AUTOMOBILES AND ACCESSORIES 44 AUTOMOBILES AND ACCESSORIES 44 AUTOMOBILES AND ACCESSORIES 45 CAN WE DO MORE? Can we say more? If we said, each time we wrote an advertisement, nothing more than to repeat time after time that we are in the used car business only. so as to promote our new car sales.

If we are permitted again to remind you that we are conscientiously rebuilding and refinishing the used cars we sell; that we are doing this re-gardless of expense, profit or loss so as to give you such great value for your money that you will immediately appreciate the opportunity, buy quickly and advise your friends to buy. If we say but this, we will have said enough and if you get the message you will have gained in the knowledge of where to buy used cars. Our new car sales depend greatly upon our ability to quickly sell used cars. Because we are seiling used automobiles with a standard factory warranty, or are giving 10 days' free trial subject to their being returned and full credit being given on any other automobile.

During the last four years we have rebuilt

Be sure to see the remarkable values we are
