AUTOMOBILES-FOR SALE 800 AT THE COVEY MOTOR CAR

COMPANY PLANT

Evidence of our frank determination to deliver the utmost possible value in every used
tar we sell is plainly visible at the time when
the price reduction has caused our present stock
to be offered, in many cases, at a much lower
figure than we paid for the car, exclusive of
the rebuilding expense.

The cost of the car, the amount it will sell for
or the profit or loss involved does not alter our
determination to place each car in the very
best shape possible.

best shape possible.
