disoluble wedded to the initiative and referendum, the direct primary and the recall, we would speak of the Oregon strawberry as king of the family roanoceros.

The Oregon strawberry is the biggest and finest of the strawberry crops. But as he increases in size he grows in flavor. Long may he reign!

WHERE THE MONEY GOES The burden of taxes in this day is well illustrated by a government estimate of what will happen to the proceeds of the Dempsey-Carpentier fight on July 2.

But the announcement that the government of the United States will receive more from the affair than either principal, the promoter, or all combined, will undoubtedly serve as a tonic for another awakening.

THE JOB AND THE MAN The school board is one of the very important public bodies of Multnomah county. On its membership is the responsibility for the effective education of thousands of Portland children.

DALLAS In the heart of a country famed for good farming and high class livestock. All the young people have had high school and very many of them college training.

THE PITTSBURG STAGE IN SMOKY Pittsburg there may not appear on the stage of any theatres. Human deformity or monstrosities. Gambling in any form.

KING STRAWBERRY DANNERS flaunted from public buildings. Flags floated over homes. Lamp posts swathed in bunting. Flowers everywhere.

Thus it happened at Lebanon. But wherever in Oregon the berries grow, their rich, red, juicy, marvellously flavored maturity is the signal for merry-making.

of them drank milk and ate butter and meat. A NOVEL experiment in seeking a confession is under way in a Connecticut prison. The method employed has been named the "silent treatment."

TODAY It Can Be Done If Gold Dust Fell Ramadan's Sad End By Arthur Brisbane Henry Ford owns a small railroad in connection with his factory. It will carry supplies, lumber, iron, coal, etc.

THE TURKISH FRONT The Sultan, after finishing Ramadan, the fast of 30 days which comes in the ninth month, and are starting the three month fast that follows the solemn period.

THE STOCK MARKET The stock market once more imitates Humpty Dumpty and his great fall. A New York stock exchange set sold for \$4,000 yesterday.

THE ROMANCE OF THE SOUTH SEAS Bassett Digby in London Mail. The romance of South Sea Island beaches is overrated. You probably have formed your own ideas of a tropical beach, but let me disillusion you.

THE FEAR OF THE LORD In This, It is Here Argued, Children in Schools Should Be Reared. Lebanon, June 6. To the Editor of The Oregon Journal: I have recently read your editorial in a recent issue of The Oregon Journal, entitled, "The Fear of the Lord."

THE FEAR OF THE LORD (Continued) I maintain that the state is responsible for the children's learning. In every home where there are children of certain age, the parents are bound to see that they learn is useless and when you come to higher education some things that are taught are absolutely wrong.

CURIOUS BITS OF INFORMATION Gleaned From Curious Places Don Ramon Arguello, a near relative of Governor Arguello of early California, used to eat rattlesnakes after the fashion of the Indians.

THE FEMININE PLUS SEX With the amazing progress of feminism in the world, and particularly in this country, comes the "plus sex." The single-minded female, in severe and simple clothing, unadorned of sex and its accessories, is a sight to be seen.

he made was more nutritious than that of a fat man. He called rattlesnakes "tidbits." He tried to make converts to his taste, but he was not successful.

LETTERS FROM THE PEOPLE [Communications sent to The Journal for publication in this department should be written on only one side of the paper, should not exceed 100 words, and should be accompanied by the writer, whose name and address in full must accompany the communication.]

SMALL CHANGE Several prominent "dark" horses, it is said, have been perfectly white.

SIDELIGHTS Washington county is the picture of plenty these days, with its grain fields and splendid prospects. Hillsboro, Aug. 1.

MORE OR LESS PERSONAL Random Observations About Town The crest of the high water in the Columbia river has been reached, predicts Frank Seufert, who is spending the week-end in Portland in conformity with his usual habit.

OBSERVATIONS AND IMPRESSIONS OF THE JOURNAL MAN By Fred Lockley 1846 he opened a store of his own. He traded goods with the Indians, as he had always done, for in those days there were no stores in Astoria.

THE OREGON DAILY JOURNAL, PORTLAND, OREGON. MONDAY, JUNE 13, 1921.

COMMENT AND NEWS IN BRIEF Several prominent "dark" horses, it is said, have been perfectly white.
