LEGAL OPINION UPSETS

ALBERTA CLUB'S PLANS Although the city council was desirous of granting to the Alberta Commercial club a permit that would enable it to beautify certain streets on the east side by maintaining tubs filled with rose bushes on certain sidewalk area, it has struck a snag in an opin-lon given by City Attorney Grant. This opinion is to the effect that the that if tubs of this character are allowed they would have to be permitted in any portion of the city where proptheir occupancy of sidewalk area would create a menace so that the city might

Kansas City, Kan., April 19 .- (I. N. S.)-No trace has been found today two young, women, forcibly taken from their escorts by automobile bandits late last night. They are Miss Mildred Hardinger, 18, and Miss Margaret Hobbs, 17. Two men leaped on the running board of the car with drawn revolvers, held up the girls' escorts, taking their money and overcoats and then ordered them out of the car. The bandits drove away with the girls in the car.

# Telephone Employees

In the daily work of employes of the Telephone Company it is necessary for them to enter the premises of telephone patrons for work in connection with installation or maintenance of our equipment. All such employes authorized to perform work for the Company on subscribers' premises have always been provided with blue bell badges or identification cards and are required to show same upon request.

For your protection and in order to prevent intrusion of unauthorized persons upon your premises, all persons alleging that they are employes of the Telephone company should be required to show their badge or identification card before being granted admission. This is particularly necessary in the residence sections of the city.

The Pacific Telephone and Telegraph Company
