The Underhill Shirt Co.

has opened a modern custom Shirt Manufacturing establishment At 409-10 Central Bldg.

to meet the ever increasing demand for shirt of quality and distinctiveness.

The Lawyer, the Doctor, the Business Man, the Young Dress-up Man, and the Wage Earner are all invited to call and inspect the newest ideas in shirt cloths and shirtmaking.

Mr. Underhill has given the matter of shirtmaking his undivided attention for years and will personally oversee the making of each shirt built in his new plant. The machinery used in the making is of the newest type in modern shirtmaking, and which enables them to put a distinctive and individual touch to shirt building.
