.00. I at once investigated this effect and found them are the latter than transcented, which

gated this offer, and found them even better than represented, which resulted in getting me started in an interesting and profitable industry in my back yard. Now, whenever I desire to make a purchase or sell any commodity, I at once read Journal "Dime a Line" Want Ads, and I seldom have to consult anything else. Very truly yours,

The Journal wants more letters telling of experiences resulting from read-

ing Journal "Dime a Line" Want Ads. One dollar will be paid for each

letter used. Address your letters to the "Classified Advertising Manager,"
