Doing the Impossible!

Selling These Fine Colored Silk Umbrellas at \$5.00

Which Is Considerably Less Than They Would Be

had we bought them in the regular way, which we did not.

—This is the way it happened: A manufacturer was very anxious to close out this lot—not a very large one, just 300—and he was willing to sell the group at a price which did not begin to cover the cost of making. We took him up and here they are!

—300 beautiful Umbrellas with heavy taffeta silk covers in various solid colors, club ends, colored ribbed tips and handles with bakelite tops, white rings and colored cord loops.

—Here are some of the colors—navy, green, purple, taupe, brown and red.
