The Lid Is Off... Straw Hats

Even the most conservative dresser need not feel that he is "rushing the season" in the least if he saunters forth in a new straw, for straws are in and they're going to be "big." Good reason for getting one right away—tomorrow—for a man has all the selection in the world at prices as favorable as he is likely to have for some time and he has a whole season's wear ahead.

So----

This is to let you know that, as usual, the best straw hats are at Meier & Frank's and, as you would expect, in largest assortments. Hats with all the style, all the comfort and all the endurance the best made straws afford. Every good shape of the season and at the lowest prices for which these hats can be sold.
