

# Strong Teams in Davis Cup Golf Play : Scholastic Net Tourney Will Start This Week

## Competition For Golf Cup To Be Close

By George Berts

COMPETITION for the C. H. Davis Jr. trophy, emblematic of the four-man team championship of the Pacific Northwest, promises to be very keen in this year's tournament to be played over the course of the Waverley Country club June 20 to 25, inclusive.

No less than one dozen clubs, including teams from San Francisco and Los Angeles, are expected to take-off in this event, which has developed into one of the best matches of its kind in the country.

**CALIFORNIANS TO ENTER**

In addition to the two California teams, the following clubs will be represented: Tacoma Golf and Country club; Vancouver Golf and Country club; Seattle Golf club; Colwood Golf and Country club, Victoria, B. C.; Grays Harbor Golf club, Aberdeen, Wash.; Shaughnessy Heights club, Vancouver, B. C.; Spokane Country club; Portland Golf club, and Waverley Country club. Captain Davis of the Waverley Country club team is undecided about the lineup of his team for this year's competition, but one thing is certain and that is that Waverley will make a strong bid to retain the trophy, which it annexed last season at Vancouver, B. C., by defeating the Jefferson Park team of Seattle, 1 up, in a match that was decided on the eighteenth green.

**EGAN TO PLAY**

Chandler Egan, present Northwest champion, and Russell Smith will be two members of the Waverley team. Forest Watson, who now makes his residence in Seattle, will likely play on the team, as will also be O. F. Wing, who represented the Portland Golf club in last year's match. Guy Standifer, whose brilliant putting was one of the factors in Waverley's victory at Vancouver, is also in the running for a place on the team. The lineup for the match will not be determined until a few days before the tourney.

The Portland Golf club lineup will likely be Rudolph Wilhelm, Erel Kay, Clare Griswold and Stuart Findlay, provided the latter is reinstated by the United States Golf association. In the event that Findlay is not reinstated, it is likely that Dr. Willing will play with Portland.

**SEATTLE TEAM STRONG**

The Los Angeles team will be composed of E. S., (Scotty) Armstrong, E. B. Turfa, Robert H. Ingalls and Dr. Paul Hunter, who is at present in Seattle with the American amateur team. In case that Hunter does not return to the coast in time to participate in the tournament, some other strong Los Angeles player will be selected to fill his place.

Jack Neville, Vincent Whitney, Roger Lapham and Francis Dpton will represent the team that will represent San Francisco.

This year will mark the first in which California clubs will enter teams. Their coming has tended to increase the interest in the team match as well as in the championship events.

Seattle promises to enter a team that will be a contender for the honors this season. Ben Stein, who is a Waverley visitor during the week-end, Bob Steil, "Dick" Flesher and Jack Ballinger will probably compose the Seattle entry.

The Waverley club is the only one that has succeeded in winning the trophy, which was offered in competition for the first time in 1916, twice. The two teams making the lowest total scores in the qualifying round of the trophy in two four-ball, best ball matches.

## Entries for Golf Championship Play Already Arriving

Entries for the 1921 Pacific Northwest Golf association championship tournament over the course of the Waverley Country club during the latter part of June are beginning to pour into the hands of the tournament committee.

The entries are mostly from Californians and judging from the number received already it appears as though the Golden State will be represented by at least 25 players.

Programs and entrance forms to players of the Northwest and Portland was completed Thursday.

Although the location of the seventeenth tee has been changed as the result of the flood conditions in the Willamette river, the club officials are hopeful that the water will recede in time to allow the playing of the matches over the regular course.

A. U. Zeng, chairman of the greens committee, however, is laying plans to take care of conditions in the seventeenth and eighteenth greens under water when the tourney opens.

With the exception of the water on the seventeenth green, the course is in better shape than it has been for the past several seasons. Considerable money has been expended in changing the location of tees and holes and the altering of the bunkers in various parts of the course.

**Melness Re-elected at "W"**

University of Washington, Seattle, May 25.—Darwin Melness, graduate manager of the Associated Students at the University of Washington, was yesterday re-elected as manager of student activities at the University of Washington for the year beginning August 1. Melness's present contract will expire at that time.

## BOYS

Like to be one of the lucky boys to enjoy them both, wouldn't you? Well, you can. There is a simple, easy way in which you can secure both at absolutely no cost to you other than a little personal endeavor and at the same time your efforts will be building up a little business for you that will pay a nice monthly profit as well.

If interested, be sure and be at the Y. M. C. A. auditorium Tuesday afternoon after school. Don't miss this as a surprise is in store for you.

## GOLF

MISS DOREEN KAVANAUGH, the holder of the American open championship, who holds the American open championship, has decided not to return to defend his honors. George Duncan and Abe Mitchell will represent England in this year's event over the Columbia Country club course in Washington, D. C.

Wilbur S. Brooks of the Mayfield Country club of Cleveland has resigned as president of the Western Golf association. Albert B. Gates of the Calumet club of Chicago has been named to succeed him.

Miss Mary Brown, former holder of the women's national singles tennis title recently annexed the women's golf championship of the Southern California Golf association. She won from Miss Doreen Kavanaugh, holder of the state title.

The Western Golf association junior championship tournament will be played over the course of the Nashville (Tenn.) Golf and Country club, August 3, 4 and 5.

The stymie rule has been revised and the penalty for lost ball and ball out of bounds reduced to loss of distance only by the directors of the Western Golf association, according to telegraphic advice received here.

Al Johnson, famous comedian, registered a score of 81 strokes in a round at the Waverley Country club last Thursday afternoon. Al is a pretty fair golfer.

The United States Golf association has about 150 clubs on its active list.

Arrangements have been made to open the docks along the course for the public. The public is urged to use the east side docks, as it will be able to obtain a better view of the events from that side of the river.

Milton Henderson has extended invitations to the following men to act as officials: L. E. Coolidge, Seattle; Joseph James, Captain James Shaver, and F. C. Knapp, judges, and Joseph Supple, O. P. Graham and Captain H. T. Groves, starters.

The entire staff in the regatta will take part in the general parade Thursday, June 9, and on the following day will be in command of the regatta on the Eagle Boat, which has been assigned as the flagship.

Admiral Beall and his staff will entertain the officers from the six naval ships which are expected to be in the Willamette river at that time, and in addition to accommodate the invited guests the float Bluebird has been engaged to be attached to the Eagle boat.

To show that the Portland regatta is held in accord with the annual affair at Astoria, Admiral Beall went to Astoria Friday, where he spoke before the Astoria club. He told them that the regatta will be held at the lower Columbia regatta to the utmost and practically every motorboat which is scheduled to take part in the regatta will journey to Astoria for the races there late in August.

The following have accepted appointments: Phil Meteshan, retired admiral; R. W. Foster, vice-admiral; F. W. Vogler, vice-admiral; J. R. Rogers, vice-admiral; C. North, vice-admiral; Captain W. H. ## Frank Troeh Sets Up Another Mark in Trapshooting

Frank M. Troeh, Vancouver, Wash., trapshooter, added another record breaking performance to his already long list by shattering 495 out of 498 targets in the Island Empire championship tournament a fortnight ago. The former record was 397 held by Frank S. Wright of Buffalo, N. Y. Wright made his record in 1919 at St. Thomas, Ont.

Troeh has been shooting in remarkable form this season and is well up among the leading amateurs of the country. Troeh broke 99 targets out of 100 the first day, 149 the second day and 149 straight the third day.

## Motor Boats Tuned Up for Big Regatta

ALL arrangements have been completed for the opening of the motorboat racing season Decoration day at the annual regatta of the Oregon Yacht club.

Portland's fleet of 225-325 speedcraft, the largest on the coast, will compete in a series of three races over a course of 1 1/2 miles. Most of these boats will appear in the 16-foot class in the Rose Festival regatta June 10.

In addition to the speed events there will be handicap races for Class A and Class B boats, the former class consisting of boats of over 15 miles per hour and Class B of boats under that speed limit.

The yacht club officials have always been noted for their hospitality, and this year is no exception. Following the regatta a dance will be held in the clubhouse.

Swimming and canoe events will also be staged during the afternoon, prizes to be distributed among the winners.

Members of the motor boat club will follow in behind Commodore Billy Love's flagship in the parade to the yacht club.

The first event will be started promptly at 2:30 p. m.

## Famed Writers to COVER BIG Bout for Journal

CLOSE to a dozen of the greatest sport and feature writers in the country are included in The Journal's staff that will cover the greatest flistic event in pugilistic annals, the 12-round decision bout between Jack Dempsey and Georges Carpentier at Jersey City, July 2.

Articles by these writers will appear in The Journal from time to time until the heavyweights step into the ring for their encounter. The Journal's service on the big fight will be supreme. Follow the training of the battlers in The Journal.

Among the writers whose articles will appear in The Journal are: T. A. Dorgan (Tad), one of the best ring authorities in the country; James J. ## Cooties to Play Legion On Vaughn St.

TWO high class ball games will be played at the Vaughn street park today, the first one between the Veterans of Foreign Wars "Cooties" and the American Legion of the Interstate Baseball association at 1 p. m., and the second between the Kirkpatrick and the United Artisans of the Willamette Valley league at 3 p. m.

Both games are of considerable interest to local semi-pro fans. Considerable rivalry exists between the Cooties and the Legion team, and today's game will go a long way toward settling the superiority of the two teams.

The Cooties have won all of their games this season, most of them by a comfortable margin, while the American Legion has broken even so far. The Legion boys, however, have met stronger teams. This game should be an interesting battle from the start to the finish. Weller will likely do the hurrying for the Cooties, while "Sunny" Moeller is slated to start for the Legion team.

**LODGE TEAMS TO MEET**

The second battle of the afternoon will find the Kirkpatrick and the United Artisans of the Willamette Valley league meeting in their first set-to of the season. The Artisans have not lost a game since the opener on May 1. Battling the Crown-Willamette team at Oregon City last Sunday 15 innings before registering a 3-4 win. The Kirkpatrick, under the leadership of Bill Heales, always have a strong team, and this year is no exception to the rule. They have added some younger blood this year, especially in the pitcher's box. Ring will probably start the game today for the Artisans, with Ro-

## Ruth Is Silent After Umpire's Reply to Crack

St. Louis, Mo., May 28.—(U. P.)—Umpires do not always have to resort to "get out of the park" to silence a razzing player.

Babe Ruth was "jawing" at Umpire Ollie Chill in a recent Yankee-Browns game.

"Call one right and see how it feels," the Bambino said.

"Hit one out of the infield and give us something new," the umpire retorted.

The Babe was a mute for the rest of the game.

## RACING

German town C. C. will hold the men's national single tennis tourney September 9.

The United States Lawn Tennis association has listed more than 200 tourneys.

It costs \$50 to join the West Side Tennis club of New York.

Entries in the Kentucky futurity for foals of 1921 number 701. A total of 294 breeders are represented. Belwin, 2:06 1/2, heads the list of sires with 55 prospective foals. In all 104 other sires are represented.

Sixteen of the 50 ponies available for the American polo team in England preparing for the matches at Hurlingham in June are owned by the players.

Metropolitan (New York) turf season just begun includes 161 racing days. The admission to see the horse races is \$3.

Thomas W. Murphy, famous light harness driver, has, it is estimated, won more than one million dollars in purses in 27 years of racing.

St. Louis Driving club of light harness devotees has been launched.

The Grand Circuit, since its organization in 1873, has given 418 race meets and distal premiums amounting to more than \$10,000,000.

After January 1, 1923, all trotters and pacers must be registered, either as standard or non-standard before being allowed to race.

Grand Circuit horse races start July 4 at North Randall track, Cleveland.

## Big Entry Is Expected in Horse Meets

RECEIPT of the early closing list of the Vancouver, B. C., meeting of the Pacific Northwest Racing association indicates that the entries in this season's circuit will surpass all records.

The early closing entry list does not close until June 28, however, but despite this horsemen in various parts of the country have been rushing in their entries.

This season's circuit consists of 19 consecutive days of racing with purses aggregating \$75,000.

All the meets, save the Oregon State fair, will be staged over half mile tracks. From a spectators' point of view the half mile races are far more interesting than the ones held over mile tracks, as the horses pass in front of the grandstand twice. From the owners' standpoint of setting new marks, the mile track is considered best.

The training of the horses has begun in earnest and by the end of next week some of the owners are expected to let their mounts step for the first time this year.

The Salem track is in the best condition it has ever been, according to A. E. Lea. The horsemen training there are highly pleased with the track and predict that some of the present track records will go by the boards this year.

## Plans Being Made To Develop Skaters

Portland will be represented in the national roller skating championships if plans of the management of the Oaks rink are carried out and enough interest is shown by enthusiasts during the next two or three months. It is the intention of those in charge to send one woman and one man skater, and Miss Florence G. Dawson, champion of Colorado, has been engaged to coach the women, while "Chuck" Lake will instruct the men.

The national skaters club will be settled in Chicago late this summer and the Portland duo to be sent will have their expenses paid.

## Picnic Ball Game Scheduled

The Cub Juniors and Brooklyn will furnish the baseball game at the picnic of St. Johns church, Milwaukie, to be held Decoration day at Crystal Lake park. Athletic games will be the program, with the first event to take place shortly after noon. The baseball game is billed for 2:30 o'clock.

## Soccer Football Has Its Expenses

Although soccer football is gaining popularity in this country it will be years before it is generally followed. Its high cost in England is shown by the report of the national committee, at the end of this season, its banner year.

On a gross income last year of \$161,622 the club showed a profit of \$35,547.66. This season with an income of \$115,855 the profits amounted to \$323. Last season, wages, benefits to players and salaries footed up \$27,400. In this season required \$70,915 for similar expenses. Transfers required an expenditure of \$4,125 as compared with \$13,750 last year while the English government received \$47,091 as entertainment tax.

How long a little of the Real Tobacco Chew will last. Nor how much genuine chewing satisfaction the full, rich real tobacco taste will give. Ask any man who uses the Real Tobacco Chew. He will tell you that this class of tobacco will give more satisfaction—and at less cost—than the ordinary kind.

## Scholastic Net Tourney

PLAY in the annual Portland public high school tennis tournament will commence next Saturday on the courts of the Multnomah Amateur Athletic club and the finals will take place the following Monday afternoon. Both the boys' and girls' 1921 titles will be settled and considerable interest centers around the coming tourney.

Jefferson high banks on Captain LeGore Westerman to capture the boys' singles championship inasmuch as Ted Steffen, the Lincoln high athlete who won the event last season, now is a student at Reed college. Westerman holds the Pacific Northwest junior title and he made a trip east last summer to compete in the national junior contests. He is ranked No. 18 in the United States.

**DRAWINGS ON TUESDAY**

F. E. Harrington, a member of the Washington high school faculty and a prominent member of the Multnomah Amateur Athletic club, will be director in chief of the interscholastic tourney, and he will be in charge of next Tuesday afternoon in the Winged "M" club, starting at 4 o'clock. He requests that the captains of the boys' and girls' tennis teams report at that time and the drawings then will take place.

All entries must be in Harrington's possession by that hour and final instructions and a schedule will be given starting at 4 o'clock. The boys are expected to enter the tourney in greater numbers than last year and it is likely that any matches of the Katz trophy tennis handicap will take place.

**MISS FAIRCHILD TO DEFEND**

Johnny Faust, one of the best among the younger set of the Rose City, was named captain of the Lincoln high boys, while Miss Ines Fairchild will captain the west sliders' girls' squad. Miss Fairchild won the singles last year and is child won the singles last year and is due to repeat, although not without a strenuous battle.

Washington high has not selected its team as yet, but Johnny Haak, the Colonial's all-around athlete, is going to take a fling at winning a title. He will be entered in the singles and it may be that Henry Neer, Louis Neer and Harold Brooks will settle it among themselves to enter the doubles.

The boys are expected to enter in greater numbers than last year and it is likely that any matches of the Katz trophy tennis handicap will take place.

## Committee Named To Prepare for 'M' Club Annual Picnic

Committees have been appointed to assist Joseph F. Riesch and the members of his entertainment committee in "putting across" the annual picnic of the Multnomah Amateur Athletic club scheduled for next Saturday at Crystal Lake park. There will be plenty of fun and amusement for the junior boys and girls, intermediates, seniors, members of the Women's Annex and the invited guests, according to General Chairman Riesch.

The entertainment committee consists of Riesch, Taylor C. White and Floyd L. Lynch and they have appointed a games committee to be made up of Charles S. Barton, chairman; H. Euler, Eddie Sammons, Sam Kerr, H. "Bert" Allen, Professor O. C. Maube and Mrs. L. Centro.

Scott and Walter Heston will have charge of the transportation. J. G. Arnold, Milton Reed Klepper and George P. Dekum will form the grounds committee. Dr. S. Shiff has been directed to take care of the bowling and Frank E. Watkins has been placed in charge of the swimming and boating.

Dancing will be indulged in from 7 p. m. until 11 p. m. and arrangements have been made to have plenty of street cars leaving the park shortly after 11 o'clock. No admission will be charged to members of the Winged "M" institution to secure entrance into the park and extra invitations are available at the club office.

The program will start at 1 o'clock and special plans have been made to take care of the youngsters.
