Just An Idea THAT THIS TRACT OF 1160 Acres

Of the best land in this country will in-terest either the farmer or a group of individuals, 11 miles from railroad and only 1 mile 11 miles from railroad and only 1 mile from store and postoffice; 260 acres of this place is under cultivation at the present time, and on the place are \$8000 worth of stock and equipment, 70,000 feet of lumber, and a complete sawmill and planer. The price is \$46 per acre and ten to fifteen thousand dollars will handle.

handle.

I say without fear of contradiction that here is one of the best propositions in the state to double or treble your money in the next few years. There are other conditions that would make the purchase of this farm very valuable to a party or comporation with money enough and corporation with money enough and a little surplus to go into this neighborhood. No better proposition for colonization any-where in this part of the country. See Mr. Meissner, with
