TO THOSE WHO ARE INTERESTED IN THE PURCHASE OF A GOOD USED CAR

OUR POLICY OUR POLICY

Believing that people who are contemplating the purchase of a used car would rather deal directly with the owner than with a dealer to whom they would have to pay a profit or commission we have listed a large number of cars of many different makes, from owners who are ready to buy Maxwell and Chalmers cars as soon as their present cars are sold.

We do not care to profit in any way from the sale of these used cars; you make your own deal with the owner of the kind of a car you wish to buy. We will simply make it convenient for you to get in touch with him. Take you out to see the car,

We have listed roadsters, tourings, sedans and coupes at almost any price you wish to pay, and in most cases convenient terms
