

KEELEY LIBEL SUIT AGAINST JOURNAL IS BEFORE TUCKER

The libel suit of Lee Roy E. Keeley against The Journal Publishing Company was assigned for trial to Judge Tucker by Presiding Judge Kavanaugh this morning and in the absence of a jury went over until afternoon.

Keeley, who is appearing as his own attorney, filed an amended complaint setting forth extrinsic facts in support of his allegations.

Attorneys B. E. Haney and George Joseph, appearing for the defendants, raised no objection to this amended complaint and it was allowed.

Keeley is suing The Journal Publishing Company for \$168,000 damages which he alleges he suffered through the publication in the Journal of four news articles and three editorials between May and September, 1919. The news articles were reports of Keeley's activities in connection with the Dibbern case, where he is figured as the attorney for Mrs. Edna Blanche Dibbern, whose husband was fatally injured while in the employ of the Grant Smith-Porter company. Keeley is investigating conditions in the industrial accident commission for its part in the Dibbern case and his mandamus action against the members of the commission. The editorial articles contained comment on Keeley's conduct in the Dibbern case.

The defendant denies that any of the seven publications was libelous.

KEELEY LOSES DAMAGE SUIT AGAINST LOCAL NEWSPAPER

A verdict in favor of the Oregonian Publishing Company in the \$150,000 libel suit brought against it by Lee Roy E. Keeley was returned at the direction of Judge Gatens Tuesday afternoon.

Upon denial by the court of the plaintiff's amended complaint, Keeley again took the witness-stand in his own behalf to continue the direct examination.

Objections by counsel for the defendant that the complaint did not constitute a cause of action were sustained by Judge Gatens, and upon motion of Attorney Dan J. Malarkey a verdict for the defendant was directed. Keeley conducted his own case. Attorney John Logan, Dan J. Malarkey and E. B. Seabrook appeared for the defendant.

Kaiser Would Have Asked 40 Billions Indemnity From U.S.

London, April 20.—(L. N. S.)—An indemnity of \$40,000,000,000 was the "penalty" which the Kaiser proposed to impose upon the United States if Germany had won the war in 1917. It was included in his "peace terms" written by himself in the spring of that year, and just discovered in the archives of the German foreign office, according to the Berlin correspondent of the Manchester Guardian. The other peace conditions of the Kaiser were:

Germany was to get the rich French coal fields of Longwy and Briey.

Germany was to get the Belgian coast.

Germany was to get Courland and Lithuania.

Germany was to get the Azores.

Germany was to get the island of Malta.

Incidentally, Prince Joachim, one of the Kaiser's sons, who committed suicide, was to be made king of Roumania.

Electric Company Begins to Double Size of Its Plant

Cottage Grove, Or., April 20.—The Cottage Grove Electric Company is increasing the size of its plant to more than double its present capacity. Work was begun Monday. A new boiler will be installed. C. M. Shinn is head of the company.

The Epworth League convention for the southern district of Oregon will be held in Cottage Grove April 22-24, opening with an address by Bishop Shepard Friday night. Accommodations for more than 100 guests have been arranged.

The largest known pearl is one of irregular shape in the South Kensington museum, London.

Eugene Chamber to Aid Lane Post in Legion Convention

Eugene, Or., April 20.—That the Eugene Chamber of Commerce would cooperate in every way possible with Lane County Post No. 4, American Legion, in staging the state legion convention here July 1-3, was the promise made a delegation of local legion men at the meeting of the board of directors of the chamber Monday night. Eugene plans to regular Fourth of July celebration.

At a meeting Monday night of subscribers to the recently-raised development fund, which will give \$10,000 annually for promotion work for Eugene and Lane county, it was decided that the board of directors of the Chamber of Commerce should handle the fund. This promotion program is planned to continue for three years.

Citizens of Irving have organized a promotion club to perform commercial club work for that district. The Eugene Chamber of Commerce unofficially, but through several prominent members, has promised cooperation.

The Lane County Dental society has accepted an invitation to meet with the Marion County Dental society in Salem in May.

Christina Wisniewski, 22, died Tuesday at the home of his daughter, Mrs. J. L. Beaver, near Pleasant Hill. He came to Lane county in 1872. Four daughters and two sons survive.

Extensive Program For Settlement in Oregon Is Proposed

An extensive land settlement program is proposed for Oregon in a message received by the State Chamber of Commerce from an organization in Chicago which is investigating conditions in this state. The plan of the company is to divide a large tract of land into five and 10 acre tracts, build houses and sell them on an easy payment proposition.

The letter has been written by a representative of the Chicago company and says:

"Have you 60,000 acres (about 10 miles square) of state land, in one block, which would be suitable for colonization purposes for the raising of chickens, growing of garden truck, fruit trees, berries, etc.? The land must be fairly level, where good water is obtainable and with a railroad running through the center of it."

Girls' Glee Club Of Willamette U. Appears in Salem

Willamette University, Salem, April 20.—The Girls' Glee Club of Willamette university appeared in its annual Salem concert Tuesday night in the Waller hall chapel. The members are:

Veona Williams, Grants Pass; Emma Shanafelt and Loriel Blatchford, Salem; Mildred Streyve, Kennewick, Wash.; Fay Finley, Emmett, Idaho; Alice Wella, Portland; Hulla Hagman, Astoria; Irene Brainerd, Marshfield; Lucille Jeffrey, Chelan, Wash.; Mary Elizabeth Hunt, Spokane; Kathleen LaRaut, Eugene; Helen Johnson, Portland; Louise Bryan, Sunnyside, Wash.; Helen McInturff, Salem; Dorothy Thompson and Mary Spaulding, Salem; Marguerite Cook, Portland; and Mildred Garrett, Salem. Professor E. W. Hobson, dean of the Willamette school of music, is club director, and Evelyn DeLong of Salem, accompanist.

Two Portlanders In Contests for Whitman Officers

Whitman College, Walla Walla, Wash., April 20.—Two Portland students were among those nominated by the students of Whitman college for student offices to be balloted on today. Jack Guilan of Portland opposes William Lucht, Deep Creek, for student football manager, while Mowbray Tate is opposed by Chester Lesh, Spokane, for the office of student debate manager.

Nathaniel Penrose, son of Dr. Stephen B. L. Penrose, president of Whitman college, and Ralph Cordner, Walla Walla, were nominated for president of the associated students, with Alice Applegate of Harrington and Sidonie Style, Walla Walla, being named for vice-president. Jeremiah Neterer Jr., son of Federal Judge Neterer of Clatsop county, and George Hanson of Freewater, Or., were nominated for secretary.

FOOD FAMINE IN ENGLAND GAINS; RELIEF PLANNED

By A. E. Johnson
United News Staff Correspondent
London, April 20.—Food kitchens may be established in the congested districts of England to relieve the acute distress brought about by the fuel and food famine which is daily growing more serious.

The cabinet has under consideration a system of hot food depots to be established by the government wherever the necessity is apparent.

Board of trade officials declared to the United News that the fuel situation is the most critical in the history of the nation. Additional restrictions on the use of coal are imperative and probably will go into effect within the next few days.

Under the most favorable conditions the miners will not return to the pits before 10 days unless the strikes suffer an immediate collapse, which is not viewed as probable. No conference is possible before Saturday.

Even after the men decide to return to work, the resumption of production will be long delayed. Forty-four pits are flooded and temporarily unproductive.

Some of these may not be cleared for months.

On the nineteenth day of the strike a national shortage of more than 12,000,000 tons of coal exists. The government today has a supply only for public service, light transport service, and for sanitary and medical uses. All unessential industries are ordered to cease operation for the time being.

In the city of London no offices can be supplied with fuel and it is expected that domestic consumption may be forbidden soon, the government withdrawing even its \$8 pound weekly allotment. Plans for setting up the hot food kitchens for the public have already been drafted and were scrutinized by the cabinet Tuesday.

Money goes a much longer way when you are chasing it than when you are spending it.

Dr. Suzzalo Speaker At Commencement In June at O. A. C.

Oregon Agricultural College, Corvallis, April 20.—Dr. Henry Suzzalo, president of the University of Washington, will give the fifty-second annual commencement address of the Oregon Agricultural college on the morning of June 12. Dr. Stephen B. Penrose, president of Whitman college, Walla Walla, Wash., will give the baccalaureate sermon Sunday, June 12, at 11 o'clock. The auditorium of the men's gymnasium will be used for both ceremonies.

Commencement exercise will begin Saturday, June 11—alumni and class day. Five-year reunions will be held by the classes of 1916, 1917, 1906, 1901, 1896, 1891, 1885 and 1881. The largest graduation class in the history of the college is indicated by the fact that considerably more than 300 students are candidates for graduation. Mrs. William B. Metzger of Portland, soprano, will be vocalist.

German Budget Is Short Huge Sum

Berlin, April 20.—(L. N. S.)—Finance Minister Wirth, in making public the German budget for 1921, today announced a deficit of 33,000,000,000 paper marks.

The regretful thing about turning over a new leaf is that you can't erase the old one.

Voliva's Hold Upon Zion City Tightens In Sweeping Victory

Zion City, Ill., April 20.—(U. P.)—Wilbur Glenn Voliva, head of the Church of Zion and overseer of Zion City, was still monarch of all he surveys today.

This followed counting of the votes of yesterday's election, in which the straight Voliva ticket was swept into office on a blue law, anti-tobacco, compulsory church attendance, long skirts for women and anti-swearing platform.

The reelection of the Voliva ticket also probably means that rival church organizations in Zion, which Voliva has branded "ecclesiastical goathouses," must fold their tents and go.

The Wilson Rotary Electric Sewing Machine Offers You Many Advantages

—It is light and easily operated; it is portable, and requires little space. The woman who knows the superior quality, finished work, produced with it, can scarcely afford to be without one. Let us explain the meritorious features of the Wilson Electric Machine to you.

—We take your old Sewing Machine at a liberal allowance to apply on the new one. Easy Terms.

—Seventh Floor, Lipman, Wolfe & Co.

Lipman Wolfe & Co. Merchandise of Merit Only
