Bunts, Properly Placed, Bring Beaver Victory: Trophies Are Awarded to Jefferson High

SANTA MARIA, Cal., March 21.—Rudy Kallio's pitching, Jim Poole's batting and a couple of sensational catches by Cox and Genin featured the 2 to 2 victory of the Portland Beavers in the final game of the series with the Colored Glants here yesterday. Rogan, the star of the Giants, opposed the Mackmen. The Beavers played a high class brand of baseball and looked like a real club in the game. The fielding was faultiess as far as misplays were concerned, but there were a couple of slip-ups in judgment.

The Giants played their hardest against the Beavers but the three run lead garnered in the second inning was too much for them to overcome.

Rocco (Mike) Tozze will be the cynosure for fistic "eyes here tonight when he unlimbers two batteries of padded artillery in his quest for fame and fortune.

Tozze is none other than Rocky Kansas and his bid for the smiles of Dame Fortune will be contested by Willie Jackson in a bout that promises no end of action. Portland scored its three runs in the third base line and Poole rolled along the first base line. King hit one too hot for Rogan to handle and filled the sacks. Paton's drive over second base scored Cox and Poole, and King scored on a force out at third, after Kingdon fanned with the bases clogged. Butler flied to Rogan for the third out. GIANTS ON TOES

Portland had several other chances to score, but the Giants were on their toes and prevented tallies. The Giants will tour the Northwest following their game here, Manager McCre-die is much elated over the showing made by his players in the contest. It appears as though the Beavers are to get a game with the Chicago Cubs here next Sunday.
