

3 MEN DIE IN FIRE IN VANCOUVER, B. C.

Vancouver, B. C., Dec. 8.—(U. P.)—Three deaths and property damage estimated at \$75,000 resulted from a fire which broke out in the premises of the Imperial Varnish & Color company, Pender street west, at 2 o'clock this morning.

The dead are Thomas Freeman, Jack Davy and one man who was not identified, all lodgers in the Parks rooms, which occupied the three floors above the paint store.

Freeman made good his escape when the first alarm sounded but returned to help the work of rescuing others. He was found with a blanket wrapped about his head.

Bursting out in a great puff of flame the fire made rapid headway and within a few moments had filled the apartments above the ground floor with heavy, oily smoke, which made the escape of the 72 occupants of the rooming house a matter of great difficulty. The three deaths resulted from suffocation.

Roseburg Council To Join in Fight On Service Body

Roseburg, Dec. 8.—The Roseburg city council has agreed to refuse to pay a bill of \$1300, presented by the Douglas County Water & Light company as a result of the recent decision of the state public service commission authorizing charges for water furnished to the city. Under the franchise granted, the company had agreed to furnish water and light free.

Much indignation was expressed at the council meeting at the action of the public service commission and the city attorney was instructed to aid Klamath Falls in its effort to have the state body abolished. The council agreed to fight the case in court.
