Carpentier Right on Edge for Title Battle--Golf Tourney Interest at Fever Heat

Frenchman In the "Pink" For Battle

MANHASSET, L. I., June 13.—Georges Carpentier is in great shape.

I have sized him up carefully and I believe I am qualified to judge the condition of an athlete, especially a boxer.

To my mind, he is ready to fight right now. It would be to his advantage, in fact, should the fight take place tomorrow.

I mean by this that he is practically as good now as he can get, and if he could evade the coming days of training and dodge the chance of fighting against staleness he would be better off. I know he would be thankful.

IN TOP SHAPE

The same applies to Dempsey, if reports from Airport, telling of his condition, have not been exaggerated. Later in the week I will visit the camp of the champion. I have not seen him for several weeks and do not feel qualified to make a positive statement regarding just where he stands physically at this writing. But from what I know of him I believe that he is capable of rounding into physical perfection as rapidly as Carpentier.

As for that, they have been training about the same length of time.

Carpentier has reached the proper pitch to fight at his top speed. His muscles are as supple and free as the muscles of a tiger. They ripple under his skin and he dances about and hits with perfect freedom and poise, getting the maximum of power to his punches. His stomach muscles are tough and strong. There is no fat on him, inside or out, as far as I can see.

PLANS ARE SECRET

Georges has also reached the right pitch temperamentally. In my talks with him I have found him in the best of humor. He is a very likable chap, highly intelligent, with a keen sense of humor and with a very interesting character all around.

He has his mind made up regarding the sort of battle he will have on his hands July 2. I'm sure of that. But, of course, he isn't telling his campaign plans. And he isn't underestimating Jack Dempsey for a moment.

When he crawls through the ropes at Jersey City he will have everything to gain. If he wins he will vindicate the bright hopes of his many admirers, and he is confident of winning. Should he fail to win, yet make it a tough fight against the champion, he will be the gainer rather than the loser after all is said and done, and will wind up as popular as ever, even more so.

Carpentier's fine physical condition is a great credit to Manager Descamps and Trainer Gus Wilson. They have done wonders with him. They have proven to me that they know their business, and when July 2 arrives they will have done their bit. After the going rings, of course, the burden will be entirely on Georges' shoulders. And as he says:

"May the best man win."

SPORTS FAN TELLS TAD THAT DEMPSEY HAS GONE BACK

By Tad
World Famous Boxing Authority

New York, June 13.—(I. N. S.)—The following is exactly what a prominent sporting man told the writer yesterday. This man has been in the sporting game for years, knew Dempsey before he was champion and knows a conditioned and "burnt out" athlete when he sees one.

"Bill Brennan saved Jack Dempsey's title. Dempsey didn't hold him up. Don't let them tell you that. Jack Dempsey was through that night and it's lucky for him that Carpentier wasn't in the ring instead of the slow-thinking, heavy footed Brennan. I saw Jack before he won his title, before he had money and he was a rough fellow. The night he fought Brennan he was a wreck. I saw him coming down the aisle to the ring that night and he was green, not pale, but green. That stage stuff, those big purses, those parties—that's what set that fellow back.

"He was just a shell. Couldn't you notice them giving him strychnine tablets between the rounds and rubbing him around his heart? Everyone around me did. He was not trying himself out with Brennan. He was doing the best he could. He just barely beat his man that night and I'll tell you he got the scare of his life. He tried training for a fight on Broadway. No one has succeeded at that yet.

"That Brennan fight scared Dempsey into real work. He's training now the way he should have done for Brennan.

"I don't think he's right yet. It sets a fellow back quite a lot—that bright light training.

"The luckiest thing that Kearns ever did was to make that match with Brennan. It just showed him how far back Dempsey had gone."

DEMPSEY NOT TO RESUME HIS BOXING FOR DAY OR TWO

By Jack Velock

Atlantic City, N. J., June 13.—(I. N. S.)—Jack Dempsey's training activities came to an abrupt halt today. Dempsey's manager, Jack Kearns, announced that the champion will not resume his work in preparation for the big battle with Georges Carpentier before Tuesday or Wednesday.

The cut over Dempsey's eye is said to have something to do with the sudden calling off of training stunts. More than a week ago Larry Williams, the Bridgeport heavyweight, butted Dempsey with his head. The wound over the champion's optic is deep and has been slow to respond to treatment. As a result his physician has ordered a complete rest in order to allow the injured eye to heal.

MANHASSET "400" LIONIZE FRENCH HEAVYWEIGHT STAR

Manhasset, L. I., June 13.—Society captured the Manhasset lion for a while Sunday.

Georges Carpentier, hunted by the 400 ever since he retired behind the barbed wire of his training farm, put on creamy flannels and a bright red tie and was the main attraction at the brilliant lawn fete at the Villa Marina, as society began its summer season.

The largest limousine on Long Island, decorated with French flags, proved too great a temptation to Carpentier, who was enjoying a day of complete rest at Manhasset. He allowed himself to be whirled over to Roslyn, where a lawn party to raise money for the Italian babies' milk fund was in progress. The French boxer was lionized from the moment of his appearance, and was presented with a set of gold spoons for his baby daughter, Jacqueline. Georges declined to make a speech, and wily Francois Descamps wouldn't let him appear in the ring that had been rigged up, but he smiled his prettiest and made great friends with a motion picture star who had just sold a kiss at auction and looked as though she wished Georges had won.

MINOR BASEBALL

ST. HELENS, June 13.—With Rube Maxmeyer in rare form, St. Helens' baseball team defeated Clatskanie 6 to 3 here yesterday. Rube allowed six hits and struck out 11 while Ray Bryant, former University of Oregon star, heaved them over the plattter for the visitors. He walked six during the afternoon and the free transportation cost him the battle.

Camas, Wash., June 13.—The American Railway Express company baseball team won from Camas 6 to 5 yesterday and a low-hit contest. The visitors made five hits and Kenneth Scott allowed Camas four bingles. Six errors were made by the Portlanders and they helped make the score close while Camas bobbled only once in the field. Scott and C. LaMear formed the battery for Manager Van Gilder's squad while Moeller and Decuman worked for Camas.

Centralia, Wash., June 13.—Winlock and Toledo have been re-instated in the Southwest Washington American League baseball league as a result of a "warm" meeting of the circuit held here Saturday. Large delegations of fans from both towns were here for the occasion and they made an impressive showing on the managers of the league. Toledo and Winlock had been dropped from the league on the grounds that they did not offer strong enough competition and that the fans were not supporting the teams. It's different now.

The Fields Motor Car company failed to have its regular pitcher on hand Sunday against Gresham and the result was the Giants won, 8 to 7. Francis Aker, outfielder, attempted to baffle the Gresham squad, but he just ceuldn't do it, although he allowed only four hits, one a home run with two on and another a double with two on. Roily made made a homer with two on for Assistant Manager Pete DeCicco's Portlanders. Willie Simon carried off the batting honors for Fields.

Woodburn, Or., June 13.—Arleta failed to put up the stubborn battle expected here yesterday and the Portlanders were forced to take a 5 to 3 walloping at the hands of Woodburn. Thompson was on the mound for Arleta and he was batted for 14 hits. The visitors made their three runs in the first inning without the aid of a hit and the entire game was a "comedy of errors." Portland Post No. 1, American Legion, will come here next Sunday to do battle.

Oregon City, Or., June 13.—The Crown-Willamette tossers administered a 4 to 2 defeat to the Hillsboro team here yesterday and thereby remained in the top of the Willamette Valley baseball league standings. The locals were fortunate in winning yesterday for they only made five hits as against 9 for the visitors. Seven errors helped "King" Cole chalk up the win. Cole and Kracke worked for Oregon City opposed by Gray and Kreitz.

The S. P. & S. tossers annexed another win and this time it was at the expense of the American Can company on Buckman field Sunday. The final score was 12 to 10. Two home runs were made by Erickson of the winners and his teammate, Burgard, counted a triple and a single. The score:

	R.	H.	E.
S. P. & S.	12	11	3
Cancos	10	9	2

Batteries—Roman and Baldwin; Hoss and Kline.

Costly errors came very near losing the game for the Olds, Wortman & King team against the Cub Juniors Sunday. The O. W. & K. squad won, 10 to 9. Pitcher Sage of the winners allowed 5 hits and he helped his team in the run column by tripling with the bases full. Drake was the Cub pitcher and he permitted six bingles which came with nine errors.

The hitting of Blanchard featured the 15 to 11 victory of Brooklyn over Laurelhurst Sunday. The Brooklyn slugger made four hits in five times at bat. Thirty-eight hits were made by the two sides, Brooklyn registering 20 of them. The Brooklyn batteries were Stewart, Jones and Austin opposed by Schille, Lynch and Gibson.

Manager Van Gilder will take his American Railway Express company representatives to Astoria next Sunday to battle the Centennials of that place. "Van" is highly elated over the showing his young star, Kenneth Scott, made against Camas Sunday.

Albany, Or., June 13.—The Standard Oil company team of Portland was completely outclassed here Sunday, when the locals won, 14 to 5. Stewart of Albany made two three-baggers and as many singles, and his teammates had no trouble finding the delivery of "Jocko" Krause.

Sherwood, June 13.—Bill Ring was credited with a 2 to 1 victory by the United Artisans over the locals in the Willamette Valley league here yesterday. Ring whiffed 15 and allowed one hit. Hornsby drove in both runners for the Portlanders.

Salem, June 13.—Portland post No. 1, American Legion, lost to the Salem Senators, 9 to 2, here Sunday. Alex Donaldson twirled for the visitors, while Knudson and Keene took turns dishing them up to the Portlanders.

The Veterans of Foreign Wars used two twirlers against South Parkway Sunday, but it was to no avail, the Parkways winning, 11 to 4. Unkeles allowed the Vets six hits, while South Parkway made 17.

Centralia, Wash., June 13.—By scoring four runs in the first two innings of the game here yesterday, South Bend managed to defeat Centralia, 4 to 3. Both teams used two twirlers.

Gresham, June 13.—The Honeyman Hardware company tossers will come here next Sunday to meet the Giants. By that time the new diamond will be in shape.

Indians Wind Up Series By Winning Two

By George Berts

EVEN though Bill Klepper and Fred Rivers, president and secretary of the Seattle Indians, stood up in the seventh inning of both Sunday games, the Beavers suffered a double loss.

In the first game Harry Gardner pitched unbeatable ball, shutting out the Mackmen, 5 to 0, while in the second battle the visitors spotted the locals five runs in the first inning and then handed them a 10 to 6 trimming.

Syl Johnson pitched the first game for the Mackmen and, after the first two innings, held the visitors at bay, but what they accomplished in the first two frames was enough to win any ball game.

In the secon battle, Rudy Kallio was selected to pitch and he got by for three plus innings when the Indians went on the warpath and chased him to the showers. Sam Ross was treated more harshly than Kallio, and the Indians walked off with six out of the seven games in the series, giving them 16 victories and 13 defeats while on their month's road trip.

5-RUN LEAD OVERCOME

It was the do or die spirit that gave the Indians the second game. Overcoming a five lead by their persistency, they looked like the champions of the world.

Johnson started the first game by walking Middleton and hitting Wisterzil with a pitched ball. Murphy then swung on a fat one and knocked it over the fence, giving the Indians three runs on one bingle. Eldred and Kenworthy singled, but each was caught stealing.

In the second frame, Gardner singled, after Tobin struck out, and Middleton singled to right. Wisterzil beat out a hit to Hale, filling the bases. Murphy flied to Cox, Gardner scoring after the catch. Wisterzil stole second and Middleton scored when Baker dropped Young's return throw. Wisterzil also stole third, but was left there when Hale threw out Eldred.

GARDNER IN GREAT FORM

After that there was no more scoring. Gardner pitched wonderful ball. It was not until the ninth that the Beavers were able to bunch two hits in an inning. In that frame, Fisher, batting for Johnson, singled and after two were put out Hale singled through first and second, but Cox ended all chances for a score with a fly to Cunningham.

Bob Geary did not have a thing except his glove and after the Beavers slipped over five runs in the first inning he walked off the field, leaving Joe Dailey to finish his task and Joe saved his job by holding the Beavers to one run during the game.

Genin opened the inning with a single through short and Wolfer followed with a hit to center. Hale laid down a nice bunt, but Geary made a three-base wild heave, and Genin and Wolfer scored. Poole singled through short, scoring Hale and Cox sacrificed. Krug doubled to left and scored on Fisher's single to left. Geary walked off after Fisher singled and Dailey ended the inning without further scoring.

HELD TWO INNINGS

Kallilo held Seattle for two frames, but in the third Stumpf and Tobin singled the former scoring after two wild pitches and Tobin counting on Wisterzil's double.

In the third, Eldred doubled and Kenworthy and Cunnigham singled, scoring Eldred. Sam Ross replaced Kallio at this stage of the game. Eldred scored on a force out.

Sam Ross was treated like a pale face in the sixth. Five hits and a row and Genin's boot netting five runs. In this frame, Eldred, Kenworthy, Cunningham, Tobin and Stumpf each singled, although Hale's boner, in trying to get Eldred at third, was a bad play. The Indians added another in the eighth for good measure.

Portland's sixth run was scored in the third on doubles by Cox and Fisher. Old boy Gus was there with the stick, getting four hits, including two doubles, out of four times up in the second game and delivering in the role of a pinch hitter in the first battle. Portland lost chances to score in the second game by poor judgment. Score:
