# HEARING DELAYED ON ALLEGED WIFE MURDER CHARGE

Medford, Or., May 13.—At the request of both prosecution and defense, the preliminary hearing in the case of T. W. Gruetter, Medford chemist and assayer, charged with wife murder, was continued Thursday to next Wednesday. Gruetter's wife died May 3, supposedly from epilepsy. Gruetter is about 40 years old.

The accused man, who claims to be innocent, is in the county jail because of inability to furnish \$20,000 bond. His attorneys are John H. Carkin of Medford and O. S. Blanchard of Grants Pass.

### POST MORTEM TO BE HELD

The prosecutor's office announces that a post mortem examination will be made of the body in an effort to learn the cause of death.

The inquiry and arrest came about at the request of J. Bomgardner, a miner who lives about 15 miles west of Grants Pass and is the divorced husband of Mrs. Gruetter, who married Gruetter at Chico, Cal., two months ago, and the fact that the Medford physician who was summoned by Gruetter to the Gruetter home in the Agate section the day before her death, and found her in spasms and unconscious, regarded her illness and death next day with suspicion.

### TWICE MARRIED TO GRUETTER

Assistant County Prosecutor George Coddling, who is handling the case in the absence from the city of County Prosecutor Rawles Moore, says: "Mr. Gruetter and the woman, as I understand it, were married about 20 years ago and were then divorced, after which she married a man named Ames, who died later. She was then married to Bomgardner and lived with him until several months ago, when they agreed to quit living together and he gave her money and gold to the amount of \$2800, and his Ford car, when she left. Her marriage to Gruetter took place two months ago at Chico, Cal.

### School Board Asks Five-Mill Tax Levy For New Buildings

On a ballot of three to two, Directors Shull and Newell opposing, the school board Thursday night voted to ask for a 5 mill levy for building school houses next year. Shull favored a 3 mill levy and Newell 2 mills plus a bond issue of \$1,000,000. Upon motion, the action was made unanimous.

Report of George Edmondstone, superintendent of properties, that Dennis Galvin, dismissed janitor of Girls' Polytechnic school, was not discharged because of "ignorance" and that he would not consider his reinstatement was adopted in spite of protests of Director Orton, who took the stand that the discharge was unjust, since the basis for it had been disproved by the testimony of Miss Edna Groves at the hearing of last week.
