

Pitching Handicaps Beavers, Says Boss Mac.: Relay Carnival for Scholastic Track Squads

Small Hope Of Help From Chicago Cubs

By George Berz
HOPES of the Portland club being strengthened by the Chicago Nationals seemed fruitless, according to a statement made by Walter McCredie, manager of the Portland, upon his return home today.

"I received a telegram," said McCredie, "from Chicago several days ago at Sacramento, in which the Cub leaders stated they would let me know in a few days what players they would turn over to me. Since then I have heard that they are going to make a cash payment for Mabel.

PLAYING GOOD BALL.

"The cash would be all right, if I could go out and purchase some players who would strengthen my club, but I don't know where to go to get them. Players who will strengthen my club are scarce. I have not heard anything from Navin recently, but chances are that he will come through with some help before long.

"My club has played good ball since the opening of the season, but everything seems to go against the club. My pitching has not been the best. That seems to be the whole trouble with the squad. The rest of the team is playing bang-up baseball.

"I would have been well fixed if the Cubs had lived up to their agreement."

The transfer of Walter McCredie to the New York Yankees by Joplin did not surprise Manager McCredie.

HIT WELL AT SACRAMENTO

The batting average of the Beavers in the series against Sacramento last week was .275. Dick Cox led the regulars with a mark of .427, banging out 14 points in 32 trips to the plate. Guy Fisher hit .454 in four games, getting five hits in 11 at-bats. Ike Wolf continued his great hitting, getting 10 singles in 23 times up for an average of .357.

The marks made by the other players follow:

Ab.	Hits.	Ave.
Genie	28	.214
Krus	29	.137
Poole	23	.267
Baker	13	.290
Young	22	.273
Bealer	28	.179
Faton	4	.125
Kallo	5	.200
Polson	6	.333
Ross	3	.333
Pilette	2	.500

The Sacramento club banged out 78 hits in 235 times up for a mark of .332.

BATTING ORDER SHIFTED

Manager McCredie has shifted his batting order for the Beavers. Genie will lead off and Krus, who has been batting in the third hole, has been shifted to second in place of Wolfier, who has been clipping off singles quite regularly. Cox will continue in the clean-up role following Wolfier. Poole, the new first-sacker, will hit fifth, followed by the catchers, Butler and Young.

Kingdon May Go to Tigers

Wes Kingdon, shortstop of the Beavers, who was turned over to the Joplin club with a bundle of money, will lead off and Krus, who has been batting in the third hole, has been shifted to second in place of Wolfier, who has been clipping off singles quite regularly. Cox will continue in the clean-up role following Wolfier. Poole, the new first-sacker, will hit fifth, followed by the catchers, Butler and Young.

Bill Essick tried to land the services of Kingdon all winter, but what he offered the Portland leader was not satisfactory. Essick needs a couple of infielders and it is likely that Kingdon will be placed at second base for the time being.

The Tigers have secured Jack Clifford, pitcher, from the Yankees under an optional agreement plan.

French Runners Ask For Wine With Meals

Philadelphia, April 19.—(U. P.)—Native Americans aren't the only ones complaining of the Volstead act.

Manager Rene de Leliva of the French track team here to compete in the Pennsylvania relays April 29 and 30, today declared his men are already "off form" because they cannot get wine to drink with their meals as they have been accustomed to.

"Ah, this water," explained De Leliva. "My men do not like it with their meals. They never drink water. I am going to Washington today to see if Ambassador Jusserand cannot help us." He said his men do not drink strong liquor but like light wines with their meals. "Thin, watery, 'vin rouge' will do, he said.

Jersey City Is Awarded Title Boxing Contest

New York, April 19.—(U. P.)—Jersey City gets the Dempsey-Carpentier fight, scheduled for July 2. Promoter Tex Rickard made this announcement at noon today. Rickard is considering three sites in Jersey city for the building of an arena and will pick out a definite "spot" later.

In announcing his decision to give the fight to Jersey City, Rickard said: "Jersey City is admirably located, close to New York and easily reached from all parts of the metropolitan district. Police arrangements there, too, will be fine, and I am confident that the handling of the crowd will be more efficient there because of the advantages of the location."

BASEBALL NOTES

PRESIDENT WILLIAM R. SMYTH has called a meeting of the Interstate Baseball association to take place tonight in the council chambers of the city hall. The gathering will be called to order at 7:45 o'clock and managers of baseball teams are invited to attend.

Two games were played Monday in section 7, class A, of the Portland Grammar School baseball league and the outcome of each was a surprise. Alinsworth defeated Couch, 4 to 6, while Chapman scored a 7 to 6 win over Davis.

Franklin high registered a no-hit, no-run game against the Hill Military academy. The Beavers won 8 to 0. It was a section 3, class A, game of the Portland Grammar School Baseball league. "Cackles" Delnes of Elliot struck out 17 opponents in the seven innings. Bob Slater was the catcher for the winners.

Centerville, Wash., April 19.—Golden-dale high school was defeated, 12 to 10, here by the Centerville high ball tossers, Thursday. With the score at 9 to 10, Golden-dale came through with two markers in the eighth.

The American Can company heaves walloped the Woodlawn baseball team, 11 to 6. A triple with the bases full helped in winning the game, and double plays were frequent on both sides. For games with the winners call Clow at Broadway 798.

Prairie City, Or., April 19.—The local high school athletes won a doubleheader from the Baker high aggregation by the scores of 24 to 8, and 7 to 4. Julian Rice and M. Waldon formed the winning battery Friday, while Milburn Knight and M. Waldon worked the following afternoon.

Vancouver, Wash., April 19.—The Vancouver high school baseball team scored their fourth victory Monday afternoon, when Jefferson high of Portland was defeated, 9 to 4, in the Portland field. Vancouver has not lost a game this season.

California to Race Princeton U. Crew

Berkeley, Cal., April 19.—A telegram confirming preliminary arrangements for a boat race between the University of California and Princeton university on June 4 at Princeton was received from the eastern university today by Luther Nichols, graduate manager of California.

The telegram, which was signed by Arnold Wood, crew manager, said that the California party would be the guests of the Princeton Athletic association from May 23 to June 8.

Youngsters Win Spurs in Big League

By Jack Velock
NEW YORK, April 19.—(U. P.)—The number of new players holding down regular infield positions in the major leagues today is unusually large.

Every spring the managers make scores of youngsters to Dixie in the hope of uncovering a Wagner, a Hornsby or a Collins. Manager Eiders thinks he is going to succeed in winning regular major tickets as has been the case this year.

RAPP IS A STAR

One of the most promising of the newcomers is Goldie Rapp, the St. Paul first baseman. Rapp has been playing in the majors since he was 17 years old. He is going to be a star.

Manager "Mooney" Gibson has another young infielder in Jimmy Tierney at second base. The fielding of both Barnhart and Tierney is up to snuff, and both have been stinging the ball in a promising way.

Philadelphia fans are watching the efforts of Frank Brazill, now first basing for the Athletics, and Frankie Parkinson, rookie shortstopper of the Pirates. Brazill was with St. Paul and Atlanta last season, and Manager Bill Donovan found "Parkie" on the sand lots.

Billy Gleason, playing second for the St. Louis Browns, is another youngster who has apparently come up to stay. Gleason came from Chattanooga.

SHIELLY IN STRONG

George Torrence, the spectacular second sacker of the St. Louis Cardinals, graduated from the New York Sox last year. Earl Shelly of the White Sox got his finishing touches in the art of playing first base at St. Louis. He is going to be another Frank Chance in due time.

The Cincinnati Reds have two newcomers doing regular infield duty. They are Sam Bohne, playing third base, and Fonseca, second baseman, both from the Pacific coast. And both are making good with a vim.

Alexa Stirling Wins Much Praise From British Experts

By William Malliher
 London, April 19.—(U. P.)—No invading golfer has won over English courses has won the unstinted praise that is being showered on Miss Alexa Stirling, Auburn-haired, brown-eyed Atlanta, Ga., girl, who is in England for the British women's golf championship.

Newspapers today are filled with photographs of the American woman champion.

The Daily News says: "Miss Stirling is undoubtedly the most accomplished golfer who ever crossed the Atlantic from America. She has demonstrated clearly that she has unusual skill."

"She appears to have every shot at her command, and will be hard to defeat," says the Express.

The Daily Mail characterizes Miss Stirling as a "very fine player," and the Morning Post declares she is "a most finished golfer."

Today Miss Stirling was scheduled to play in the ladies' annual open tournament at Knealeigh.

MISS STERLING LEADS RIVAL IN GOLD MEDAL EVENT

London, April 19.—(U. P.)—Miss Alexa Stirling, American woman golf champion, led Miss Graham, her opponent in the annual women's golf tournament at Knealeigh today, by 5 strokes for the first nine holes. Miss Stirling turned in a card of 35 and Miss Graham a card of 40.

The American player showed the greatest of care and steadiness in making her shots. Her playing was remarkable, considering the course is strange to her.

Miss Leitch turned in a card of 72, considered very good for the Knealeigh course. The play in the open tournament is the gold medal event.

Miss Stirling, with a card of 37 for the second nine holes, tied Miss Leitch's fine card of 72 for the course. Miss Graham, with whom she went around, finished with another 40 for a total of 80.

TRAPSHOOTING

The longest straight run so far during 1921 at the Evenden park traps is held by O. N. Ford. He broke 141 without a miss.

Another registered shoot is billed for next Sunday morning at the Portland Gun club grounds and several trophies will be divided in the contest. Entries give the novice an equal chance with the experts to win one of the prizes. A special doubles contest will be staged.

More than 100 scattergun artists are expected to take in the annual Northwest shoot scheduled for Monday at the Gun club enclosure May 6, 7, 8 and 9. Manager O. N. Ford has received many inquiries in regard to the tournament.

Following are the scores made at the practice shoot Sunday: J. B. Troeh, 47; A. A. Hoover, 47; A. L. Zachrisson, 46; B. B. Noland, 45; S. Crane, 42; Frank Kibbe, 41; George Kibbe, 41; B. Smith, 39. Each shot at 50 targets.

Centralla, Wash., April 19.—Centralla's Gun club opened the season with the first regular shoot Sunday afternoon. William Mize was high man, breaking 45 out of a possible 50. Other scores made are: Titus 40, Cooper 39, Beebe 32, Edwards 28, Day 14. In the 25-bird event Jankke broke 9 and Williams 11.

Lexington Beats Condon

WHO'LL WIN?

BY DOUG FAIRBANKS
 Los Angeles, Cal., April 19.—(U. P.)—Doug Fairbanks: "Dempsey will beat Carpentier; but he'll know he's been in a fight. It will be a clever boxer against a hard-bitter. There is no question that Carpentier can hit, but the question is, can he hit a vital spot often enough to weaken Dempsey. I believe that Dempsey will wear down the Frenchman by the end. It will not be a walkaway for the champion, and he should take it seriously."

Carpentier Says He Will Win in 12 Rounds From Jack

By Edwin Hallinger
 Paris, April 19.—"Jack got nothing on me; I, too, expect to win before the twelfth round," said Carpentier, French pugilist, thus declared himself to the United Press today. On his return from a triumphant swing around Europe, Carpentier had been scheduled to fight Monday with Jack Dempsey as saying he expected to win their fight July 2 within 12 rounds.

Georges will sail for New York May 7 on the Savoite. He will begin training for the fight on board the liner.

"In the meanwhile," he said, "I'm going to loaf. I'm just going to have a good time."

He left today for his old training camp at Lagrybhe. His long exhibition trip left him worn down to 173, a good fighting weight for him, and his greatest anxiety now is to add a few pounds to be worked off during the training camp in the United States.

Manager Desamps said he is negotiating for training quarters somewhere along the shore near New York.

High School Relay Meet Is Scheduled

By Earl R. Goodwin
A RELAY carnival, featuring high school athletes, is planned for Multnomah field Tuesday afternoon, May 2. The suggestion came from Ed H. Baseland, principal of Benson Tech, at the meeting of the board of directors of the Portland Public High school league held in President T. T. Davis' Lincoln high school office Monday and the idea met with the hearty approval of all the other principals.

It is planned to have first and second teams entered and in order to make the competition keen, an age limit will be set for each athlete. In this way the directors hope to prevent a 17 or 18-year-old runner from competing against a 13 or 14-year-old star. The events have not been definitely decided on as yet, but it looks as though 400 yards, 880 yards, one mile and two mile distances will be run, each team to have four men.

In the 400-yard relay each sprinter would only have to go 100 yards and the distance by all rules and regulations is based on to run would be a half mile. A medley relay also is under consideration to wind up the program. Relay races always create interest, and it is the first time that a carnival has taken form for Multnomah field. An admission of 25 cents will be charged to witness the affair and by all rules and regulations a banner crowd should be in attendance.

The annual Portland public high school track and field meet is set for May 29 and 30. The preliminaries to this meet are on Thursday, May 26, and the finals the following afternoon. The directors also agreed to permit Robert Krohn, director of physical education of the Portland public schools, to stage his annual grammar school track meet on Multnomah field May 20. The date had been assumed to be one of the high school baseball games and the directors voted to either postpone the affair or have it played on some other field.

The 1921 baseball schedule, which called for the opening Wednesday, was ratified. Those present at the meeting were: President T. T. Davis, Lincoln; Secretary Hugh J. Boyd, Washington; Hopkin Jenkins, Jefferson; W. T. Fletcher, James John; C. E. Cleveland, Benson Tech; S. F. Ball, Franklin, and J. P. Eiton, High School of Commerce.

Robertson May Get in Shape
 Chicago, (U. P.)—Dave Robertson, outfielder who was recently suspended by the Cubs when he refused to report for spring practice, must train two weeks somewhere before he can be reinstated and join the club. President William Veeck announced Tuesday, Robertson will remain on the inactive list, since he declined to get into condition.

The question of supremacy between Ted Thye, Portland wrestler, and Mike Yokel of Salt Lake, both claimants of the world's middleweight wrestling championship, will be decided at the Armory Thursday night, April 28.

The local grappler agreed to accept the match Monday afternoon and the contracts calling for a best two falls out of three contest were signed Tuesday morning.

This match has been causing considerable comment among the sportsmen ever since Yokel triumphed so easily over "Bull" Montana.
