FARMERS WHO WERE STUNG BY CHAMP AT BIT

Growers Feel They Are Not Getting Promised Relief; Wheat Fiasco of 1920 Is Lesson; May Be Forced to Sell New Crop.

By Robert J. Bender... United News Staff Correspondent... Salina, Kan., June 18.—The farmers' strike against the sale of their products is at an end.

And, with the decision to end the selling strike, farmers, as well as bankers, merchants and others in this wheat belt, believe that harvest time will mark the beginning of better times.

Nevertheless, the farmers are more or less restive. They feel that they were called upon to bear the brunt of liquidation first and, as they visualize the national situation, they feel that no class has been made to suffer as they have.

This disappointment, resulting from declining prices, coupled with inability to get the credit facilities which were expected, has brought about a strong feeling of antagonism among farmers against the banks.

ASTORIA TO GET JOURNAL BY AIR

Conditions are most propitious for the resumption of The Journal's airplane delivery service to Astoria and Seaside, according to David H. Smith, circulation manager, who made an airplane trip to Astoria and return Friday.

The down-river trip was made in one hour and 10 minutes, and the return in one hour and 15 minutes.

The offer was announced if the voters voted to continue the national coal strike, but the government decided to keep it alive in hope that the union could take steps towards a settlement.

Act Applies To School Elections

The corrupt practices act governs and applies to school elections as well as any other. Under that law it is a crime for any person, by the distribution of cards, propaganda or by any means to attempt to influence voters going to the polls to cast their ballots.

It has been called to the attention of the Journal that certain persons, acting for certain interests active in the school election of today, are violating the law. The section of the Oregon law directly covering the actions of these people is as follows:

Section 414E. ELECTIONEERING ON ELECTION DAY PROHIBITED. It shall be unlawful for any person at any place on the day of any election to ask, solicit or in any manner try to induce or persuade any voter on such election day to vote for or refrain from voting for any candidate, or the candidates or ticket of any political party or organization, or any measure submitted to the people, and upon conviction thereof he shall be punished by fine of not less than \$5 nor more than \$100 for the first offense, and for the second and each subsequent offense occurring on the same, or different election days, he shall be punished by fine as aforesaid, or by imprisonment in the county jail for not less than five nor more than 30 days, or by both such fine and imprisonment.

2 MORE INDICTED IN KABER MURDER

Cleveland, Ohio, June 18.—(I. N. S.)—True bills were returned this morning by the Cuyahoga county grand jury, charging murder in the first degree against Salvatore Cala, arrested yesterday near Buffalo and held there pending extradition, and Viora Tiffell as the actual murderers of Daniel F. Kaber, wealthy Lakewood publisher, with whose murder his widow, stepdaughter, mother-in-law and one other woman are already charged.

Tiffell, who is still at large, is believed to have been Kaber's actual stabber.

Earl Thomson, Hurdler Equals Own World Record

Stagg Field, Chicago, June 18.—(U. P.)—Earl Thomson of Dartmouth today swept aside all doubts as to his claim to be the world's premier hurdler when he again ran the high hurdles in 14.25 seconds, equaling his own world's record.

The record was made in the finals of the 120-yard hurdle tipping event of the national intercollegiate A. A. U. meet here.

Pope of Washington won the shotput with a throw of 45 feet 4 1/2 inches. Frank of Washington placed fourth in the 440-yard dash, which was won by Shea of Pittsburg in 49 seconds flat.

Paula of Grinnell won the 100-yard dash in 16 seconds. Hurley of Washington finished fifth.

Jenne of Washington placed second in the pole vault, which was won by Weis of Georgia Tech with a mark of 12 feet.

Pope won the discus throw, hurling 142 feet 23 inches. Blackwood of Northwestern placed second, and Donohoe, Illinois, third.

Jole Ray, I. A. C. holder of the world's record for the mile, ran a feature quarter mile against time, unopposed, in 53.45.

Stillman Breaks With Chorus Girl Beauty, Report Says

New York, June 18.—(I. N. S.)—James A. Stillman, financier, who is suing his wife for divorce, is reported to have broken with Mrs. Florence Leeds, former chorus girl, who was named correspondent in Mrs. Stillman's counter divorce action, according to a story printed today by the Evening Journal.

It was said to have cost Stillman \$500,000 to sever the bonds of friendship with Mrs. Leeds. In her counter divorce Mrs. Stillman charged her husband with lavishing his wealth upon Mrs. Leeds, and she charged further that Stillman is the father of a child, the 2 1/2-year-old son of the former chorus girl.

Mrs. Leeds, at last reports, was living upon Stillman's private ocean-going yacht, the "Leda," which was fitted from one anchorage to another in New York waters. According to the new developments today, however, Stillman was induced to break away from the vicious and beautiful "Flo" Leeds, and, according to the Evening Journal informant, has centered his affections upon a young woman whose social life is much higher than that of Mrs. Leeds.

Motor Boat Blows Up; One Is Killed... New York, June 18.—(U. P.)—At least one person was killed today when a motor boat blew up in the lower bay. Witnesses to the explosion were unable to determine the number in the boat. Only a few bits of wreckage were found when other boats reached the scene of the explosion.

C. E. PECK WILL SUICIDE WIFE'S SHOT

Life-Long Paralysis May Be Result of Bullet Which Spouse Says She Fired into Sleeping Husband Because of Neglect.

His entire right side paralyzed, Clarence E. Peck, 38, is at St. Vincent hospital, where, despite his serious condition, attendants say he will recover from the effects of a bullet wound inflicted by his distracted wife as he slept early this morning at the family home, 456 East Thirty-seventh street north.

Peck is superintendent of motive power for the O-W. R. & N. railroad. Mrs. Virginia Peck, 36, has confessed fully to a charge of assault with a dangerous weapon and is being held in the city jail pending an investigation on the part of District Attorney Evans' office. She declares in a signed statement that her husband's frequent absence from home and the serious illness of their 12-year-old son, Nelson, a diphtheria patient, caused her to shoot her husband. These circumstances, she intimated to police, were aggravated by her suspicion that Peck was meeting another woman.

She did not shoot to kill, Mrs. Peck said, "but to frighten Clarence by wounding his arm."

WIFE HIDES REVOLVER... Mrs. Peck concealed the revolver in a kitchen chimney corner and rushed from the house to call for Dr. H. B. Moore, a neighbor. The physician found Peck unconscious on the floor near the telephone to which he had crawled from his bed to ask central to notify the police.

When the police arrived, Mrs. Peck admitted the shooting and shouted, "For God's sake, don't let him confess!" This statement at first puzzled the officers, who thought Peck might have been guilty of some serious offense.

The weapon used was an old .38 caliber revolver owned by Peck. It was held so close to his body that his night shirt was burned and set fire to the clothing. The bullet entered Peck's right shoulder and ranged downward, according to police emergency doctors, probably lodging against the spine, causing paralysis.

NEIGHBORS WITH WIFE... Police answering the emergency call found little sympathy among the neighbors. The physician found Peck unconscious on the floor near the telephone to which he had crawled from his bed to ask central to notify the police.

MAKING EXPERIMENT... A number of years ago, in conjunction with the United States government, the Liebeck company had a number of canoes built, frozen into the ice near Herald island. These canoes were found, five years later, on the other side of the north pole, apparently indicating that the currents forced the ice across the north pole.

AMUNDSEN SAVED IN FROZEN NORTH... San Francisco, Cal., June 18.—(U. P.)—Captain Roald Amundsen, the Arctic explorer who left Alaska last fall with the intention of freezing his ship into an ice block and remaining in the north seven years in an attempt to prove that the currents carry the ice blocks across the North Pole, has been rescued at East Cape, Siberia, by Captain Peterson of the schooner Herman, belonging to the H. Liebeck company of San Francisco, fur dealers.

EXPLORES RESCUED... The dispatch stated that Amundsen's ship, the "Maud," had been disabled and left abandoned in the ice near Serge, Siberia. The Amundsen party, after great difficulties, made its way over the ice to Siberia and finally down the coast to East Cape, where they encountered Captain Peterson.

ALL REEF SHIT OFF FOR ELLERS... Two more futile attempts were made this morning for counsel for Hy J. Ellers, president of the Oregon Eilers Music company, to free his client from the custody of the United States marshal, who is holding him for contempt of court, with no prospects of any relief until at least 10 o'clock Tuesday morning, when the next hearing will be held before Federal Judge R. S. Bean.

New Hostelry Opens On Upper Columbia; Hundreds Present... Columbia Gorge hotel, located on the Columbia highway one mile west of Hood River, was officially opened today. The hotel, manager of the new hostelry, presided at a public reception beginning at 2 o'clock, after which the reception and dining halls were to be turned over to the Portland Kiwanis club for the evening.

England and France Resume Conference... Paris, June 18.—(I. N. Beavers-Angels Game Postponed... The first game of today's double header between the Los Angeles and Portland baseball teams has been called off on account of wet grounds. An effort will be made to play the regularly scheduled contest at 3 o'clock p. m. The cancellation of the first game has resulted in billing a game Monday afternoon at 3 o'clock.

Clarke Re-elected as Chief Ratemaker... Washington, June 18.—(I. N. S.)—Chairman E. E. Clarke of the interstate commerce commission has been unanimously re-elected for the year terminating June 30, 1922, the commission announced today.

2000 Chorus Girls Form Bread Line

Chicago, June 18.—(U. P.)—Chicago's Riato has been turned into a bread line. First nighters and gallery gasers today came to the rescue of 2000 chorus girls, who are jobless and penniless here.

Funds are being contributed to a relief fund to tide the girls over until the show business gets on its feet again.

"The benefit will wind up with a big picnic which is to be staged tomorrow. Some of the lucky girls are now waiting as maids of clerks," said Miss Alice Sirwin, pretty ball dancer, "but most of us cannot find a position at all."

AMERICANS WILDEST POLO MATCH

Defeat British Defenders by Score of 11 to 4; Challengers Will Recover Cup if They Take Another Game; King Is Present.

By William L. Mailabar... International News Service Staff Correspondent... Marlborough, England, June 18.—America's challenging polo, four scored a victory over the British defenders of the historic international cup in the initial match here this afternoon, winning, 11 to 4.

Captained by Devereaux Milburn, one of the greatest backs in the history of international polo, the Americans swept their opponents down to defeat with a brilliant crowd looking on.

King George and members of the nobility were numbered in the great assemblage that witnessed the match. The polo commissioner dropped dead in the grandstand just before the arrival of the king and his party. The news was kept quiet.

The teams will rest up until next Wednesday when the second match is scheduled. Should the Americans win it they will recover the historic cup, as the competition is for the best two in three matches.

The score by chueckers: Americans 11, British 4. The line ups for the rival fours: Americans—No. 1, L. E. Stoddard; No. 2, Tommy Hitchcock; No. 3, J. Watson; No. 4, back, Devereaux Milburn. British—No. 1, Lieutenant Colonel Tomkinson; No. 2, Major Barrett; No. 3, Lord Wodehouse; back, Major Locknett.

MILBURN FEATS... Captain Milburn played despite the fact he was suffering as a result of wrenched muscles in his back, due to an accident. He made a sensational play, blocking a British try for goal and then scored a goal for America soon after the match got under way.

The American four rolled up the big game score ever made in international polo for the cup. The playing of every member of the winning team was decidedly brilliant, that of Captain Milburn especially so.

After the match Captain Milburn, who was greatly elated over the victory, said: "It was a great game. A fight every minute and very fast. Our boys played well."

WILL PLAY WEDNESDAY... Asked how he felt, he replied: "My back is still sore, but I did not feel in the excitement of the game. I'll be ready to play again Wednesday."

There was much disappointment among the British, however, over the decisive defeat of their team. Their poor showing is largely attributed to the fact that the Americans had better ponies. General comment after the match was that the British were "out of sync."

If Mr. Milburn was sick today, how would he play if he were felling well? He is a marvel.

BRIGHT FIELD... Bright sunshine greeted the crowds that began arriving early to witness the resumption of play for the historic polo trophy. Today's match is the first to be played since 1914.

The whole thing has been brought to a head by the seizure of between 500 and 600 machine guns on a freight steamer at Hoboken just as she was about to sail for an Irish port.

No Note Received... Washington, June 18.—(I. N. S.)—The state department announced this morning that it has received no note from Great Britain requesting this government to take strong precautions to prevent the shipment of war supplies to Ireland for use by the Sinn Feiners against the crown forces, is now at Washington, it was learned from a semi-official source this afternoon.

British officials are preparing a mass of information regarding the extent of the shooting plots which will be sent to the United States unofficially for use by British secret service agents now operating in that country.

LOLITA ARMOUR BECOMES BRIDE OF BANKER'S SON

Chicago, June 18.—(I. N. S.)—A simple ceremony this afternoon will mark the wedding of Miss Lolita Armour, only daughter of Mr. and Mrs. J. Ogden Armour of the meat packing monarchs, and John J. Mitchell Jr., son of the president of one of Chicago's largest banks. The wedding will unite two of America's largest fortunes.

The ceremony, the culmination of a childhood romance, will be solemnized in the long hall of the Armour's Lake Forest residence, Melody Farm, at 4 o'clock, following which there will be a supper served on the lawn. The couple are expected to spend a brief honeymoon at Armour's summer camp at Long Lake, Mich.

Miss Armour will wear as a bridal gown an affair of white chiffon velvet, with a pearl girle and cascades of lace over the hips. The court train, which falls from the waist, is lined with light green. The veil of tulle will be held in place by a narrow bandeau of silver, embroidered with orange blossoms over the forehead.

The couple later will go to Santa Barbara, Cal., where Miss Armour has a fine bungalow, and then they will return to Chicago, where they will make their home in an apartment at Walton Place.

Miss Armour has been known as a "true Chicago" girl, having been educated here, and having chosen the city in preference to Newport and other elite centers as her social domain. She has been active in welfare work here. Both the bride and groom served in the war. Miss Armour as a nurse in this country.

Miss Armour set a new style among June bridesmaids by not having a trousseau. She purchased only those clothes which she will require for the summer's wear.

A special train was required to carry the society folk from Chicago to Lake Forest for the wedding ceremony.

GRIM WIDOW INDICTED FOR AGEE MURDER

Woman Loses Iron Nerve When Told of Action; Faints When Her Relatives Visit Her Cell; Begs to See Husband's Body.

Mrs. Louise Agee was this morning indicted by the Multnomah county grand jury on a charge of murder in the first degree. This action is an outgrowth of the investigation into the tragic death of her husband, Harry Agee, whose throat was cut as he slept in the Agee home at 1770 Druid street, last Saturday morning.

Deputy Sheriff Beckman read the indictment to the widow in her cell at the county jail at 2 o'clock this afternoon. Then, for the first time since her detention, Mrs. Agee's stolid demeanor broke.

"Oh, oh," she cried, burying her face in her hands. Soon afterward she was visited by relatives who undertook to console her, but when they appeared she dropped over in a faint.
