Two Bills of Interest to Women

By Vella Wisner. CLUB women throughout the state are intensely interested in at least two measures that are to be voted on at the June election...

The Oregon Federation of Women's Clubs is taking the lead in promoting the cause of these two bills...

"Since the first gives women the privilege of serving on juries and at the same time protects them from compulsory duty, it is exceedingly fair and merits the support of the women of Oregon."

The second, senate bill No. 217, provides for a mental and physical examination of both men and women before marriage...

The young people from various churches will prepare a program for the weekly vesper services at the Young Women's Christian Association...

The diocesan branch of the woman's auxiliary of the Episcopal church held meetings every Tuesday during Lent...

Stirring Program Given by Band and Chorus

A ROUSING program of music was given at the Auditorium Wednesday night when Campbell's American concert band and the Orpheus Male chorus, Inc. appeared for the benefit of the Labor Temple association's building fund...

The attendance was about 2000, but many more tickets had been sold, so that it is expected the proceeds will prove up to all expectations.

With the band appeared three soloists, Miss Ruth Gillespie, soprano, of Seattle, who sang in pretty voice and with much dash the sparkling Arditri waltz song, "Il Baccio"...

The band numbers included a spirited march, "At the Shrine of the Rose," by Francis Richter, blind composer of Portland; the Overture to "Tannhauser"...

The Orpheus Male chorus, William Mansell Wilder, conductor, sang two groups, with fine effect, and also had to respond with extra numbers.

The concert closed in a grand climax with "The Star Spangled Banner" given by the soloist, chorus and band.

Charles W. Clark Pleases With Songs Of Religious Spirit

Charles W. Clark, baritone of international note, was a popular singer with the small but appreciative audience at the Hellig theatre Wednesday night...

Mr. Clark's selection of music varied from that of the majority of musical artists in that every number on his program was a religious piece or carried a moral lesson...

Mr. Clark was artistically accompanied by Lillian Jeffreys Petri, Portland pianist and accompanist. Mrs. Petri's instrumental numbers were also a source of delight to the audience.

These fine granules soak the dirt out of your clothes

YOU don't need to rub and scrub for hours over a washboard to get the bad spots out of the clothes. You don't need to boil all the white things to get rid of that dingy gray look.

Next Monday just soak the clothes clean. Soak them overnight with Rinso, the new form of soap—in fine granules. These granules are so high in cleansing value that they loosen the dirt without any hard rubbing, without boiling.

The ingredients of Rinso are of finer quality than were ever used before in a soap product for the family washing. There is nothing harsh to hurt the clothes, there is no solid soap to stick to them.

In these pure suds they soak as safely as in water alone, for Rinso is so harmless it doesn't even redder your hands.

Rinso softens hard water. For hard water make an increased amount of the Rinso solution and continue adding it to your tub of cold water until you have a good rich suds.

Start using Rinso this next washday. Use it for the very dirty things that you have always had to rub hard. You will find it as remarkable for the regular weekly washing as Lux is for all fine fabrics.

Get Rinso from your grocer or any department store. One package is enough for your week's washing. Lever Bros. Co., Cambridge, Mass.

Rinso is not a "washing powder"
The fine granules of Rinso look much like a "washing powder" but make this test. Use a heaping teaspoonful to a glass of boiling water.

"WASHING POWDER"—high in harsh chemicals—low in soap—it pours out
RINSO—absolutely harmless—so rich in soap—it "jells"
