Beaver Boys Almost Win From Seals

SAN FRANCISCO, July 21.—Two coast-by-bobbers were made in yesterday's San Francisco-Portland baseball game, here and they had a lot to do with the 5 to 4 victory registered by the Seals over the fall-enders.

There was a great ninth inning rally attempted by the Beavers and two runs were counted with Del Baker on third when the final out was made. To Baker goes the credit of making the game close for as a pinch hitter he saw delivered the goods. It was a double and scored two men.

Sam Ross started and finished the game for the Portlanders and although he was wild, his defeat was helped along when Hale and Krug made errors. Lewis wasn't very steady for the Seals either, and several times he was let down very easy when his teammates came through with some nifty fielding. Hale's error was made in the first inning when with two out and two on, he dropped Kelly's fly and both runners came home.

In the third the Seals made three more runs. The longest hit of the afternoon was Ellison's triple. Each team made two big batters. It was the second straight win for the Seals.

ANGELS DRIVE GARDNER OUT AND WIN FROM SEALS, 6-5

LOS ANGELES, July 21.—The Angels took Wednesday's game from Seattle, 6 to 5, and evened up the series. Gardner started for the Indians but was treated rough in the fifth and Dailey succeeded him. The winning run came in the eighth when Sam Crawford doubled with a man on second. The victors outdid the Angels.

88 Golfers Tee Off in Open Affair

By Robt. E. Harlow

COLUMBIA COUNTRY CLUB, Chevy Chase, Md., July 21.—(L. N. S.)—Eighty professionals and eight amateur golfers, the pick of three continents, were off today in the supreme golf test of the year—the 72 holes medal play rounds for the open championship of the United States.

With the qualifying round passed, the players who are rated highest settled into the two days of shooting confident that in 72 holes their class would tell and that when the last few holes are played they would be out in front fighting for the title.

36 HOLES TODAY

The list of favorites includes Hutchinson, Hagan, Barnes, Evans and Jones of America; Duncan and Mitchell of Britain and Kirkwood of Australia. Betting odds were at from 13 to 1 to 8 to 1, against members of this group.

Today's program called for 36 holes, and those who consider they still have a chance to finish in the money will go the same distance Friday. In the event of a tie there will be a play-off at 18 holes Saturday.

LONG JIM BARNES TURNS IN LOWEST QUALIFYING SCORE

By Bobby Jones

Washington, July 21.—Long Jim Barnes of Pelham, N. Y., led the field in the second day of qualifying at Columbia with the wonderful score of 69, Wednesday. The great professional got away to an excellent start with a birdie on the second hole, after a par for four on number 1. He slipped twice after that on the very next 26.

Reports Have Billy Shade Coming Home

San Francisco, July 21.—(L. N. S.)—Mail advices from Sydney, Australia, Wednesday stated that Billy Shade, light heavyweight from California, who has been cleaning up fighters of his class in sensational fashion in Australia, is en route to San Francisco following a slight operation which kept him in the hospital for about 10 days. Shade took part in nine contests in Australia and won all but one which he lost on an accidental foul.

Shade is just past 21 and is now growing into the heavyweight class. It is reported that he will seek a match with Georges Carpentier upon his arrival in the United States and if successful will camp on Jack Dempsey's trail.

By Tad France Pins Hope on Mlle. S. Lenglen

NEW YORK, July 21.—(U. P.)—France lost her superman when Georges Carpentier went down. She is now pinning her national pride on her superwoman, Mlle. Suzanne Lenglen, the queen of the tennis courts.

Uncle Sam, to meet the invasion of one as superb in her line as Carpentier was supposed to be in his, has called back to the courts two of his greatest, Mrs. May Sutton Bundy and Miss Mary K. Browne.

The two great California women are here now practicing daily to get in form to defend American honor against an invader that records prove to be almost invincible.

Both Mrs. Bundy and Miss Browns contradict the popular theory that a woman must talk. Neither will say a word on what they are going to do in the national championships at Forest Hills, starting August 15 when they are to meet the French girl.

P. Herman Arrives Ready for J. Lynch

NEW YORK, July 21.—(L. N. S.)—Pete Herman, world's former bantam champion, arrived here today aboard the Orinda to meet Joe Lynch for the title at Ebbets field next Monday night. Herman reported himself to be in good condition. He trained aboard ship with the bout with Lynch in his mind.

Mike Gibbons, with his manager, Mike Collins, also arrived in town. Gibbons will meet Augie Ratner Monday night at Dyckman Oval in a 12 rounder. If he decisively defeats Ratner he expects to get a match with Johnny Wilson, the middleweight champion.

Two Bouts Completed By Kendall

WITH his 16-round main event and the semi-windup already signed up, Matchmaker Frank Kendall of the Milwaukee boxing commission is dickering for a special six-round bout which will make the fans sit up and take notice, according to his announcement Thursday morning.

The card, which will take place in the Milwaukee arena next Wednesday night, has Mike Simonich and Frankie Murphy, welterweights, heading the list, with Abe Mishkind of Salt Lake and Young Sam Langford of Seattle appearing in the six-round semi-windup. A special six-round affair and two four-round engagements will complete the bill.

Mishkind, who meets Young Sam, is a newcomer in these parts, but he bare no one who weighs around 130 pounds. He has been holding forth in Salt Lake, and while there he took on Muff Broncos and got a draw. Muff was heavier by six or eight pounds, and the showing made by Mishkind stamped him worthy of notice with boys around his own size. He came here to do battle with Joe Gorman, but he said that he was willing to take on anyone else, in order to give the fans an opportunity to say what he is capable of doing.

Matchmaker Kendall completed the negotiations by way of the long distance telephone with Dan Salt, and the Seattle promoter promised to have Young Langford on the job by Sunday. At present Mishkind is working out every afternoon at the Olympic club.

Baker Doing Comeback Wednesday's Play Fine

NEW YORK, July 21.—(L. N. S.)—Consider J. Franklin Baker. The wisecracker shook their heads knowingly and opined he would flounder when he announced last spring that he would try and come back.

Baker had been out of the majors for more than a year. He had just celebrated his thirty-fifth birthday. Coming back for him looked like the impossible to many.

But J. Franklin is back, playing wonderfully aggressive baseball for the Yanks. And it looks as though he has brought his faltering team up with him.

It was Baker's playing in Cleveland yesterday that enabled the Yanks to wrest the leadership of the American league away from the world's champion Indians for the second time this season. His three hits were responsible for four runs that put the ball game on the ice.

He has more than done his share in helping New York win it out of the last 20 games they have played and if Yankee fans see their dream come true and the team wins a pennant, Baker will come in for a big share of credit.

Stanford's new stadium will seat 80,000, cost \$210,000 and be ready for the November 13.

JESS WILLARD MOVING

TOPEKA, Kan., July 21.—(L. N. S.)—Jess Willard, former champion heavy-weight boxer, desires to say that he intends to move to Los Angeles to live. He stated that his wife and children are spending the summer in California but that he was very much undecided as to making his permanent home there.

Babe Ruth Didn't 'Home' Wednesday; Scored 3 Times

(By United News)

CLEVELAND, Ohio, July 21.—Though he got only one hit in five times at bat, being hit twice by pitched balls and passed one, Babe Ruth managed. Sweetener three of the runs, while Evans gave the Yankees a 7 to 1 victory over the Indians here Wednesday, dumping the Indians out of first place and establishing the rubber in a fine game. Babe tapped for the third consecutive out in the first and was passed with two on in the third, scoring from third a little later as a double steal. There were two out when Ruth was hit by a pitched ball in the fifth. Baker's double scored him. Ruth's scoring was due to pretty good raving both times. Ruth singled with Peck on first in the seventh. Another double by Baker sent him to third and he scored on Melvin's hit. In the ninth Ruth was hit again. He reached third and perished there.

qualifying round. It was the best amateur score of the day.

HAIRD LUCK

Tommy Armour, the brilliant Scotch amateur, had luck on his first round, requiring 43 strokes. A flashy coming in netted him a 36, but the total of 79 was one stroke too many to include him in the clearing circle. Armour is a fine golfer and it is a pity he did not win the place he deserved in the championship.

There are eight amateurs entered now in the final test, J. P. Guilford, John G. Anderson, Nelson Whitney, J. W. Sweetener, E. E. Newcomb, Evans, R. L. Finkenshead and myself. From the pairings which have been made for the final play, I would say that the most interesting would be that starting at 10:50 Thursday morning between Jim Barnes and Pete O'Hara.

FAIRINGS GIVEN

With their respective scores yesterday these two "pros" should command a great gallery today. Second only to this pair will be interest in the pairing which places Walter Hagen with Nelson Whitney, the great southern amateur, and George Bowden with Chick Evans, the great Englishman in the play, will be matched with Emmet French, and French's golf here certainly will make this combination a great drawing card.

Other combinations which will give the gallery plenty of thrills are as follows:

Joe Sylvester and Jess Guillard, starting at 9:05 a. m.; Mike Brady and Pat O'Hara, driving off at 9:20. Mike was only one over Barnes for low score Wednesday, while Pat tied with Whitney for low score Tuesday. Chick Evans, paired with Alex Cunningham, starting at 9:50 a. m. Fred McLeod and George Bowden starting at 10:40. Of course there will be tremendous interest in the matches in which the Englishmen participate. Barnes, Mitchell, Duncan and Hutchinson, in fact, are the great four upon whom bets are being made now by those picking the winner.

PUTTING OFF

Duncan might easily have been four or five strokes lower than his 72. Like all of the leaders, with the possible exception of Barnes, the Duncan was off on his putting. He missed four or five putts of six feet or less which would have given him birdies on holes he made in par.

His approach shots to the green were miraculous, the ball invariably dropping close to the pin and on one occasion rolling into the hole after a difficult putt from the green trap. Had his putting been dropping there is no knowing what score he might have made. However, that's just one of those little things about this game.

"Chick" Evans, the reigning amateur champion, playing his first round over the course, found himself in a precarious position when he reached the turn in 40 strokes. A spectacular recovery on number 5, after he had driven into the rough, put his second in the bunker, played short of the green on his third and played over the green into the trap on his fourth, probably did much to restore his confidence and get him going again. He holed out for a par five from his trap. From there on he rallied gamely, playing the last nine in a superb 34, with six fours, a five and a single two and three, respectively, on numbers 16 and 18, which gave him a 34 for the second nine and a 74 for his

JAPAN IN SEMI-FINALS

NEW YORK, July 21.—(L. N. S.)—Japan has gone into the semi-final round of the Davis cup matches, due to the defeat of Edwin Fischer, United States Lawn Tennis association announced today. India's victory over France brings that team into the semi-final also and will meet the Japanese team at Chicago, August 11, 12 and 13.

RACING

KALAMAZOO, Mich., July 21.—Two of the feature numbers of the grand circuit program here Wednesday had to be decided in extra heats. In the \$3000 paper mills purse Walnut Frisco won out after Escotillo and E. Colorado had taken the first and third heats respectively. Walnut Frisco won the second heat, and a fourth was called to determine the winner.

Greyworthy was forced to enter an extra heat before taking first in the event for 2 1/2 trotters. The summaries:

BOXING

VANCOUVER, B. C., July 21.—Bud Ridley, sensational Seattle bantam, completed training here today for his bout tomorrow night with Danny Edwards. Ridley says he is in fine condition, but he will have to step if he hopes to beat the little baby who has been going at a fast clip of late. The bout ought to be a hummer as the winner will meet Johnny Kilbane, feather-weight champ if the latter can be coaxed into the ring. Joe Waterman, Ridley's manager, claims that his charge can beat Kilbane as he is not the boxer of old. Spokane, Wash., promoters are after the bout, which will be held at the Allan race track where the Mike Gibbons-Al Sommers bout took place. A good card supports the main event here tomorrow.

Omaha, Neb., July 21.—(U. P.)—Sam Langford, Boston Tar baby, knocked out Ed "Bearcat" Wright, Omaha negro, in the ninth round here last night.

MRS. BUNDY APPEARS STRONG

Several officials of the United States Lawn Tennis association and many tennis fans watched Mrs. Bundy play at Forest Hills. They agree with the reports coming from the coast that she seemed close to the game of old that she had in one of the greatest women players ever produced.

NEW YORK, July 21.—(L. N. S.)—The winner of the Tommy Gibbons Georges Carpentier bout, here next October will be presented with a diamond-studded belt emblematic of the world's light heavyweight champion. Promoter Rickard will donate the belt, he said today.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone.
