CRESTON NEIGHBORS CLEAR PARK SITE

CRESTON CITIZENS CLEAN UP TRACT

More than 200 men and boys of the Creston district celebrated Washington's birthday by waging a clean-up campaign in the five-acre tract adjoining the Creston school that has recently been leased to the city for one year to be used as a park.

The addition of the tract to the one now owned by the city makes a park of 1 1/2 acres located west of the Creston school on the Powell Valley road.

Members of the Creston Community club organized the clean-up campaign after it was found there were no funds in the city treasury for the purpose. The assistance of the upper grade boys in the school was sought and as they had a holiday Tuesday it was decided to do the work then.

Beginning at 8 o'clock in the morning all the refuse thrown into the park was removed and the clearing of the undergrowth and stumps undertaken. At 5 in the evening, when the work stopped, the shrubbery had been grubbed out and burned.

Dinner at noon was served by the Parent-Teacher association of the Creston school in the school building.

C. E. Carlton, president of the Community club, stated that the work had been done to show the city officials that Creston was in earnest and wanted the city to either lease the additional five acres indefinitely or purchase it.

Officers of the club are: C. E. Carlton, president; Dr. E. C. Joss, vice-president, and Mrs. Edward Pugh, secretary-treasurer.

OSWEGO HOPES FOR PAVEMENT SOON

Break in the incessant rainy weather of the past several months and the establishment of a large camp by the Scandia Shipbuilding company on the banks of Sucker creek, have inspired Oswego people with renewed faith that the work of paving the Pacific highway will begin in the next few weeks. The contract for the section between the Multnomah county line and Oswego called for completion last December lands and a careful guardianship 1, but inclement weather has precluded any hard surfacing. It is presumed that as soon as the ground becomes dry enough laying of cement will be started.

The birthday of David Nelson was the occasion of a happy family gathering at his home Thursday. The 71-year-old Mr. Nelson enjoyed with his wife and children a surprise dinner, and delightful evening. Those who came to do honor to Mr. Nelson were Mr. and Mrs. E. C. Coy, Mr. and Mrs. J. V. Centers, Mr. and Mrs. G. V. Nelson, Mr. and Mrs. Ernest Nelson, Miss Nellie Letcher and David Nelson Jr., Mrs. Don Brumby and her sister, Juanita. Mr. Nelson has been a prominent citizen of Oswego for many years and is well known to hundreds of Portland people whom he meets every summer at his boathouse on the lake.

A jolly party of young folks met at the home of Mr. and Mrs. Joseph W. Bickner in Fourth street Sunday afternoon and evening to celebrate the joint birthday of Albert Rosentree, Don Richards and Peter Swartz. A table fit for the kings and with three "kings" as inspiration, the wives and mothers vied with each other in their attempt to fill the inner man. From reports, the table "groaned" under the weight of the feast.

In addition to the boys fortunate enough to have been born, those who enjoyed a splendid time were Mr. and Mrs. Robert Fulton, Mrs. Swartz, Mrs. Rosentree, Mrs. E. A. Robinson of Montreal, Canada; E. G. Zeller, Edward Dreyer and the host and hostess.

Mr. and Mrs. Theodore Tinker and Mrs. Tinker's mother, Mrs. George Schneller, have been the motif for several delightful parties and dinners given during the past week. Mrs. Schneller and her daughter and son-in-law, leave soon for Los Angeles, where they will make their home. Tuesday evening a surprise was tendered them by friends and coworkers in the Congregational church of which Mrs. Tinker has been an ardent worker. The evening was spent in music, games and visiting. After a delicious lunch had been served, R. L. Edwards, superintendent of the Sunday school, on behalf of those present, gave

Mrs. Tinker a beautiful balliavere as a token of the high esteem in which she is held.

C. Good and son, Gerald, Mrs. Jack Riley, Mrs. Allen Ringer, Mrs. Anna Russell, Mrs. J. Bruce, Mrs. Thomas Mayer, Miss Ethel Thompson, the Misses Battersby, Mr. Edwards and William Kincaid.

Mr. and Mrs. J. L. Riley had Mrs. Schneller and Mr. and Mrs. Tinker for dinner Wednesday evening. M. Hill, Mrs. J. Moross, Mrs. W. D. Primm, Mr. and Mrs. Edward Bourgeois, and Mrs. J. Arch Lewis, happily surprised them. Every one wishes them well, but they will be greatly missed in Oswego.

The Legion meeting Wednesday at the school house decided to give a series of social affairs at the new Masonic hall. The affairs of the Presbyterian church are progressing satisfactorily. Rev. D. S. Sharp has expectations of securing subscriptions and loans sufficient to construct a substantial church in the center of the community with an up-to-date parsonage attached. Ground for the church will be broken early in March.

Fred Carson has sold his new home north of the Multnomah Station garage and will probably build in the vicinity.

C. F. Heffenden has sold his home to A. E. Hanks, formerly proprietor of the Millwaikie hotel. Heffenden will build in Multnomah station. He had a visit from the store on Thursday of last week, and the family is now the richer by the possession of Alfred Marion Heffenden. Mrs. George C. England presented twins to her husband last week. He is standing the shock manfully.

COMMUNITY CLUB ELECTS OFFICERS

At a meeting called by the Commercial club of Multnomah station Thursday night at the Masonic hall, officers were elected as follows: Tom B. Window, president; O. F. Swenson, first vice president; Earl R. Shrader, second vice president; V. H. Powell, secretary; Mrs. Viola E. Kemp, treasurer.

The next meeting of the organization will be held Wednesday, March 3. The officers constitute an executive committee to decide upon a name, which will probably be the Multnomah Station Community club.
