FIGURES show that most cars driven but 10,000 miles during a two-year period may be bought at a discount of approximately 33 1 3 per cent, while but 4 per cent of their possible mileage life has been used. Will it not pay you, then, to take advantage

AUTOMOBILES-FOR SALE 800

of the tremendous depreciation willingly taken by the fastidious buyer when he trades his used car in on the purchase of a new one. Virtually thousands of miles of used riving still remain at your service at the

The first depreciation is much greater than that of later years, and there is so much intrinsic value still left in the car that this question promptly presents itself: Can I afford to buy anything but a used car?

Our rebuilt and refinished used cars present he highest possible value and inspire that ecessary comfortable confidence in the firm DODGE BROTHERS MOTOR CARS
