## CANCELLATION OF ORDERS IS AFFECTING WHEAT SLIGHT CHANGES IN PRICE AT NEW YORK OPENING

day morning trade, as mentioned in a their price 3 to 5c a pound. late issue Friday.

On February 10 butter advanced 2c to 47c, oriticized. It is either too high or too on February 14 it advanced 3c to 50c, on February 15 it advanced another 3c to 55c, and should be. For instance, the maximum Fibriary 19 still another see to 55c, and fibriary 19 still another advance of 8c carried the price to 56c a pound for best butter in parchment wrappers. This makes a total advance of 11c a pound within 10 days; one of the most spectacular rises the local market has shown for many a day. This advance, too, was made in the face of the previous serious depression all through the country.

There has been an actual shortage of top public market. quality butter in the local market for at leas a week. Not only has the demand for best but improved but even ordinary to off-grade is now finding favor with buyers,

EGG VALUES HOLDING STRONG Market for eggs is showing a strong tone here with no further price changes generally noted for the closing day of the week. Home day mand is now taking care of practically all of-

LOOKING FOR CHEESE ADVANCE Owing to the extreme scarcity of good choese at this time, the local trade in general is antici-pating a further advance in the price. The higher price of butterfat is likewise a big factor.

SEED POTATO DEMAND STARTING Slight demand is showing for seed potatoes from Willamette valley points and some business is passing with California although total volume s still restricted and generally at unfavorable

BANANA PRICE EXPECTED DOWN Further loss in the price of bananes is anticited here as a result of the arrival of stock for independent houses. Coming at a time when the chances of damage are greatest, the lowering of the price has caused considerable talk in the

HOP MARKET IN RULING QUIET While limited business is still reported passing, the market for hops is generally quiet. Talk of lower prices appears to come from quarters lower prices appears to come from BRIEF NOTES OF PRODUCE TRADE

Lotton market opened steady today at a net decline of 13 points to an advance of 5 points. Near months ruled relatively easy, affected by weakness in foreign exchange, liquidation by longs and selling against purchasers of the later positions.

Trading was only moderately active, with the list later fairly steady on week-end covering. There was much bearish comment on probabilities of further domestic mill curtailment and on a statement regarding southern conditions by the president of a South Carolina bank. Spot firms and southern wire concerns were sellers of old crop options.

Utton market opened steady today at a net decline of 13 points to an advance of 5 points. Near months ruled relatively easy, affected by weakness in foreign exchange, liquidation by longs and selling against purchasers of the later positions.

Trading was only moderately active, with the list later fairly steady on week-end covering. There was much bearish comment on probabilities of old crop options.

United The Course of 5 points. Near months ruled relatively easy, affected by weakness in foreign exchange, liquidation by longs and selling against purchasers of the later positions.

## NO SUPPLY STOCK HEAVY SALES IN IN THE ALLEYS

PORTLAND LIVESTOCK RUN
Hogs. Cattle. Calves. Sheep. Cars.
None ... 15 2 ... 1649 17 previous day.

Hogs continued nominally steady at the week-end at North Portland, although there was no supply available and prices were on an un-changed basis. General hog market range: Reactionary price conditions are shown generally in the wheat trade. Cancellation of foreign orders is the principal factor at the moment and this caused an easier opening for options in In the cattle alleys there was no new supply available for the week-end trade at North Port land and prices were considered on a nomina but steady basis.

ancellation principal factor at the market opening for options the Eastern trade.

There has been little activity in the trade recently, due to the peniatent bearish campaign being carried on by foreign interests, and especially Argentine, where the market sppears to be under absolute control of British interests.

Considering the lowness of the wheat price, the market for flour is likely to show another sharp decline; in fact a lower price has been in prospect for some time.

There appears to be little disposition at the recent appears to be under the recent appears to be under the Choice lecters 5.00 @ 5.50 Choice dairy calves 12.00 @ 13.00 Prime light calves 11.00 @ 12.00 Prime light calves 9.00 @ 10.00 Poor calves 6.00 @ 7.50 Sheep Remain Slow

While there were no new arrivals in the sheep alleys at North Portland Saturday, trade continues to indicate a very slow tone around the former price range.

### Roseburg Apples Grab Prize in London Show

Roseburg, Or., Feb. 19 .- Peter Sinciair, an apple grower of the Garden Valley section yesterday received notice that his Newtown apples shipped to London over a month ago won the world's prize at a fruit show held in London recently. Mr. Sinclair states that the apples shipped were not selected for exhibition purposes, but were of the regular market variety. He feels highly pleased over the unexpected award and plans to send an exhibit next year that will really open the eyes of those in "Lunnon town."

New York, Feb. 19 .- (L N. S.)-The stock market closed irregular today. Some issues showed increased weakness while others made moderate rallies. American Woolen was in large supply to 61, and Utah dropped to 51%, a net loss of 3%. Atlantic Gulf closed at There were no carload arrivals at 50%, a loss of over 4 points. United North Portland for the week-end and all States Steel held around 83%, while prices were continued over from the Crucible rallied from 93 to 9414. Reading recovered from 75% to 76%. American Sumatra, after falling to 85%, rose to 87, and Mexican Petroleum recovered from 157 to 158%.

Government bonds, unchanged; railway and other bonds steady. Total sales stocks today, 359,100 shares; bonds, \$5,427,000. Total sales stocks for the week, 3,391, 400 shares; bonds, \$63,276,000. New York, Feb. 19 .- (U. P.)-Heavy

sales in Atlantic Gulf, both common and preferred, and in Mexican Petroleum and Central Leather, continued through the first hour of today's short session on the stock market.

# STOCK MARKET FARM CONDITION OF TOPICS OF THE PETTED IN CO.

Central Leather year ended December 31, 1920, shows operating loss after charges and taxes of \$23,428,214 against surplus of \$14,288,481 or \$30.11 a share on common stock in 1919. Weekly trade reviews report little last week and not as good as a year ago. four months ago.

Duns reports 462 failures in United States this week against 364 last week and 124 last year.

### Securities Continue On Upward Trend

Securities have been creeping higher since the advent of the new year. It is spoke at the sale and stated that the important to remember that the United condition of dairy cows here is much States has become a nation of investors better than several months ago. as a result of the great war loan campaigns. No one can approximate the loss sustained by the people as a result of readjustment and deflation, but French of Vancouver, ex-state senator. it is safe to assume that the stupen-dous new wealth created by the war ture for the state of Washington by Govthe stock market.

Atlantic Gulf preferred made a new record low of 37 ½ and common got below 50. Traders continued to predict a dividend cut in this stock. Marking off early an eighth at a time, got down to 156 ½, a loss of 3¾. Traders expect the Harding administration to take a firm stand in regard to Mexicon and believe that country will be dependent upon the United States for financial aid. On the statement of poor earnings, Central Leather common was off ½ at 26 ½, and the preferred lost 1 at 84.

Eventibled by Corrected by the war and distributed broadcast has not been a dividend cut in this stock. Traders expect the Harding administration to take a firm stand in regard to Mexicon Period in normal times. There has been a large volume of investment buying of securifies. With the banking situation growing stronger, credits showing continued relaxation and money rates casing, income-bearing securities.

The fest of the list was comparatively firm, will be comparatively firm, will very little trading.

The fest of the list was comparatively firm, will continue to advance.

It is safe to assume that the stupendous new wealth created by the war and between ture for the state of Washington by Governor Louis F. Hart.
