HOMESTEADS

HAVE JUST returned to Portland from my homestead in Northern Douglas county to tell people about the splendid opportunity to obtain very desirable and valuable timbered homesteads in my district. I have cruised timber from California to the Columbia past four years and know the country and where to go. Am locating every man whoe goes with me from experienced loggers and woodsmen to office men on these valuable O. & C. timber homesteads, on or hear good roads, 3 to 5 miles from railway town, in big body of timber, making it desirable for big mill or small portable outfits. Mills running now and new ones going in. Timber is going sky high. Remember the past in logged over states. Make your stake now while you can. Live on the place seven months each summer during fine weather and make good wages tapping the Douglas fir and shipping pitch to Portland refinery. Cash weekly. Big demand No experiment. Many making good. One man made \$19 per day for weeks. Work for yourself and geet deed from Uncle Sam to this valuable property. Inspect and file now before the spring rash. See me any afternoon or evening this week, or write for particulars. G. S. Ehle, 1471 Macadam road. Phone Mar. 2742. Take Fulton car, 2d and Morrison, to cor. Idaho and Virginia; 1 bik east.
