parently creeping beneath the dock on which the Astoria Box company stood, reached the dry kilns of the plant about 6 o'clock Thursday, after the fire department had relaxed vigilance over the blaze, which earlier in the day destroyed the sawmill portion of the plant with a loss that may run to \$150,000.

The new outburst of flames seized upon the dry structure of the kilns and their contents, rapidly consumed those structures and damaged the north end of the box factory before the fire fighting apparatus, recalled to the scene from the stations, could cope with it. The latest outbreak of the fire will raise the total loss previously estimated by F. W. total loss previously estimated by F. W. McGregor, president of the company, by

cording to advice received Thursday.
The Seattle chamber roads committee expressed belief that Oregon and Washshould join upon the amendments proposed, contending that united action of the entire West is necessary if the pro-While a number of firemen were remaining at the mill mopping up the last apparent flames, the spectators and engines had left the scene before the kilns were ignited. Only a drenching by the heavy rains of the past few days is Shepard's Auto Bus Lines—Portland-St. Helens division—Leave Portland 7:30 a. m., 10 a. m., 1 p. m. and 4 p. m. daily and 11:15 p. m. Saturday, Sunday and holidays. Leave St. Helens 7:30 a. m., credited with preventing a total loss to the entire plant with the first blaze. The wind was light and the wet exterior of the box factory resisted the flames.
