At our Broadway store, where we have the largest used car store of any automobile company in the city.

We rebuild both Hudson and Essex used automobiles and sell them with a warranty the same as given with the purchase of new cars. We also give 90 days' free service, the same as is given on new cars.

On other makes of automobiles that we trade in we repair and overhaul them, so that used cars that are not sold with a warranty are in first-class condition and are sold with 10 days' free trial, subject to their being returned with full credit on any other car you may select.
