

Portland and Milwaukie Commissions Arranging Cards: Beavers to Workout Thursday

Milwaukie Main Event Announced

DAVE SHADE of San Francisco and Frankie Murphy have been signed to top the March 17 card at the Milwaukie arena, according to an announcement made Wednesday morning by Matchmaker Frank Kendall. Shade at present is in Tacoma and he is expected to arrive here within the next day or two, ready to go the 10 rounds if necessary.

The eight-round semi-windup has not been completed as yet but Freddie Anderson, the Vancouver lightweight, is assured of a place. His opponent will be either Muff Bronson or Roy Sutherland, according to the absence of Bobby Evans. The next Portland smelter will find Jimmy Duffy opposing Earl France of Los Angeles in the 10-round main event. Both boys have agreed to articles of agreement. A weight forfeit has been posted and each boy will have to make 138 pounds at 3 o'clock on the afternoon of the contest.

Just where the card will be staged has not been settled as two or three dates are in prospect. Should March 22 be accepted the best will take place in the Armory, otherwise the Helix theatre will be used on the following night. The date of March 18 has been abandoned.

FRANCE-DUFFY SIGNED

Walter B. Honeyman, secretary of the Portland Boxing commission, will be the official match maker for the local commission during the absence of Bobby Evans. The next Portland smelter will find Jimmy Duffy opposing Earl France of Los Angeles in the 10-round main event. Both boys have agreed to articles of agreement. A weight forfeit has been posted and each boy will have to make 138 pounds at 3 o'clock on the afternoon of the contest.

FRANCE IN MONTANA

Earl France, who has been signed up by the Portland commission for his next show, left Portland with his manager, Billy Rose, for Missoula, Mont., where he is scheduled to battle Al Ryan on March 15.

DUFFY WORKING OUT

Jimmy Duffy is working out daily and Manager Willie Bernstein reports that his lightweight is ready to take on all-comers. He says that Duffy can make 135-pounds, despite the contrary rumors, and Bernstein adds that Duffy is the best lightweight ever turned out of the Pacific coast.

BASKETBALL

The Holladay Midlets trimmed the Vernon Juniors, 23 to 5, in the Holladay gymnasium last, Monday night. Jasmann and Monte were the stars for the winners, while Williams and Howell featured for the Juniors. Manager Ed Jasmann is claiming the 110-pound independent championship of Portland. The Holladay Midlets were trimmed by the Jewish Boys' Athletic club hoopers, and since then they have asked for a return contest. To reach Jasmann, telephone East 2845.

Ridgefield, Wash., March 9.—The Lincoln high quintet of Ridgefield held the Ridgefield high representatives to the lowest score of the 1920-21 campaign. The locals won, 23 to 13, and ended the season. The contest was not very fast, due to the fact that both aggregations seemed worn out. Twelve wins and one defeat is the record made by Ridgefield this year, and the locals are claiming the Clarke county title inasmuch as every effort to secure a match with Vancouver, Wash., has met with a refusal.

Centralia, Wash., March 9.—V. A. Bacher, secretary of the Southwest Washington Interscholastic league is having a difficult time trying to find a place to play off a three-cornered tie, Chehalis, Hoquiam and Montesano are tied for the 1920-21 championship, and a neutral basketball court must be obtained before the final clashes can be staged. The Lincoln High of Tacoma may be the scene of the battles, but word will have to be received from all three schools interested in the race before a settlement is made. The annual state interscholastic tournament is set for Walla Walla, under the auspices of Whitman college, March 17, 18, and 19, and the winner of the present, three-cornered deadlock no doubt will take in the affair.

The Linger-Longer basketball team will play the Tuslatin American Legion representatives in the Ockley Green school tonight. Manager C. W. Nelson has had his L. L.'s working hard for the occasion.

Heppner, Or., March 9.—Heppner high school hoop squad completed the 1920-21 season without a defeat, the final game resulting in a 38 to 12 victory over Stanfield high. The Stanfield girls lost to the Lexington co-eds by a count of 6 to 16 here Saturday night.

Newberg, Or., March 9.—The Newberg American Legion contingent has two games listed for this week. Thursday night the Multnomah Guards of Portland will come here and on Saturday night the local ex-servicemen will journey to Tillamook, Or., to tangle with the Wilson River Athletic club.

Philomath, March 9.—The Philomath college basketball team defeated the Monroe high school team in a slow, featureless game here Thursday evening. The score was 43 to 12. The Philomath high school team defeated the Alpine high school team Friday night in a one sided game, the score being 41 to 11. The Philomath high second team also defeated the Alpine second team. Saturday night the Newport high school team played the Philomath high school on the college floor, Philomath winning, 30 to 12. Newport is the only team that has won from the Philomath team, the score at that place being 9 to 8.

TRAINING FOR TRACK AND FIELD

(Note—William Hayward, veteran trainer of University of Oregon athletes, has written a series of 11 articles on training for various track and field events. These articles will appear in The Journal from time to time.)

By W. L. Hayward (University of Oregon Coach)

No. 5. The 440-Yard Run.

OF ALL the track events this race is considered to be the hardest if run properly. It combines both speed and endurance, and is one that should not be run except by men in good physical condition. There are two types of runners for this distance—the sprinter and plunger. Of the two, the first is generally the better, providing he has the endurance to carry him through the 440 yards. The other is usually a half miler who has a good unform speed and is able to plug it through all the way. Better adapted to this race is the tall rangy runner who has an easy swinging stride.

START LIKE SPRINTERS

Every 440-yard man should start like the sprinter and learn to get his stride quickly. The ability to start is just as important in this race as in the sprints. As most quarter mile races are run on a circular track and the start is generally from 30 to 40 yards from the first curve, the quickest starter has the best chance to get the pole on entering the turn, and this is something that must not be overlooked.

During the early training the runner should do considerable jogging at distances greater than the 440, usually one-half or three-quarter miles will be sufficient. The object of the greater distance is to gain for the runner the endurance which is necessary to finish grueling races. After the legs and wind are in fairly good condition, the runner should do a little speed work with the sprinters, going 50 or 60 yards with an occasional burst of 200 yards at three-quarter speed.

MUST BE JUDGE OF PACE

As the athlete gets stronger and feels that he can go further without injury, the sprint may be lengthened out to 300 yards. When a runner feels that he is strong enough he may pay more attention to sprinting, but should never lose sight of endurance. This must be his chief aim. From this time on he should work for speed, which will be the deciding factor in his races. Unless running the athlete should not go more than 375 yards at top speed. As a rule it is not wise to run more than one trial a week, and that should be a race. To be successful the runner must be a good judge of pace, and run his own race regardless of the others. The greatest mistake a quarter-miler can make is to run the first 300 yards too fast and finish in distress. Learn to know your endurance and your pace.

P. S. T. V. Program To Have Sixteen Entries Completed

Sixteen numbers are on the program for the thirteenth annual gymnastic exhibition of the Portland Social Turnverein billed for The Auditorium next Saturday night. Professor Richard Genserowski, director of physical education at the institution, is in charge of arrangements, and he says the coming affair is going to be better than ever.

Every gymnasium class will take part in the exhibition, which is scheduled to start at 8 o'clock. A dancing act, "Romeo and Juliet" will be one of the feature attractions. Following is the complete program:

P. N. A. Hoop Tourney Begins Thursday

Seattle, Wash., March 9.—The first annual Pacific Northwest association basketball tournament will be started here tomorrow afternoon, and entries from all parts of the Northwest have been received by M. D. Wells of the Seattle Y. M. C. A., under whose auspices the contests will be staged. The University of Washington has been forced to withdraw from the tourney, inasmuch as its collegians were subjected to a hard schedule during 1920-21 and that further play is an impossibility.

Seattle, March 9.—(U. P.)—"Red" Baldwin, Seattle catcher, has been traded for Curley Brown, Los Angeles pitcher, according to an announcement made at the local headquarters today.

Canada Not Likely to Stage Bout

By Jack Velock.

NEW YORK, March 9.—(I. N. S.)—Montreal faded out of the picture today as a site for the Dempsey-Carpentier fight.

After two days of confabbing with C. E. Graham and his associates from the Canadian city, Tex Rickard announced that he is not ready to give the Dominion promoters an answer. He set March 15 as the date on which he will let Graham know definitely regarding his proposition.

Despite Rickard's apparent interest in the Canadian offer, however, it was learned that Montreal has about one chance in 500 of landing the match.

Rickard has his heart set on staging the battle in the metropolitan district. And it is practically certain now that this is exactly what he will do.

"I cannot make anything like a definite announcement regarding the Canadian offer or any other plans as yet," said Rickard today, "but I hope to name the site of the battle by March 15."

Rickard intimated that if plans he has in mind do not miscarry he will have some highly interesting announcements to make with regard to the staging of the battle. He hinted also that "features" he has in mind have nothing to do with the site.

Just as soon as the site is named Rickard will set about preparing the arena.

"I intend starting out to build an arena which will seat some 60,000," he said.

Boxing W. E. Pearson to Head P. N. G. A. Committee

Walter E. Pearson, chairman; C. Harry Davis Jr., vice chairman, and A. S. Kerry have been appointed members of the tournament committee which will be in charge of the annual Pacific Northwest Golf association championships under the auspices of the Waverley Country club during the week of June 20. President Wirt Minor announced the chairman of the sub-committees at a meeting of the board of directors held at the Arlington club Tuesday. Another session will be held Saturday night at the Waverley Country club and at that time final selections of committees will be made.

The committee chairman, as outlined at present, are: George F. Nevins, ways and means; A. H. Berry, greens; A. S. Kerry, caddy; George McPherson, house; Dr. Otis B. Wight, competitions, and Mrs. William MacMaster, ladies.

Richie Mitchell Has One More Chance to Get Back

Milwaukee, March 9.—(I. N. S.)—Some fervid fighting is expected tonight when Rocky Kansas, the sawed-off Buffalo slugger and Richie Mitchell, the pride of Milwaukee, enter the ring for a scheduled 10-round visit. A lot of fur is sure to fly before the party breaks up.

Kansas, who draped a knockout punch on Mitchell's chin in the first round of their recent engagement in Buffalo, is out to make it two in a row. He scoffs at the innuendoes sent forth by Mitchell's admirers that the Buffalo affair was one of those "lucky punch" things. He declares he will prove tonight that he is "bad news" for Mitchell any time he meets him.

LAST CHANCE

Mitchell will be fighting to maintain a toe hold upon the upper rounds of the lightweight ladder. If Kansas should again punch Ritchie to sleep it would just about relegate the Milwaukee aspirant to the second division.

A chance to mingle with Benny Leonard will be an added incentive for Kansas. Tex Rickard has told the Buffalo scrapper he must account for Mitchell again before he can joust with the champion in Madison Square Garden around March 17.

Milwaukee fans are evidencing their faith in Mitchell by offering odds of 3 to 1 that he will stay the full 10 rounds. Some optimistic Mitchell men are offering even money that he will win.

Salem to See High School Hoop Squads

WILLAMETTE UNIVERSITY, Salem, March 9.—(Special)—With the arrival of the Ashland high quintet this morning, the gathering of the sectional champions from all parts of the state for the state interscholastic championship basketball tournament to be held here this week-end, has begun. Twelve teams will meet here under the auspices of Willamette university to compete for the state title, all of which are definitely decided except the representative of the lower Columbia district, which will be decided by the game between Seaside and Astoria.

The teams chosen from the various parts of the state, because of their records, are as follows: Franklin high, Portland; Baker, Eastern Oregon; Heppner, upper Columbia district; Ashland, Southern Oregon; Bend, Central Oregon; Marshfield, Western Oregon; McMinnville, west Astoria; Eugene, southern Willamette valley; Salem, Woodburn, and Molana, middle Willamette valley.

TO BE ENTERTAINED

The visiting athletes will be entertained by the students of the university, the entertainment being in charge of Robbin Fisher, a senior of Salem. All teams will be on the ground by Thursday noon, at which time the coaches will meet with Coach R. L. Mathews for the drawing of places. The first games will be played Thursday afternoon. A reception will be held in honor of the basketball men at the close of Friday evening's games by the associated student body.

Each team is limited to seven players, according to the rules of the tournament, and railroad fare one way and entertainment are guaranteed by the university. All proceeds from the games, above expenses, will be divided pro rata among the teams. Ralph O. Coleman of O. A. C. will officiate throughout the tournament.

Beavers Are On Hand at Santa Maria

By George Beriz.

SANTA MARIA, Cal., March 9.—The advance guard of the Portland baseball club reached here this morning and they were greeted by Payton and B. W. Goforth, the Everett infielders, who came south last Sunday.

The nine athletes who came to Sunny California via the boat from Portland report they had a fine trip on the steamer and although all are anxious to jump into their baseball togs, it is not likely that the first workout of the 1921 spring training season will be staged until tomorrow.

Manager Walt McCredie is due here from Los Angeles any time now. The Portland squad already here comprises Del Baker and Gus Fisher, catchers; Polson, Rudy Kallio, Herman Pilette, Sylvester Johnson and Tait, pitchers; Goforth, Payton, Genin, Wilson, Bourg and Fredericks, Klugdon, Nofziger, King, Young and Malisee are expected to accompany Manager McCredie from the Angel city.

Harold Polson, one of last year's regular twirlers, joined the party just before sailing time in Portland. He looks to be in great condition already and is ready to start immediately.

Gullemot Must Return

New York, March 9.—(I. N. S.)—Joseph Gullemot, the French distance runner, has been recalled to France as a result of the invasion of Germany by allied troops, it became known today. Gullemot is a corporal in the French army. He will sail March 17.

Hot Springs, Ark., March 9.—(U. P.)—Hiking and roadwork may become the routine schedule of the Boston Red Sox if the rainy weather keeps up. Manager Duffy was unable to give his flock a drill yesterday, owing to the inclement weather.
