The divertisements brought out four attractive feature dances by the children. The last, "Russe-Thepak," by Elma Rueppell and Billy Schwabe, offering opportunity for really difficult work, "went over" big. By request, Miss Brown, who specialized in the French-Italian school of ballet in the difficult art of toe-dancing, gave a wonderful interpretation of "Badinage." Miss Helen Haller and Mrs. Robert Clark added to the pleasure of the evening by contributing vocal numbers. They and Miss Brown received a wealth of lovely flowers.

Music as Antidote For Human Ills Is

New Haven, Conn., May 21 .- Unique psychological tests are being made at Yale to show the effects of music on the human moods. Several groups of persons have been experimented upon CALDWELL—Gerard M. Caldwell 504 Davis. and Thomas Edison is keenly interested in the outcome. In many centers groups of persons

hear five selections, then they note on a card the reaction on their moods. These cards are sent to experts for study and they will place the result of their observations before the American Academy of Sciences. If it is found that certain kinds of

music produce certain results, as the tests seem to show, music may become useful in treating human maladies. The day may come, it is predicted at Yale, when pneumonia will be treated not only with open windows and malted milk, but Fruit Canneries with open windows and malted milk, but by a few disks of dreamy waltz music. No Overtime Payment

Youngstown, Ohio, May 20 .- The Republic Iron & Steel company has eliminated payment of time and a half for overtime beyond eight hours in the operation of its plants. All independent companies in the valley now are virtually on an eight-hour basis. Steel mill operations are barely holding their own in the Mahoning valley with sheet production at a decline of from 30 to 38 per cent. With the Grace stack of the Brier Hill Steel company idle the number of active furnaces in the valley is
