At Lowest Price Sale of heavy supplies of wheat to Central and South America as well as to the Orient are reported. The sale of approximately 100,000 bushels of wheat to Mitsul & Co., the big Japanese firm, is reported in the trade. Reports indicate that

the Mitsul organization is not only purchasing wheat for Japanese millers, but for the west coast of South America. The Japanese purchases are said to be the first since the war started. Purchases are made because the United States is by far the lowest wheat market in the
